BOY IS DARINGLY RESCUED

Evans, Colo.—Arthur Maxwell, 5 years old, was rescued from what would have meant certain death when Conductor Alfred Jenkins leaped from the rear platform while his train was moving at a rate of twenty miles an hour just as a runaway team dashed past hitched to a farm wagon and seized the baby, who was asleep on the wagon seat.

Mr. and Mrs. Maxwell, with their son had driven the team up to a crossing, where they stopped to allow the freight train to pass.

A piece of paper was blown in front of the team and the horses bolted. They dashed down along the side of the tracks, passing close to the train.

Mr. and Mrs. Maxwell were thrown from the seat of the wagon, while the horses lunged.

Immediately after Conductor Jenkins had rescued the baby the wagon overturned.

The lecture also shows how and what to plant for various locations upon the lot, how to make the house appear to the best advantage, how to arrange the shrubs so as to make the lot look as large as possible and the necessity for green grass as the central portion of a little lawn. Pixler Jury is Out.

Shortly after the convening of court this afternoon, the attorneys appearing for and against Burt Pixler, charged with the larceny of a horse, concluded their arguments and the fate of the prisoner was assigned to the hands of the jury. Up till press time a verdict had not been reached. The state tried to prove that Pixler last December stole a horse from Grover Minthorn, an Indian, and kept it in a pasture until February when he sold it to a man in Walla Walla. The defendant admits selling the animal and of going under an assumed name in Walla Walla, explaining as his reason that he is a paroled convict and took the name to conceal the fact that he was violating the terms of his parole by leaving the state.

'ISLE OF MYSTERY' ABLY PRESENTED

A good sized audience witnessed and enjoyed the first performance of "The Isle of Mystery," a musical comedy given last night by home talent under the auspices of the Loyal Order of Moose. The piece itself was full of sparkling comedy and catchy music which together with beautiful electrical effects and pretty scenic settings made it an unusually good vehicle for amateur histrionic ability.

Miss Louise Wise was clearly the star of the evening with her "Swing Song" and other numbers and she was encored time and again. Perhaps the greatest hit of the entertainment was the song "We've Always Kept the Golden Rule," sung by Charles W. Meighan and the choruses of which were illustrated by playmates "from the cradle to the grave." Other numbers of especial merit were the songs of Walter Rose and Mrs. Rose, A. R. Lord, John Carroll, R. J. Brush, Laura Swift and Enos Eandberg. The chorus, too, was well trained and deserves its share of credit for the success of the affair.

It was an ambitious undertaking for home talent and the success with which it was attended speaks well for those who directed the rehearsals. It will be repeated tonight and another big audience is expected.
