A NATIONAL OUTRAGE.

There is stirring need of a conaffair at Lawrence. If such actions laration that they have a proposition as that are to go unpunished then America should tear down the statue in use. of liberty and put a golden calf upon its pedestal. Our republic is a fake city to get a firmer and longer option and a mockery if it tolerates such business.

The authorities at Lawrence are not enforcing law and decency. They are hirelings of the mill owners who crack the master's whip around the feet of people who live in nothing more or less than industrial slavery. It is anarchy by the rich and it is C. A. Barrett attempted to assail the the cause of anarchy by the poor,

The associated press "tamed-down" are stories unfriendly to vested in- of procedure. terests. But both press associations heralded the fact that the trouble tion the honesty and sincerity of the arose over the action of the police governor's purposes. His actions and soldiers in preventing parents plainly show he is trying earnestly to from sending their children away to advance the cause of good roads in other towns where they might be cared this state. He is not over deeply com-

The explanations made in behalf from starving because they can be cared for in Lawrence at the city poor farm. But parents naturally resent sending their children to the poor farm and they have a right to do so. They have a right to send by more friendly hands.

If parents have not the right to peacefully send their children away to other towns where there are people ready and anxious to look after them then something has dropped

out of our constitution. If we are to have a government like that at Lawrence then we should wipe the stars from off the fing and lascribe the dollar mark upon the nation's ban-
