(Special Correspondence.) Hermiston, Ore., March 26.—Sunday evening a meeting under the auspices of the Men and Religion Forward Movement and a union service was held at the Baptist church. The services were presided over by Superintendent B. Youel of the high school.

The church was filled to overflowing.

Reclamation Men Laid Off. The reclamation service have today laid off several of their men in the office. Among those are Mr. T. Richardson, assistant engineer, Thos. Hawthorne and G. Fritz, draftsmen. The reason for this is on account of the slowness of the west extension. As soon as the work commences on the extension these men will most likely be taken back in the office.

Must Register for Water. This year as the settlers make their payment for maintenance and operation, they are asked to go to the reclamation office and register for water. This is done to know exactly how many have made their payments so as all may have water who have paid their maintenance charge. The water is expected to be turned on the first of April.

## SAGE AND SULPHUR

Made Her Look Twenty Years Younger

READ MRS. HERRICK'S SWORN STATEMENT

STATE OF NEW YORK } ss: ROCHESTER, N. Y.  
COUNTY OF MONROE }

Nancy A. Herrick, being duly sworn, deposes and says: When I was a girl I had a head of heavy, long, dark brown hair which was the envy of my friends and which attracted the attention and remarks of strangers, but as I grew older it commenced to come out. When my hair was quite thin and gray, I was induced by the many good reports I had heard of Wyeth's Sage and Sulphur to try a bottle; and you can imagine my satisfaction when I found my hair was fast coming back to its natural condition. I continued to use Sage and Sulphur until my hair was as heavy, dark and smooth as when I was a girl of sixteen. It is now four years since I began using Sage and Sulphur and my hair is in splendid condition.
