

MRS. GREATON'S AWFUL EXPERIENCE

During Change of Life—How Lydia E. Pinkham's Vegetable Compound Made Her a Well Woman.

Natick, Mass.—"I cannot express what I went through during the change of life before I tried Lydia E. Pinkham's Vegetable Compound. I was in such a nervous condition I could not keep still. My limbs were cold, I had creepy sensations, and I could not sleep nights. I was finally told by two physicians that I also had a tumor. I read one day of the wonderful cures made by Lydia E. Pinkham's Vegetable Compound and decided to try it, and it has made me a well woman. My neighbors and friends declare it has worked a miracle for me. Lydia E. Pinkham's Vegetable Compound is worth its weight in gold for women during this period of life. If it will help others you may publish my letter."—Mrs. MARION SWEET GREATON, No. 1 Jefferson St., Natick, Mass.

Change of Life is one of the most critical periods of a woman's existence. Women everywhere should remember that there is no other remedy known to so successfully carry women through this trying period as Lydia E. Pinkham's Vegetable Compound.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

WYETH'S SAGE AND SULPHUR HAIR REMEDY

Restores Gray Hair to Natural Color

Sulphur is a Natural Element of the Hair. When there is not a sufficient amount of sulphur in the hair, it loses its life, color and strength, turns gray, and falls out. There are many forms of sulphur, but only one kind that is suitable for treatment of the hair and scalp, and that is the kind used in preparing WYETH'S SAGE AND SULPHUR HAIR REMEDY.

We Have the Secret, and We Give You the Benefit of It at an Exceedingly Low Price

For two or three years my hair had been falling out and getting quite thin, until the top of my head was entirely bald. About four months ago I commenced using Sage and Sulphur. The first bottle seemed to do some good and I kept using it regularly, until now I have used four bottles. The whole top of my head is now fairly covered with hair, and it keeps coming in thicker. I shall keep on using it a while longer, as I notice a constant improvement.

Some extra fancy steers shipped to North Portland today by Goodale & Casady from Gazelle, Cal., sold at \$6.00 per hundred pounds. FAMILY REUNION AND COUNTRY HOP

(Special Correspondence.) Nolin, Feb. 20—One of the best country dances of the season was given at the residence of Thomas Kerr last Saturday night by the Ladies' Helping Hand society. At midnight an elaborate oyster supper was served. The affair was free of charge. For the first time in several years all the living members of Mr. Kerr's family were together to enjoy the festivities. They were: Mrs. O. D. Steele, of Nolin, Mrs. R. N. Beaver of Stanfield, Mrs. W. A. Prase of Umatilla, Messrs J. O. and John Kerr of Holdman, besides three sons and two daughters yet at home.

The next social will be given by the Nolin base ball club on the 9th of March. Wm. Davis, telegraph operator for the O.-W. R. & N. at Pendleton visited his aunt, Mrs. Chas. Welch Sunday.

Miss Hazel Balcom came down from Pendleton Saturday returning Sunday on No. 2, during which time she was a guest of the Marples. During the past few days the stork has left with Mr. and Mrs. Will Holmes, a daughter; Mr. and Mrs.

New York, Feb. 19.—Indignant denials that he attempted to "fleece" Samuel Haslett, an aged millionaire and recluse, was made today before a magistrate by Frank Gardner, a former state senator, who was arrested on a charge of attempting to take advantage of the hemit's feeble condition, in an effort to get possession of his property. The charge was brought by John Lord, who for twenty-three years has been Haslett's attorney. He was released on bonds.

George Decker, a nurse employed by Haslett, was arrested on a like charge. Lord says he investigated and found legal papers giving Gardner full power of attorney and possession of the money and property. Haslett's signature, he says, was secured in an illegal manner. Haslett's wife was burned to death twenty-five years ago and since then the millionaire has lived the life of a hermit.

Young Mothers

No young woman, in the joy of coming motherhood, should neglect to prepare her system for the physical ordeal she is to undergo. The health of both she and her coming child depends largely upon the care she bestows upon herself during the waiting months. Mother's Friend prepares the expectant mother's system for the coming event, and its use makes her comfortable during all the term. It works with and for nature, and by gradually expanding all tissues, muscles, nerves, and keeping the system in good condition, brings the woman to the crisis in splendid physical condition. The baby too is more apt to be perfect and strong where the mother has thus prepared herself for nature's supreme gift. No better advice could be given a young expectant mother than that she use Mother's Friend; it is a medicine that has proven its value in thousands of cases. Mother's Friend is sold at drug stores. Write for free book for expectant mothers which contains much valuable information, and many suggestions of a helpful nature.
