The exceptional feast was the climax of an eating contest which was held at a local variety store.

You simply can't have your liver inactive and your thirty feet of bowels constipated with sour, decaying waste matter and feel well. Ask your druggist for the full name, "Syrup of Figs and Elixir of Senna." Refuse, with scorn, any of the so-called Fig Syrup imitations. They are meant to deceive you. Look on the label. The genuine old reliable, bears the name, California Fig Syrup Company.

Pounds were soon collected to cover his bet and he started his feast by eating a pound of crackers, two boxes of sardines, followed by half a dozen oranges, two dozen bananas, a pound of cakes and a pound of candy.

Bowle finished his meal, as he said, "with a good appetite."

As the Lion is Monarch of the Forest, so S. S. S. is King of Blood Purifiers and Master over all Blood diseases. Pure, rich blood and a free circulation is the surest prevention against the diseases and disorders which are constantly attacking our physical systems.

Healthy blood stimulates the excretory members and enables them to filter out of the system everything that is not necessary or beneficial to the growth and development of the body. Thus we are apt to remain healthy unless there is a weakening of the vital fluid or an impure infection of the circulation.

Imperfect blood takes various forms in its outward manifestation. A weak, watery circulation denotes anaemia with its attendant evils of pale, waxy complexions, malarial conditions, or perhaps some more definitely marked disorder is shown. Frequently the blood becomes infected with acid humors, and Eczema, Tetter, Acne, or some other skin affection makes its appearance, while an excess of uric acid in the circulation produces Rheumatism with its pains and aches.

Old Sores and Ulcers are likewise dependent on bad blood, these places being kept open and in a state of irritation by the drainage of pollution which disordered blood constantly discharges into them.

Another common indication of weak, impure blood is the loss of appetite, tired, worn out feeling and a general run-down condition of the system. This is an ailment very prevalent in the Spring and most persons so afflicted realize the necessity of overcoming the trouble by the use of a tonic.

We recommend to all in need of a blood purifier or tonic, the use of S. S. S., a medicine which has proven itself the greatest of all blood purifiers. It goes down into the circulation and removes all impurities, humors and poisons and makes the blood pure and health-sustaining.

It purifies and strengthens weak deteriorated blood, supplies it with the healthful properties it needs and lays the foundation for good health. As a tonic S. S. S. has no equal and those who are beginning to feel the need of such a medicine to fortify themselves against the unpleasant conditions which come with Spring and early Summer, should commence its use at once.

S. S. S., the King of Blood Purifiers, is a genuine blood cleanser, made entirely from roots, herbs and barks; it does not contain a particle of mineral in any form. You could not do better than begin the use of S. S. S. if from any cause your blood is weak or impure.

S. S. S. cures all troubles due to a deranged circulation, and you will find it the most satisfactory tonic you ever used. Write for book on the blood and any medical advice. No charge for either.
