Is a very important one every way you look at it. It always pays to buy good shoes. When you purchase a pair of shoes you want to know that you are getting COMFORT, FIT, STYLE and QUALITY while you are doing it. You want 3 pairs always on hand. A PAIR FOR DRESS, a pair for work or walking and a pair for the house; it means comfort to the foot, and longer usefulness to both.

WE HANDLE THE LINES THAT DO THE WORK. And we are going to give you great Bargains in this line. Don't fail to look them over.
