the specialist who recently treated his eye.

Mr. and Mrs. T. M. Cook returned to their Helix home this afternoon.

G. M. Lewis of Adams is among the visitors in the city today.

O. A. C. MAN PLEASSED WITH BOYS' INTEREST

Enthusiasm over the work he is doing and confident that it will result in materially advancing the "Back to the soil" move N. C. Maris, field assistant in the extension department of the Oregon Agricultural College, has been here today. He came in from Pilot Rock where he met with the school children and this afternoon he went to Freewater where he is to work tomorrow. From the east end of the county Mr. Maris must return to Portland and he will be unable to visit the Pendleton schools at this time.

Upon his trip through eastern Oregon Mr. Maris has been arranging for contests in growing garden vegetables and other farm products and usually the children have been found willing to compete. Most of the contests will close early in the fall and therefore the prize products will be available for exhibition at the various fairs throughout the state. In this district the contests will be conducted under the auspices of the district fair board which has offered prizes totaling \$500.

In his talks to school children Mr. Maris urges them to be producers and to try their hands at gardening, raising chickens, pigs, etc. He sets forth the doctrine that "he who plants a tree, digs a ditch or feeds a cow and

does it well is worthy of as much praise as he who writes a book, commands an army or rules a nation." According to Mr. Maris he also urges wherever he goes the necessity of teaching more agriculture in the public schools.

THROW OUT THE LINE.

Give Them Help and Many Pendleton People Will Be Happier.

"Throw Out the Life Line"—The kidneys need help. They're overworked—can't get the poison filtered out of the blood.

They're getting worse every minute. Will you help them?

Doan's Kidney Pills have brought thousands of kidney sufferers back from the verge of despair.

Pendleton testimony proves their worth.

C. S. Howard, 1614 W. Webb street, Pendleton, Oregon, says: "For fifteen years I had a great deal of trouble from a dull pain through the small of my back and left side and during the past year there was a numbness under my shoulders. I was unable to lie comfortably on my back and I was bothered a great deal by too frequent passages of the kidney secretions. After several well known remedies had failed to help me, I took Doan's Kidney Pills and they relieved my trouble. I am grateful to this remedy for its good work."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

Remember the name—Doan's—and take no other.
