Do you know that of all the minor ailments colds are by far the most dangerous? It is not the cold itself that you need fear, but the serious diseases that it often leads to. PAYS CIVIL WAR DEBT.
Nation Remits \$1.77 Due Soldier for Forty-Nine Years.
St. Paul, Minn.—Another proof that Uncle Sam is honest and will pay his debts as soon as he can is an exhibition at the office of Julius Schmal, secretary of state, at the capitol. It is a check for \$1.77 which was received by Charles A. Rose, document clerk. Uncle Sam has been owing Mr. Rose this money ever since 1863 and has at last got enough ahead to pay the debt. In 1863 Mr. Rose was transferred from one company of vol-

unteers to another and at the time of his transfer there was due him \$1.77. The amount was never paid and Mr. Rose had even forgotten that he had it coming until the check arrived recently.

John W. Sickselmitt, Greensboro, Pa., has three children, and like most children they frequently take cold. "We have tried several kinds of cough medicine," he says, "but have never found any yet that did them as much good as Chamberlain's Cough Remedy." For sale by all dealers.

"Yes; it's very similar," answered the other. "He comes in with muddy feet, makes himself comfortable by the fire and waits to be fed."—Everybody's Magazine.

If you have trouble in getting rid of your cold you may know that you are not treating it properly. There is no reason why a cold should hang on for weeks and it will not if you take Chamberlain's Cough Remedy. For sale by all dealers.
