## MAY 11TH WILL BE GOOD ROADS DAY

Salem, Ore., May 4.—Governor Oswald West has set aside Saturday, May 11, as "Good Roads Day for all Oregon."

Copies of a proclamation will be sent with a call for a meeting of every commercial organization will be sent sets of the petitions asking for signatures. The purpose of the plan is to secure a portion of the 60,000 signatures needed to place the bills on the November ballot from each of the counties. This is more for the sake of promoting interest and understanding of the measures than to get the signatures, much as the latter are needed, says President C. T. Prall, of the Oregon Association for Highway Improvement. The letter sent by Secretary Chapman of the development bureau to each of the commercial clubs, reads as follows:

"Subject—Good roads day, Saturday, May 11. Call for meeting for that day and to get the highway petitions signed."

"The good roads movement has reached a crisis. We have called it Oregon's first development essential. Now is the opportunity to make good our world in work. By proclamation Governor Oswald West has set aside

Saturday, May 11, as 'Good Roads Day for All Oregon.' This is in the interest of the initiative bills passed by the statewide commission and revised by the committee appointed to harmonize the highway legislation.

"Every other commercial organization in this state is asked to call a meeting on this day. Advise us at once whether you have called your meeting and send us a copy of your call. When the complete report is given state-wide publicity we hope you will be toward the top of the list in the results gotten."

### "THE JAILER'S COACHMAN."

Prisoner Who Stole \$200,000 Often Seen Driving.

Boston.—George W. Coleman, the dashing young man who looted the National City Bank in Cambridge of \$200,000, only to lose the money to "sure thing" gamblers in New York, has earned the title of the "jailer's coachman."

Coleman is serving a long sentence in Greenfield jail, or is supposed to be. But he is seen down town in Greenfield so frequently that townpeople have given him the new title. "When I go out for a drive," said Deputy Sheriff Richardson, "or when I go downtown on business I take the prisoner with me who seems to be the handiest. If it happens to be Coleman he goes; if it happens to be somebody else, somebody else goes."

Coleman is one of the three or four prisoners who are rated as "farm hands."

## HEAD WAS SCALY HAIR ALL CAME OUT

And Baby's Face Broke Out in Red Bumps. Spread on Hands and Arms. Got Worse All the Time.

Mother Says, "I Don't Think Anything Else Would Have Cured Him Except Cuticura."

"When my first baby was six months old he broke out on his head with little bumps. They would dry up and have a scale. Then it would break out again and it spread all over his head. All the hair came out and his head was scaly all over. Then his face broke out all over in red bumps and it kept spreading until it was on his hands and arms. I thought several boxes of ointment, gave him blood medicine, and had two doctors to treat him, but he got worse all the time. He had it about six months when a friend told me about Cuticura. I sent and got a bottle of Cuticura Resolvent, a cake of Cuticura Soap and a box of Cuticura Ointment. In three days after using them he began to improve. He began to take long naps and to stop scratching his head. After taking two bottles of Resolvent, two boxes of Ointment and three cakes of Soap he was sound and well, and never had any breaking out of any kind. His hair came out in little curls all over his head. I don't think anything else would have cured him except Cuticura."

"I have bought Cuticura Ointment and Soap several times since to use for cuts and sores and have never known them to fail to cure what I put them on. Cuticura Soap is the best that I have ever used for toilet purposes." (Signed) Mrs. F. E. Harmon, R. F. D. 2, Atoka, Tenn., Sept. 10, 1910.

Cuticura Soap and Ointment sold throughout the world. Send to Potter Drug & Chem. Corp., Dept. 101, Boston, for a liberal sample of each, post-free, with 32-p. book on the skin.

## WHAT SAVED HER LIFE

Mrs. Martin Tells About a Painful Experience that Might Have Ended Seriously.

Rivesville, W. Va.—Mrs. Dora Martin, in a letter from Rivesville, writes: "For three years, I suffered with womanly troubles, and had pains in my back and side. I was nervous and could not sleep at night.

The doctor could not help me. He said I would have to be operated on before I could get better. I thought I would try using Cardui.

Now, I am entirely well. I am sure Cardui saved my life. I will never be without Cardui in my home. I recommend it to my friends."

For fifty years, Cardui has been relieving pain and distress caused by womanly trouble. It will surely help you. It goes to the spot—reaches the trouble—relieves the symptoms, and drives away the cause.
