

DROP IN CATTLE PRICES IS SEVERE

PORTLAND MARKET HAS ENOUGH TO LAST 10 DAYS

Offerings Over Week End Very Heavy
Calves—Advance Five Cents—
Hogs Maintain—Sheep Unchanged—
Wheat Depressed.

From Monday's Journal.)
There was a severe drop in the price of cattle at North Portland today. The biggest buyers, the Union Meat company, have filled to overflowing with supplies, and only two or three small butchers appeared in the local trade today. Some of the best stuff recently offered here was sold to go to Fry & Co. at Seattle for \$6.50, weighed there. This should be equivalent to \$6.25 here. Local buyers would not offer above \$6.15 for the same stuff. The market at the present time has a sufficient amount of cattle to fill its wants for at least a week or ten days without a single hoof coming forward.

There was a very heavy offering of all sorts of livestock at North Portland today. Cattle came forward in the greatest supply for some weeks, a total of 1085 head appearing since Saturday compared with 715 head for the same period a week ago.

There was a very liberal supply of cattle offered by California parties. Some of this was top stuff but even then did not move out very freely owing to the general congestion in the trade.

So far as cattle values are concerned, there is little change in the North Portland market this morning as compared with the last sales on Friday and Saturday.

All told there were 42 loads of cattle offering in the local yards today, 13 of these being from northern California.

Calves Are Up a Nickel.

The price of calves was boosted another nickel at North Portland today, the sale of three animals being

Hog Market Maintained.

There was a very liberal offering of swine in the North Portland yards today. A total of 1127 head was received compared with 736 head last Monday. Tops sold quite readily this morning at \$6.75, but it took extreme quality to hold this figure. Heavier stuff sold in proportion.

A very active trade remains in the sheep market at North Portland. Run for the day was 1038 head compared with 4545 last Monday. During the morning trade there was no change in conditions from those that ruled at the close of last week.

SAGE AND SULPHUR

Made Her Look Twenty Years Younger

READ MRS. HERRICK'S SWORN STATEMENT

STATE OF NEW YORK } ss.: ROCHESTER, N. Y.
COUNTY OF MONROE }

Nancy A. Herrick, being duly sworn, deposes and says: When I was a girl I had a head of heavy, long, dark brown hair which was the envy of my friends and which attracted the attention and remarks of strangers, but as I grew older it commenced to come out. When my hair was quite thin and gray, I was induced by the many good reports I had heard of Wyeth's Sage and Sulphur to try a bottle; and you can imagine my satisfaction when I found my hair was fast coming back to its natural condition. I continued to use Sage and Sulphur until my hair was as heavy, dark and smooth as when I was a girl of sixteen. It is now four years since I began using Sage and Sulphur and my hair is in splendid condition.

Sworn to before me this 15th day of July, 1908.
