DOG WORTH HERO MEDAL SAVES A BABY BOY

Year-Old Youngster and Clothes Basket Fall Into River—Terrier Jumps Overboard, Gives Alarm and Swims Alongside Until Rescue Comes.

New York.—A dog was the hero of the rescue of a year-old baby from drowning in the Hudson river.

Willie Blake, child of Captain John Blake of the canal boat Mary Ann, tied up on the Jersey City side of the stream was playing in a big clothes basket on the deck when the baby and

al worked over the side to land right-side up on an ice cake.

A terrier which had been playing with the baby gave the alarm by barking furiously and after attracting the attention of the baby's father jumped overboard and swam faithfully on guard beside the ice cake as it floated down the river.

The dog was still on duty ten minutes later when a steamboat crew, whose attention had been attracted by the terrier's barking, put out a skiff and rescued the chilled but unharmed baby and the nearly exhausted dog.

Lady in Goodwater Describes Her Distressing Experience and Tells How She Was Finally Relieved.

Goodwater, Mo.—"Ever since I was a little girl," says Mrs. Riley Laramore, "I was a great sufferer from dyspepsia. I suffered misery after eating, and had terrible heartburn."

I thought I had to suffer this way as long as I lived, but when I began to take Thedford's Black-Draught, in small doses, every night, the heartburn was all gone in a few days, and I could eat without distress.

I took two small packages in all, and although that was some time ago, the dyspepsia has not returned.

I speak a good word for Thedford's Black-Draught whenever I have the opportunity.

If eating causes distress, we urge you to try Thedford's Black-Draught. It cleanses the system, helps the stomach to digest its food, regulates the bowels, and stimulates the liver.

It acts gently and is without bad after-effects. Try it. Price 25c.

THE GREATEST SUCCESSFUL CURE OF ANY CHRONIC DISEASE WITHOUT THE KNIFE.

See our patients testimony. Dec. 1st, 1911. I am glad to tell the public what the Chinese Doctor did for me. I was nearly dead suffering from abscess in the stomach and three American doctors told me there was no hope for me except an operation which I felt would kill me. So we called Dr. Leo Ching Wo and tried his medicine and in two weeks I was out of danger. Took his wonderful medicine four weeks more and am nearly well. I can cheerfully recommend his remedy to any one who is in need of a doctor, for he certainly saved my life. Mrs. Ida Herring, 215 West Alder St., Walla Walla, Washington. We receive testimonials from our patients daily who have been cured. If you want to be cured, come and see us or if unable to come, write and enclose a two cent stamp for symptom blank. Write without delay. Address:—LEO CHING WO, CHINESE MEDICINE CO., 14 E. Main St., Walla Walla, Washington.
