LA FOLLETTE ENDS TOUR OF NORTHERN CALIFORNIA

Tehama, Cal., May 3.-With peech in Tehama this morning and thers in Willows, Yolo and Woodand this afternoon and evening. Senator La Foliette today completes his tumping tour of northern California. From now on he will confine his campaign to Sacramento, Stockton and Napa and districts taking in the south central coast section of the state. His final address will be in San Francisco the night before the primary election,

ANOTHER EFFORT MADE TO AVERT COAL STRIKE

New York, May 3 .- In an effort to prevent a general strike in the anthracite coal fields, which has become imminent as a result of their refusal to accept the compromise agreement drawn up by a subcommittee, the miners' committee today is expected to ask the operators to modify their compromise proposal. The request probably will be rejected. The miners then will call a convention to de-· cide whether to accept or reject the compromise as it now stands.
