## SITUATION HERE PLEASES SUFFRAGIST

### MRS. EHRGOTT, LEAVING, EXPRESSES GRATIFICATION

Local Branch of Oregon Equal Suffrage League Organizes and Will Hold Semi-Monthly Meetings and Wage Campaign in County.

Before leaving the city today to advance the suffrage cause in other parts of the state, Mrs. Sarah Bard Field Ehr Gott submitted to the East Oregonian the following statement of gratitude and thanks for her treatment while in this city.

To the Pendleton People:

I cannot leave this attractive town without registering publicly through the press, which itself has been so attentive to our cause, my warm gratitude for the kindly way in which the message of votes for women has been received. Not only the message but the messenger also. I shall carry back to Portland that warm glow that comes from the knowledge I leave behind a host of friends for the great women's cause and some for her who brought the word.

May I correct a little misunderstanding in the minds of some with regard to the relation of the league I represent to the National Suffrage League.

The league will meet every first and third Tuesday afternoon of each month at 3 o'clock, beginning tomorrow, April 2, and on the fourth Tuesday evening at 8 o'clock at the city hall. All who are interested in the movement are cordially invited to attend.

The purpose of the league is not

and looks constantly to them for advice and inspiration. Dr. Shaw, the national president, is a woman whose nobility of soul is only equalled by her grandeur of intellect, and I look upon her as a "city set upon a hill" whose light cannot be hid from the rays of which illuminate those of us whose lesser ability leaves us in the lower valleys.

The College league which I also have the honor of representing, is in close and sympathetic touch with the national workers and work. Thus, altogether as a national state, woman's club and College leagues, we are moving along the same lines, to the same triumphant goal, "Equality of Women With Men."

Again thanking this town for its great kindness, rejoicing in its intelligent interest and placing my confidence in an overwhelming victory in Umatilla county, I am Yours earnestly in behalf of votes for women.

SARA BARD FIELD EHRGOTT.

Organization Perfected. Saturday afternoon at the city hall the local branch of the Oregon Equal Suffrage League met and perfected a permanent organization to be known as the Political Equality League.

The following officers were elected:

Mrs. C. S. Terpening, president; Mrs. W. F. Matlock, vice president; Mrs. W. C. McKinney, second vice president; Mrs. J. S. Landers, third vice president; Mrs. F. E. Livengood, treasurer; Mrs. M. L. Akers, secretary.

The league will meet every first and third Tuesday afternoon of each month at 3 o'clock, beginning tomorrow, April 2, and on the fourth Tuesday evening at 8 o'clock at the city hall. All who are interested in the movement are cordially invited to attend.

The purpose of the league is not

only to work for a victory in this county, but to study the movement to investigate political questions and thus be able "to give a reason for the faith that is in them."

A warm welcome to all who come Tuesday, April 2, 2 o'clock. MRS. M. L. AKERS, Sec.

John C. Zoller, government hunter and trapper on the north fork of Meacham creek, came in today with his second shipment of skins in the last month. In his load today he had two lynx hides, one coon skin, three coyote pelts and several muskrat furs. The lynx hides are valued at about \$35 apiece and in addition to the price for the furs he secures the regular bounty and a flat salary, thus making his trade a rather lucrative one.

### Unlucky Thirteen in Police Court.

The month of April started off with an unusually large number of offenders appearing in police court but Judge Fitz Gerald was not inclined to view the matter as a joke and passed out sentences without any display of leniency. Mickey Madden, a small but persistent offender, became engaged in a fistie altercation Saturday evening in one of the saloons with John Marshman and after pleading guilty to the charge of being drunk and disorderly, he was sentenced to five days in jail. Marshman, claiming that Madden was the offender, pleaded not guilty and will stand trial this afternoon. Harry

Dunn, M. Ford, John Wallatzi and George Riley all went to jail for three days for being drunk, while Jacob Feline, Charles Beavert, Sam Whitman, Robert McConnell, John Haines and A.
