THE GREATEST SUCCESSFUL CURE OF ANY CHRONIC DISEASE WITHOUT THE KNIFE.

I am glad to tell the public wha the Chinese Doctor did for me. I was nearly dead suffering from abcess in the stomach and three American doctors told me there was no hope for me except an operation which I felt would kill me. So we called Dr. Leo Ching Wo and tried his medicine and in two weeks I was out of danger. Took his wonderful

medicine four weeks more and am nearly well.

I can cheerfully recommend hi remedy to any one who is in need of a doctor, for he certainly saved my life. Mrs. Ida Herring, 215 West

SAVED FROM DANGEROUS OPERA-TION--NEIGHBOR ADVISED WHAT TO DO FOR BLADDER TROUBLE.

I, too, wish to add my testimonial to the thousands you no doubt have, and will tel you what your great medicine did for me.

Several months ago I was taken very sick with bladder trouble, had intense pains and suffered greatly, at times I could not stand on my feet or sit in a chair and often was forced to ery out with pain.

I consulted two doctors who gave me different kinds of medicine, which did me no good. It seemed as though the more of their medicine I took, the worse I became. The doctors seemed to be greatly puzzled over my case and after holding a consultation I was told that I had a severe case of inflammation of the bladder and an operation was very necessary.

I was being prepared to be taken to the hospital, when a neighbor came to my house and said, "Why don't you try a bottle of Dr. Kilmer's Swamp-root." to try anything to get relief from my suffering. My wife bought a bottle of your medicine which I began taking and soon noticed a change for the better. I continued taking it and got better right along, my appetite returned and I was able to reume work.

I have used about fourteen bottles of Swamp Root and know that had I not taken it, I would have been operated on and perhaps never recover-I never fail to tell my friends about Dr. Kilmer's Swamp-Root as I know it will save many people from suffering and perhaps, as in my case, dangerous operation.

Paid in Full. In recent years a few plays have

made such big hits that two or three companies have been sent out in them and in one instance four organizations were started, but the number lasted only a short time. That play was not big enough or popular enough to win public support for four empanies, yet it was one of the bigbest successes of the time. In this act lies the proof that Eugene Walter's "Paid in Full" is the greatst and most popular play ever proluced in America. Beginning in Aucust, 1908, and continuing until last May, five companies appeared "Paid in Full" all over the United States. They ike it as well in San Francisco and n New Orleans and Minneapolis as hey did in New York where it ran for two years. Never has a play been in such demand for return engagements. In this respect it has a record unequalled in theatrical history. It has been played as many as five and six times in cities innumerable, and it is a wonderful illustration of its tremendous appeal that in every instance the audiences have been bigger each time it has returned. Therefore, its coming to this city will awaken deeper interest when at he Oregon theater Monday, March 11, the Wakenhals & Kemper com pany presents it with a New York
