S.S.S. PURELY

The absolute vegetable purity of S. S. S. has always been one of the strongest points in its favor, and is one of the principal reasons why it is ed in the event that the bonds are the most widely known and universally used of all blood medicines. A awarded to the bidder and he refuses great many of the so-called blood purifiers are really nothing more than strong mineral mixtures which act so unpleasantly and disastrously on the delicate membranes and tissues of the stomach and bowels, that even if such treatment purified the blood, the condition in which the digestive system is left would often be more damaging to the health than the original system is left would often be more damaging to the health than the original trouble. Not so with S.S.—it is the greatest of all blood purifiers, and at the same time is an absolutely safe and harmless remedy. It is made entirely of the healing and cleansing extracts and juices of roots, herbs and barks, each of which is in daily use in some form by physicians in their practice. Years of work and research have proven S.S. S. to contain everything necessary to purify the blood and at the same time supply the system with the purest and best tonic effects. S.S. S. cures Rheumatism, Catarrh, Sores and Ulcers, Skin Diseases, Scrofula, Contagious Blood Poison and all other blood troubles, and it leaves the system in perfect condition and all other blood troubles, and it leaves the system in perfect condition when it has purified the blood.
