LIVESTOCK TRADE FIRM AT PORTLAND

(From Thursday's Journal.) The trend of the entire livestock trade at North Portland is very firm at this time, and prices are therefore unusually favorable in all branches.

The showing in the mutton trade is better than had been expected. Buyers had believed that there would be a better run of sheep to market than has actually been shown. When their ideas were proven out of line they did not fail to see the point, and for that reason the trade has not lagged for a single moment recently.

Sales of wool lambs were made at \$6.50 into the yards this morning for the few head that put in appearance and the limited offerings were quickly cleaned up.

All told sheep offerings for the day were only 100 head compared with 323 last Wednesday and 1906 for the same day a year ago. At that time the movement has started for the spring months.

Nominal sheep prices: Spring lambs \$7.00@7.35 Best grain fed lambs 6.25@6.50 Ordinary fed lambs 5.75@6.00 Two year and over 5.00@5.50 Ewes 3.00@4.75 Sheared stock about \$1 less.

Cattle Remain at \$7. More steers sold at the top notch today than for some time. While this was due principally to the fact that there was a better class of offerings than formerly, the market is showing unusual strength. Some extra fine loads came forward from Montana this morning and they found an eager demand at extreme values.

The market for the stuff is unusually firm and sales were made this morning in the North Portland yards within a half cent of the price of top steers. This is due to the fact that cow supplies have been very short recently in the local yards.

Cattle run for the day was 469 head compared with 958 last Thursday and 183 head for this same day a year ago.

North Portland cattle prices: Heavy fancy steers \$6.90@7.00 Fancy steers 6.75@6.80 Choice steers 6.60@6.65 Common steers 5.10 Feeder steers 4.75 Speyed heifers 6.25 Fancy heifers 5.75 Fancy cows 6.00

DON'T SCOLD AN IRRITABLE CHILD

If Tongue is Coated, Stomach Sour, Breath Fervish, Give "Syrup of Figs" to Clean the Bowels.

Your child isn't naturally cross, irritable and peevish. Mother! Examine the tongue; if coated, it means the little one's stomach is disordered, liver inactive and its thirty feet of bowels clogged with foul, decaying waste.

Every mother realizes after giving delicious "Syrup of Figs" that this is the ideal laxative and physic for children. Nothing else regulates the little one's tender stomach, liver and bowels so effectively, besides they dearly love its delightful fig taste.

For constipated bowels, sluggish liver, biliousness, or sour, disordered stomach, feverishness, diarrhoea, sore throat, bad breath or to break a cold, give one-half to a teaspoonful of "Syrup of Figs" and in a few hours all the clogged up waste, sour bile, undigested food and constipated matter will gently move on and out of the system without griping or nausea and you will surely have a well, happy and smiling child again shortly.

With Syrup of Figs you are not dragging your children, being composed entirely of luscious figs, senna and aromatics it cannot be harmful. Full directions for children of all ages and for grown-ups plainly printed on the package.

Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna," prepared by the California Fig Syrup Co. This is the delicious tasting, genuine old reliable. Refuse anything else offered.

Hog Trade Holds Firm. Basis of hogs was held again at the \$8.50 mark at North Portland this morning. There were quite fair offerings, total run for the day being 377 head, compared with 215 head last Thursday and 259 head a year ago today.

Very little of the swine that came forward to North Portland this morning was of top quality, this accounting for the few transactions at extreme prices this morning.

COMTE DU NOUYS SENDS FRIENDS MEAL TICKET

They Are Good for Breakfast or Dinner at His House, and Work Successfully.

Paris.—Society here, ever on the lookout for a novelty in dinner parties or entertainments, received a delightful little surprise the other day in a card engraved:

GOOD FOR A MEAL. Breakfast Line or Dinner Line. At Comte du Nouys.

Accompanying it was a letter of instruction which declared that the card, being rigorously personal, would be worthless if sold or given away, on account of the number of guests invited, and requesting a reply without any exaggerated form of politeness.

It was explained by the Comte du Nouys that the distribution of such cards to the senders are always sure of having at their table voluntary guests, who come because they feel inclined and are sure of good company and a good dinner.

A lengthy purse, well filled, is required, as well as a very sociable disposition, to thus keep an open house, but the invitations are greatly appreciated and the host's house is always the center of wit and fashion, which would not be the case if conventional invitations were issued.

Gave Wife \$7 in 12 Years.

Allentown, Pa.—Judge Trexler granted an absolute divorce to Ursula Bemper Stettler from the Rev. Eugene S. Stettler, a Lutheran clergyman who comes originally from Mahanoy City and who is a graduate of Muhlenberg College.

The couple were married in 1897 and the wife testified that all he gave her in the 12 years of their married life to support herself and two children was seven dollars.

The court ridiculed Stettler's defense that whenever his wife asked for support his reply invariably was "the Lord will provide."

Almost a Miracle.

One of the most startling changes ever seen in any man, according to W. B. Holsclaw, Clarendon, Tex., was effected years ago in his brother. "He had such a dreadful cough," he writes, "that all our family thought he was going into consumption, but he began to use Dr. King's New Discovery, and was completely cured by ten bottles. Now he is sound and well and weighs 218 pounds. For many years our family has used this wonderful remedy for coughs and colds with excellent results." It's a quick, safe, reliable and guaranteed. Price 50 cents and \$1.00. Trial bottle free at Koepkens.

GUNNER FOUND IN STUPOR.

Exhausted Duck Hunter Lay on Meadows All Night.

Atlantic City.—After being marooned on the meadows two miles from Ventor all night, Elmer Parks, eighteen, was discovered in a stupor by two fishermen and hurried to his home in Chelsea Heights. He is in a serious condition.

He started out to gun for ducks in Lakes Bay. When he neared Shooting Point, Parks anchored his launch and started to set out decoys, using a small power sneak-box. He was in deep water when his engine went bad. In his attempt to start it the

\$3,500,000 NEEDED FOR BARRACKS IN CANAL ZONE

War Department Asks Congress for Appropriation to Quarter Troops in Panama.

Washington.—Out of all the buildings the French company had on the Isthmus of Panama to shelter the vast number of officers, clerks, mechanics and laborers who originally began the work of digging the Panama canal, the United States army has found suitable quarters for only one regiment of infantry.

As this is only a fraction of the military force which is to constitute the permanent garrison after the canal is open for business, the war department is strongly urging congress to make an immediate appropriation of \$3,500,000 for the erection of permanent barracks and officers' quarters. There must be buildings enough to house three regiments of infantry, one squadron of cavalry, one battalion of mountain artillery and twelve companies of coast artillery.

It was at first thought that some of the quarters now occupied by the canal workers could be made available for the use of the troops after

NORTHERN FISHERIES MADE RECORD IN 1911

Report Shows That \$13,206,500 of Marketable Products Were Handled in Washington.

Seattle, Wash.—Washington fisheries produced \$13,206,500 of marketable product in 1911, according to the report of the state fish commissioner, John L. Itseland. The salmon industry made a marked advance, 10,000 more cases having been packed than in any previous year.

The report showed that the Puget Sound district, with a capital of \$4,250,000, employed 19,000 men, earning a total of \$3,345,000, and packed 1,561,500 cases of salmon valued at \$7,304,500. Crabs and clams packed on the sound were valued at \$20,000; fresh, salted and smoked fish, \$2,713,900; oil, fertilizer and glue, \$328,850. The total production of all kinds of fish in the Puget Sound district was valued at \$10,552,500.

The Columbia river district produced \$1,448,800 worth of food. The salmon output in the Columbia district was greater than at any other time in fifteen years and was double the two preceding years.

Willapa Harbor produced \$509,000 worth of fish and Grays Harbor \$696,250.
