

SICK DAUGHTER NOW WELL

Mrs. C. Cole Tells How Her Daughter Was Restored to Health by Lydia E. Pinkham's Compound.

Fitchville, Ohio.—"I take great pleasure in writing to thank you for what your medicine has done for my daughter.

"Before taking your medicine she was all run down, suffered from pains in her side, could not walk but a short distance at a time, and had severe pains in head and limbs. She came very near having nervous prostration. She had begun to cough a good deal and seemed melancholy by spells. She tried two doctors but got little help.

"I cannot find words to express my gratitude for what Lydia E. Pinkham's Vegetable Compound has done for my daughter. She feels and looks like another girl since taking it, and I shall always feel that I owe you a great debt.

"You can use this letter for the benefit of others if you wish, as I shall always recommend your medicines for female troubles."—Mrs. C. COLE, Fitchville, Ohio.

Hundreds of such letters from mothers expressing their gratitude for what Lydia E. Pinkham's Vegetable Compound has accomplished have been received by the Lydia E. Pinkham Medicine Company, Lynn, Mass.

Young Girls, Heed This Advice.
Girls who are troubled with painful or irregular periods, headache, dragging-down sensations, fainting spells or indigestion, should immediately seek restoration to health by taking Lydia E. Pinkham's Vegetable Compound.

FACE DISFIGURED WITH ECZEMA

Covered with Eruption to Back of Ears So They Hardly Knew What He Looked Like. Used Cuticura Soap and Ointment. In 4 Weeks Face Fine and Clean.

"Our little boy Gilbert was troubled with eczema when but a few weeks old. His little face was covered with sores even to back of his ears. The poor little fellow suffered very much. The sores began to pimply, his little face was disfigured very much. We hardly knew what he looked like. The face looked like raw meat. We tied little bags of cloth over his hands to prevent him from scratching. He was very restless at night, his little face itched."

"We consulted two doctors at Chicago, where we resided at that time. After trying all the medicine of the two doctors without any result, we read of the Cuticura Remedies, and at once bought the Cuticura Soap and Ointment. Following the directions carefully and promptly we saw the result, and after four weeks, the dear child's face was as fine and clear as any little baby's face. Every one who saw Gilbert after using the Cuticura Remedies was surprised. He has a head of hair which is a pride for any boy of his age, three years. We can only recommend the Cuticura Remedies to every body." (Signed) Mrs. H. Albrecht, Box 883, West Point, Neb., Oct. 26, 1910.

Although Cuticura Soap and Ointment are sold throughout the world, a liberal sample of each, with 32-p. book on the skin will be sent free, on application to Potter Drug & Chem. Corp., Dept. 14B, Boston.

Pretty Mothers

Health is the foundation of all good looks. The wise woman realizes this and takes precautions to preserve her health and strength through the period of child bearing. She remains a pretty mother by avoiding as far as possible the suffering and dangers of such occasions. This every woman may do through the use of Mother's Friend, a remedy that has been so long in use, and accomplished so much good, that it is in no sense an experiment, but a preparation which always produces the best results. It is for external application and so penetrating in its nature as to thoroughly lubricate every muscle, nerve and tendon involved during the period before baby comes. It aids nature by expanding the skin and tissues, relieves tenderness and soreness, and perfectly prepares the system for natural and safe motherhood. Mother's Friend has been used and endorsed by thousands of mothers, and its use will prove a comfort and benefit to any woman in need of such a remedy. Mother's Friend is sold at drug stores. Write for free book for expectant mothers, which contains much valuable information.
