G. M. RICE NAMED ON INSURANCE BOARD

COMMISSION WILL SUGGEST REVISION OF INSURANCE CODE

Governor West Names Fifteen For Important Work—Seven Being In- surance Men and Seven Laymen—In- surance Commissioner Heads Body.

G. M. Rice, cashier of the First National Bank of Pendleton, has been honored by Governor West through appointment on a commission of 15 that is to suggest a revision of the insurance laws of the state and embody their views in a report to the legislature next winter.

Thus far Mr. Rice has not been officially informed of his appointment but he is expecting a call for a meeting of the committee within a short time. The commission will deal with a subject in which the local member is interested, but Mr. Rice says he is even more interested in the subject of a "blue sky" law than in the revision of the insurance code.

The following story from Salem tells of the appointment of the insurance commission.

Salem, Or., April 17.—Following the recommendation of the state insurance commissioner, which was embodied in the governor's message to the last legislature, Governor West today appointed a commission of 15 members to revise the state insurance laws and submit a report in the form of recommendations to the next legislature. The present laws are said to be inadequate for the proper protection of the public. This commission includes seven practical insurance men, representing various kinds of insurance, and seven laymen. The fifteenth member is State Insurance Commissioner J. W. Ferguson.

The other members are Thomas G. Greene, attorney, Portland; W. H. Hollis, attorney, Hillsboro; G. M. Rice, banker, Pendleton; M. A. Moody, warehouseman, The Dalles; R. S. Shaw, sawmill man, Mill City; H. S. Gile, merchant, Salem; William McKay, farmer, Champoeg; Paul H. Stroat, L. Sauels, Harvey Wells, C. A. McCarger, W. J. Clemens, all insurance men of Portland, and W. C. Hagerty, insurance, McMinnville.

If you cough all night you get no rest, nor does anyone else in the house. Keep within reach a bottle of BALLARD'S HOREHOUND SYRUP. It is then easy to stop the tickling which causes the cough, when ever it appears. Price 25c, 50c and \$1.00 per bottle. Sold by A. C. Koepfen & Bros.

Bridge Contract Let.

The Portland Bridge and Iron company will put up the seven new bridges in Umatilla county the contract following the opening of the seven bids received. The contract price is \$1184.00. The remaining three bridges ordered, all being small ones, will be constructed by the county without the formality of advertising for bids.

corted over the state by Mayor Baker of Cleveland and other Wilson supporters said at Akron, Ohio:

"Governor Wilson is a progressive, Governor Harmon is not. Harmon's candidacy today is the outgrowth of the suggestions and interests of men who are great criminals and who are seeking control of the presidency in order to control the courts.

can't find a man prominently who have exploited this country for a generation who is not in favor of the nomination of Governor Harmon."

Success for the Wilson delegation in every congressional district in Ohio except those in Hamilton county was promised with every show of confidence at a meeting of the district members of the progressive democratic league of Ohio which at the same time adopted resolutions branding Governor Harmon as "The candidate for Wall street" and pledging the support of the league to Governor Wilson.

**MRS SARAH BRONSON
HAS PASSED AWAY**

In the death of Mrs. Sarah Bronson at her home in this city yesterday afternoon at 5:15, another of the early pioneers of Pendleton passed to the great beyond. Death came as the result of Bright's disease from which she had been a sufferer for some time past. The funeral will be held tomorrow afternoon at 2 o'clock at the family residence—715 West Railroad street, with Rev. Holmes of the First Christian church officiating and the Ladies of the Macabees of which deceased was a member in charge of the services.

Sarah Heathman was born in Indiana, Sept. 24, 1860 and was married to Charles Bronson in Kansas in 1871. With him she crossed the plains in 1882, coming directly to Pendleton where she has lived ever since. She is survived by her husband, two sons, Charles and Ernest, two daughters, Mrs. Effie M. Lynde and Miss Francis Bronson, a father, Erastus Heathman, two brothers and two sisters, one of the brothers living in Toppensish, Wash.

**KIPLING'S LAST POEM
SAID TO BE SEDITIOUS**

J. Martin, M. P., Says He Will Ask
Attorney-General What He Is Going to Do.

London.—J. Martin, M. P., gave notice that he will ask the attorney general if he intends to prosecute Rudyard Kipling for the offense of sedition growing out of his verses entitled "Ulster" and whether he intends to prosecute the publishers of the verses and the printers who set up the type.

The poem was a bitter denunciation of home rule upholding Ulster's opposition to the measure. The reward for Ulster's faith was pictured as:

To murder done by night,
To treason taught by day,
To folly, sloth and spite,
And we are thrust away.

Martin declared Kipling was clearly guilty of sedition as were those who had any part in giving publicity to the verses.

REPUBLICANS SHOULD GIVE COCHRAN VOTES

Republicans should remember that democratic papers are fighting George T. Cochran, progressive republican candidate for congress, because he is the strongest candidate. They advise republicans to put up the weakest man for obvious reasons. Mr. Cochran was charged with acting as railroad attorney and riding on a pass. Two years ago when he accepted the office of water superintendent he resigned and voluntarily sent his pass back to headquarters. Since that time he has more than made good. Get aboard the popular wave. George Cochran is a winner. Vote 35 X Cochran.

SEWER RECOMMENDED FOR NORTH SIDE

At last that portion of the city lying between Jackson street and the river is to have sewer accommodations if the council follows the lead which it took last night. At the last meet-

ing Dr. C. J. Smith, acting for the school district, called attention to the fact that an annex is to be built to the Lincoln school and suggested that that school should be given facilities for the removal of its sewerage. The matter was referred to the sewer committee, which last night made the following report, which was adopted unanimously:

Pendleton, Ore., April 17, 1912.

Hon. Mayor and Common Council, City of Pendleton.

Gentlemen:—We, your committee to whom was referred the communication from the school board of District No. 16, regarding sewer extension on the north side of the river, and south of Jackson street in the city of Pendleton, recommend that the city engineer be instructed to draw up plans and specifications for sewer extension, to include the entire district south of Jackson street and east to the old Pendleton academy buildings on Bush street.

As the Lincoln school building has no sanitary sewer connections and a large sum of money is about to be spent in remodeling the building, we deem it expedient and due not only to school District No. 16, but to the entire section of the city concerned that proper sewer mains be laid and connected with the main line sewer on West Court street.

The estimated cost of the proposed sewer extension is about \$5000, and in accordance with the charter amendment proposed by initiative petition and voted on at the special election held May 9, 1911, the City of

Pendleton has power to issue and dispose of negotiable interest bearing bonds not to exceed \$20,000 for sewer extension, and as no bonds were issued for sewer extension during 1911 we still have this power.

However, we deem it unwise to incur further bonded indebtedness, notwithstanding the power delegated to the council, and would recommend that the cost of the proposed sewer extension be paid out of the general fund, or if it be found that the general fund cash is running low, issue an amount of bonds actually necessary to construct the proposed extension.

J. L. SHARON,
R. F. KIRKPATRICK,
Sewer Committee.

**Anna Held's Husband Says He Will
Fight Actress' Suit for Divorce.**

New York.—"Miss Anna Held says I am a good manager, but a poor husband," said Flo Ziegfeld, Jr. He admitted that he had been served with a complaint in a suit for divorce by his wife, the well known actress.

"This means, of course, that I am to continue as her theatrical manager and perhaps, cease to continue as her husband," he added.

"She has made \$1,000,000 by her art and has taken care of it.

"I am going to fight the divorce suit."
