

GOOD NEWS S.S.S. CURES OLD SORES

To every person suffering with an old sore or chronic ulcer, the very best news in this paper is contained in the present article. It is good news because it is true; it tells of a way to get rid of these plague spots which so often sap the strength and vitality, and best of all, this permanent cure is in reach of every one.

It is an absolutely true statement to say that every old sore or chronic ulcer exists solely because of bad blood. Outside contaminations or influences may increase the local inflammation, but such things have nothing to do with keeping the place open. It is the infected blood discharging its impurities through a weak spot on the flesh that does this, and the sore will continue, gradually growing worse, until the blood is purified of the exciting cause.

See how nature points to the cause through the symptoms. The inflammation, discharge, discolored flesh, and the fact that external applications never have any curative effect on the sore, show that deep down in the circulation there is a morbid cause which prevents the place from healing. But more convincing proof that bad blood is responsible for old sores, is furnished by the fact that even removing every visible trace of the ulcer by surgical operation does not cure; the sore always returns.

S. S. S. heals old sores because it is the greatest of all blood purifiers; it goes into the circulation and removes the cause from the blood. When the blood has been purified there is no longer any inflammatory or infectious matter to irritate the place and nature causes a natural and certain healing of the ulcer. When S. S. S. has cleansed the circulation and the place is well, it is not a surface cure, not simply a smoothing over of the outward evidence, but it is a perfect and permanent cure, because every vestige of the old cause has been driven out. S. S. S. is made entirely of roots, herbs and barks, cleansing and invigorating in their nature, and of great tonic value. It is a medicine adapted to persons of any age, and is just as effective with the old as with the young or middle aged. Under the purifying and tonic effects of S. S. S. the system is greatly strengthened and benefited. To hear of S. S. S. has been good news to thousands, it is good news for you.

If you wish any special advice about an old sore or ulcer write for our free book, and ask our medical department to give any instructions you may feel the need of. No charge for the book or advice. S. S. S. is sold at drug stores.

AUTOISTS' MURDERER IS BELIEVED CAUGHT

Portland, Ore., April 3.—Positive that he has the man in custody who shot Donald M. Stewart and George Hastings on the Riverside drive near this city Friday night, Sheriff Robert L. Stevens of Multnomah county returned here last night from the mountains east of Woodburn, Ore., with H. E. Roberts, alias "Jack" Roberts, alias "Jungling Jack," an alleged convict of the Oregon and Washington penitentiaries, under arrest.

RESTORE GRAY HAIR TO NATURAL COLOR

The old idea of using sage for darkening the hair is again becoming in vogue. Our grandmothers used to have dark, glossy hair at the age of seventy-five, while our mothers have white hair before they are fifty. Our grandmothers used to make "a sage tea" and apply it to their hair. The tea made their hair soft and glossy, and gradually restored the natural color. One objection to using such a preparation was the trouble of making it, especially as it had to be made every two or three days, on account of souring quickly. This objection has been overcome and by asking almost any first-class druggist for Wyeth's Sage and Sulphur Hair Remedy the public can get a superior preparation of sage with the admixture of sulphur, another valuable remedy for hair and scalp troubles. Daily use of this preparation will not only quickly restore the color of the hair, but will also stop the hair from falling out and make it grow. Get a bottle from your druggist today. Use it and see for yourself how quickly dandruff goes and gray hairs vanish. This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by special agent, Pendleton Drug Co.

The capture followed an unrelenting pursuit on the part of Sheriff Stevens and his deputies which began a few minutes after the highwayman fired the fatal shots at the automobile in which Hastings and Stewart were riding.

Sheriff Stevens states there were found on Roberts a repeating shotgun, a cartridge belt containing 21 shells loaded with No. 1 buckshot, a Bowie knife, revolver and a gunny sack. Hastings and Stewart were killed with No. 1 buckshot by a man who was declared to have concealed the upper part of his body with a gunny sack. Stevens also asserts that the cord found on Roberts' pack is similar to that found on a discarded mask found at the scene of the attempted hold-up.

Roberts when arrested was cleaning his shotgun. His revolver was inside the cabin, and thus caught practically unarmed, the sheriff says he made no attempt at resistance.

HIS ECZEMA GONE AND BOILS CURED

Eczeema Began When Three Weeks Old. Arms, Shoulders and Breast a Solid Scab. Boils Broke Out During Teething. Usod Cuticura Soap and Ointment, and He Was the Picture of Health.

"My son was about three weeks old when I noticed a break-out on his cheeks, from which a watery substance oozed. A short time after, his arms, shoulders and breast broke out also, and in a few days became a solid scab. I became alarmed, and called our family physician who at once pronounced the disease eczeema. The little fellow was under his treatment for about three months. By the end of that time, he seemed no better. I became discouraged. I dropped the doctor's treatment, and commenced the use of Cuticura Soap and Ointment, and in a few days noticed a marked change. The eruption on his cheeks was almost healed, and his shoulders, arms and breast were decidedly better. When he was about seven months old, all trace of the eczeema was gone.
"During his teething period, his head and face were broken out in boils which I cured with Cuticura Soap and Ointment. Surely he must have been a great sufferer. During the time of teething and from the time I dropped the doctor's treatment, I used the Cuticura Soap and Ointment, nothing else, and when two years old he was the picture of health. His complexion was soft and beautiful, and his head a mass of silky curls. I had been afraid that he would never be well, and I feel that I owe a great deal to the Cuticura Remedies." (Signed) Mrs. Mary W. Ramsey, 224 E. Jackson St., Colorado Springs, Colo., Sept. 24, 1910.
Although Cuticura Soap and Cuticura Ointment are sold by druggists and dealers everywhere, a liberal sample of each, with 32-page booklet on the skin and hair, will be sent, post-free, on application to Fetter Drug & Chem. Corp., Dept. 5B, Boston.

One of the most startling changes ever seen in any man, according to W. B. Holzclaw, Clarendon, Tex., was effected years ago in his brother. Now he is sound and well and weighs 218 pounds. For many years our family has used this wonderful remedy for coughs and colds with excellent results." It's a quick, safe, reliable and guaranteed. Save Your Carpets Keep a Dustless Home

It is hard on your carpets to sweep them with a stiff broom or a carpet sweeper. They tear and injure the nap of the carpet more by one sweeping than walking over it a month would.
Beating a carpet on a line is ruinous too. It breaks the warp, takes the natural stiffness out and causes it to wear out much quicker than it should.
If you run over your carpets and rugs every day or two with a DOMESTIC VACUUM CLEANER (runs like a carpet sweeper) you will keep them as clean as your table linen every day and you will never have to take them up off the floor. Not only this, but you will add many months and years to their life. Think of the saving in money, time and hard work it will mean to you.
The DOMESTIC rolls over the floor and sucks up the dirt without the slightest wear to the carpet—no brushes—no bristles—just a strong blast of air rushing through your carpet up into the cleaner carrying all the dust, dirt, moths and microbes with it and not one particle of the dust escapes from the cleaner to settle again in the room as it does with the old fashioned methods.
It keeps the nap raised, making the carpet soft to walk upon and the original colors are kept bright and fresh as new.
Thousands of housewives who are now using DOMESTICS are enthusiastic in their praise of them and would not part with them at any cost. Call and see them. There is nothing to get out of order—nothing to wear out.
