OREGON PRIMARIES WON BY ROOSEVELT-WILSON, SELLING

SINNOTT, LAFFERTY REPUBLICAN CONGRESSIONAL CHOICE---HINKLE-MANN, REPRESENTATIVES---STIEWER, DISTRICT ATTORNEY---YOUNG, SUPT.

TAFT AND HARMON ARE SHOWN BADLY BEATEN IN VOTE COUNT

La Follette Polling Good Vote and Clark Runs Second in Democratic Race.

SINNOT-ELLIS CONGRESSIONAL RACE IS CLOSE

Secretary of State Olcott is Conceded Victory By His Opponent---Dr. Harry Lane is Chosen as Democratic Senatorial Nominee Apparently.

Portland, Ore., April 20.—(Special)—Indications at 2 o'clock this afternoon were that Colonel Roosevelt had carried the state of Oregon and won the republican presidential nomination. At that hour, incomplete returns from 23 counties gave:

Roosevelt, 16,555; La Follette 15,699; Taft 12,441. This included the Multnomah county vote.

Roosevelt's plurality is estimated by his supporters at from 4,000 to 6,000 but La Follette supporters assert the colonel will win by only a scant plurality.

Woodrow Wilson is the choice of the democrats of Oregon for president. The vote in Multnomah county this afternoon stood:

Wilson 1,639; Harmon 81; Clark 728.

Clark ran stronger in the upstate districts but it appears certain that Wilson has carried the state.

Selling apparently won the fight for the republican senatorial nomination. In Multnomah county, Bourne led the vote. This afternoon the standing was: Bourne 5,562; Selling, 4,437. Outside of the county Selling piled up a big majority and it looked as if he carried the state by 2,000.

Dr. Harry Lane received the democratic senatorial nomination. At 2 o'clock this afternoon the vote outside of Multnomah county stood: Lane, 1,574; Pierce, 1,501; Coshow, 1,105.

From 134 precincts out of 197 the vote this afternoon was Lane 1787, Pierce 401, Coshow 166.

Ben Olcott polled in Multnomah county a majority of 671 votes over Frank S. Fields, for secretary of state. The vote stood: Olcott, 8,131; Fields, 7,460. Fields concedes his defeat although returns from the outside districts are not complete.

A. W. Lafferty is leading in the race for congressman from the first district. The vote this afternoon stood: Lafferty 5,943; Gantenbein 5,201.

Reports indicate the race is close between Ellis and Sinnott for the congressional nomination. Both claim victory.

Returns Incomplete.
Portland, Ore., April 20.—Roosevelt appears to have carried the state by 5000 or 6000 majority.

The vote in Multnomah county, incomplete, is:
La Follette, 6302; Roosevelt, 5536; Taft, 3888.

Roosevelt is leading in the outside districts from which no definite figures have yet been received.

Ben Selling has apparently defeated United States Senator Bourne but not by so large a plurality as was at first thought. Senator Bourne carried Multnomah, 7319 to 6119, but Selling was stronger outside of Portland. Bourne men assert that when the returns are in from the "back country" counties, he will have a slight plurality.

Woodrow Wilson appears winner for the democratic presidential nomination. The vote was 510 for Wilson to 282 for Champ Clark in Multnomah county. Harmon is a poor third.

Congressman Lafferty appears to have won for congress from this district. The vote is Lafferty 4372; Gantenbein 3639.

N. J. Sinnott appears to have won the congressional republican nomination over Ellis in the second Oregon district.

TITANIC OWNER'S ATTEMPT TO SLIP OUT OF COUNTRY IS BLOCKED BY SUBPOENAE

Carpathia Wireless Operator Declares Details of Wreck Were Sent From Ship Day Following Marine Disaster.

New York, April 20.—Senator Smith of Michigan, chairman of the senate investigating committee, probing the Titanic disaster curiously refused the request of J. Bruce Ismay, manager-director of the White Star line, to be allowed to sail this afternoon, for England.

To make sure that Ismay would not leave the country, Senator Smith had him served with another subpoena.

Subpoenae were also served on twenty-two members of the Titanic crew, including four officers. They must remain in the United States till the probe is finished. Other members were permitted to leave this afternoon on the steamer Lapland.

That Ismay had definite information that Ismay had intended sailing for Europe the day after the Carpathia docked, was admitted here by Senator Smith.

"We had information," said Smith, "that the White Star had planned to rush Ismay and other surviving members of the Titanic crew out of this country."

"This was effectually blocked by serving subpoenae on the men wanted."

Thomas Cottam, wireless operator on the Carpathia said: "I sent several messages to the steamer Baltic, but kept no record. I was too busy sending. Monday I sent the whole story and all details to the Baltic, which was coming toward the wreck at the time."

The committee today investigated the delay in getting the news of the

REGULATION OF SHIPS BY NATIONALS URGED

Washington, D. C., April 20.—Regulation of transatlantic liners to prevent a repetition of the Titanic disaster is aimed at in a resolution introduced into the senate today by Senator Mariboo, of New Jersey, and the senate foreign committee reported favorably on the measure.

The resolution provides that the president shall negotiate with other maritime powers an agreement regulating sea lanes used by big liners and also the establishment of uniform equipment aboard vessels and systematic inspection.

CIVIC-RELIGIOUS LEAGUE FOLLOWS UPON ACTIVITY OF FORWARD MOVEMENT BY MEN

In order to carry forward the work of the Men and Religion Forward Movement, which was inaugurated by the special team from Walla Walla some time ago, a permanent organization has been perfected in Pendleton, known as the "Civic and Religious League of Pendleton." This league is composed of five committees known as Boys' Work, Social Service, Bible Study, Evangelism and Missions. There are five members on each committee, one from each protestant church in the city and these members with Mr. Dean Tatom, are the charter members of the league. These members were appointed to these committees by their respective pastors. The league meets every second

UMATILLA COUNTY GIVES T. R. A BIG VOTE OVER PRESIDENT

Woodrow Wilson Strongly Endorsed Over Speaker Champ Clark By Democrats.

JUDGE LOWELL GIVEN A VOTE OF TWO TO ONE

Steiwer Nominated Over Neal Overwhelmingly and Landslide for Young Sweeps County Superintendent Welles Under.

Returns sufficiently complete from Umatilla county as to show decisively the nature of the results give Theodore Roosevelt a big lead over Taft for the endorsement for the presidential nomination with La Follette a strong third.

Woodrow Wilson is strongly endorsed for president by the democrats of Umatilla county by a two to one vote over Champ Clark, while Harmon was given a negligible vote. Walter Pierce leads all democratic competitors for the senatorial nomination.

For the senatorial nomination Judge Stephen A. Lowell sweeps Umatilla county with more than a two to one vote over Ben Selling and with more votes to his credit than all opposing candidates combined.

In the republican congressional race Judge W. R. Ellis is given a substantial endorsement in his home county, but he does not get a majority. Rusk is a fairly close second to Ellis with Cochran and Sinnott trailing along for third and fourth places, C. E. Roosevelt bringing up the rear.

For secretary of state Frank Fields has a slight lead over Ben Olcott, in the race for railroad commissioner. Commissioner Alteson easily carries the county, while Mickle is endorsed for food and dairy commissioner.

The Local Fights.
In the local races Frederick Steiwer has defeated J. P. Neal for the district attorneyship by a two to one vote. I. E. Young has done the same with F. K. Welles, for the school superintendent. Frank Salling is easily renominated for clerk. Messrs. Hinkle and Mann have the republican legislative nominations by substantial majorities while in the race for commissioner the result is close with Horace Walker sufficiently far in the lead to assure his nomination.

The returns as given below cover the election in all the principal districts of the county and it is very improbable that the final returns will alter the results to any great extent unless with the possible exception of the commissioner's race.

Summary of County Vote.
The following is a summary of the complete returns from 26 of the 44 precincts of Umatilla county, in the republican primary and for 20 precincts in the democratic contest.

President—La Follette 434, Roosevelt 852, Taft 615.

PENDLETON VS. PILOT ROCK TOMORROW

Tomorrow afternoon Pendleton fans will assemble at Round-up park to watch a team picked from the bunch of material which Manager Garrett has gathered here demonstrate the goods that is within them against the pirates of Pilot Rock whose fielding force will be supplemented by a battery from the local staff. To make the contest more equal, Garrett will loan his best twirler to the visitors and the Buckaroo stickers will thus have a dose of the medicine which they will administer to other teams of the Tri-state league after the opening of the season.

Garrett has been putting his men through their paces at a stiff clip for the past few days despite the inclemency of the weather and promises the fans that they will not see an article of ball devoid of class. Also he will have his players dolled out in their new uniforms which display the famous Round-up slogan "Let 'er Buck" across the front. If the weather god will just allow the sun to shine tomorrow, it is safe to predict a big attendance at this first game.

LOWELL THANKS LOCAL SUPPORTERS

Saturday, April 20, 1912.

To the Republicans of Umatilla Co.:
The primary campaign is ended, and I desire to thank my friends and supporters for the magnificent vote accorded me in this, my home county. Whatever the result may prove to be, I have no complaint, and whether in the end I win or lose, the triumph here over forceful and unrelenting opposition is honor enough for the present. I trust that the nominees of yesterday may be victorious in November.

If I am defeated this time I shall become a candidate two years hence, and have confidence that then I may demonstrate both that eastern Oregon is a part of the commonwealth and that it is yet possible for a man of moderate means to be victorious in a republican senatorial primary. I am not ready to believe that the party of Lincoln is irrevocably wedded to wealth.

Respectfully,
STEPHEN A. LOWELL.
