TEAL SAYS WILSON WILL WIN OREGON

PENNSYLVANIA VICTORY
DEATHBLOW TO OPPOSITION
Democratic Leader of Oregon Tells Washington People That Clark's Aid From Allies Will Not Be Approved Friday.

Washington, April 17.—"All the talk I have heard in Washington this week is that Governor Wilson's nomination is assured by the landslide to his standard in Pennsylvania," said Mr. Jos. N. Teal of Portland, Ore., an old time democratic leader from his state. Mr. Teal, who is in Washington for a few days, said that on every hand he had heard the opinion expressed that opposition to the New Jersey executive had received its death blow.

"The fight for the delegates to the Baltimore convention from Oregon is one sided with the odds all on Governor Wilson," said Mr. Teal. "Clark is the candidate whom the 'allies' have pitted against Governor Wilson in Oregon and his supporters are fighting hard."

Mr. Teal, who has been in close touch with party affairs in his state for many years, said that the vast majority of his fellow citizens are convinced that Governor Wilson is the man, who more than any of his opponents is in full and sincere sympathy with progressive ideas and is the candidate for who the state will instruct its delegates. Mr. Teal predicted that Governor Wilson's friends in Oregon and in every other state would be immensely encouraged by the great victory in Pennsylvania.

Some one asked the Oregonian, if speaker Clark ran in Pennsylvania. With a sigh of good humor Mr. Teal replied: "He did not run. He also ran."
"Governor Wilson is beyond doubt the choice of the vast majority of the democrats in Oregon," continued Mr. Teal, "which fact will be reflected in the vote next Friday. It is the belief of the great body of democrats of Oregon that only a man in full and sincere sympathy with progressive ideas can or ought to win. Such a man they believe Governor Wilson to be."

Roland Oliver is the progressive republican candidate for the legislature. He subscribed to Statement No. One.

OLD-TIME REMEDY DARKENS THE HAIR

From time immemorial, sage and sulphur have been used for the hair scale. Almost everyone knows of the value of such a combination for darkening the hair, for curing dandruff and falling hair and for making the hair grow.

In olden times the only way to get a hair tonic of this sort was to brew it in the home fireplace, a method which was troublesome and not always satisfactory. Nowadays almost every up to date druggist can supply his patrons with a ready-to-use product, skillfully compounded in perfectly equipped laboratories. The Wyeth Chemical company of New York put up an ideal remedy of this sort, called Wyeth's Sage and Sulphur Hair Remedy, and authorize druggists to sell it under guarantee that the money will be refunded if it fails to do exactly as represented.

If you have dandruff, or if your hair is turning gray or coming out, don't delay, but get a bottle of this remedy today and see what a few days' treatment will do for you.

This preparation is offered to the public at fifty cents a bottle, and is recommended and sold by special agent, Pendleton Drug Co.

Almost a Miracle.
One of the most startling changes ever seen in any man, according to W. B. Holsclaw, Clarendon, Tex., was effected years ago in his brother. "He had such a dreadful cough," he writes, "that all our family thought he was going into consumption, but
