CATTLE WILL BE UP THIS SEASON

STOCK VERY SHORT IN CALIFORNIA SECTIONS

Attempt to Lower Prices Meets With Little Success—Hog Market Advances—Sheep Stationary—Wheat Is Bullish.

(From Friday's Journal.)

That there will be no cheap prices in the cattle market here during the coming season is the opinion of A. F. Hunt, the well known stockman and member of the local livestock commission firm of Hunt & Lacey.

Mr. Hunt has just returned from an extensive investigating tour of California and finds stocks there very short and the demand so good that prices are out of line with conditions here.

"From Merced this way, I found a shortage of beef cattle," said Mr. Hunt. "I would estimate the shortage at close to 25 per cent on account of the extreme dry weather there earlier in the season."

"The season is from three weeks to a month late and initial shipments of grass stuff will start from there about May 20. The market in the south is unusually strong, and because some of the San Francisco parties thought that I was going to grab everything in sight they began to buy right and left. Los Angeles has been the principal buyer there and the price in effect is so much higher than the outlook here that none of the stuff will come in this direction unless our views show a big change."

This is the first season for some time that Mr. Hunt did not purchase quite liberally in California.

Utah Cattle Contracted.

Most of the cattle that arrived at North Portland during the past 24 hours were contracted prior to arrival by a local meat company and therefore did not enter the general trade. No prices on this lot were made public by either buyer or seller.

While in some instances efforts were made to depress cattle values owing to the liberal purchases in Utah by a local firm, which is at present about the only buyer here, the general situation is practically cattle unchanged.

Hog Market Advanced.

The dime recently lost in the hog market at North Portland has again been secured. Tops sold in the yards this morning at \$8.50, there being a sufficient amount of good stuff available to fully test sentiment and price.

Run of hogs for the day included 319 head compared with 209 last Friday and 301 head a year ago.

Four loads of sheep came forward from Red Bluff, Cal. this morning, evidently starting the run from that direction. Total sheep offerings for the day were liberal, including 2425 head compared with 327 last Friday and 928 head on this day a year ago.

In general there was no change in the sheep trade at North Portland today. Values were maintained at about the same range as quoted yesterday.

Just a Hearty Eater.

Cincinnati—'I've gained eleven pounds since I started thirty days ago eating a dozen bananas every night,' said John Ereen, a freight handler who finished his last dozen bananas and topped off the feat by eating five dozen hard-boiled eggs and two dozen raw oysters. Besides this fact he drank six or eight beers and several large whiskies every night. He wins a \$10 wager.

"I'm just a hearty eater," said Ereen who weighs 190 pounds and is 6 feet 2 inches.

"To show that the banana-eating affair has had no ill effect," said Ereen. "I will start again in a few days and see how quickly I can eat another thirty dozen."

Fore soreness of the muscles whether induced by violent exercise or injury, Chamberlain's Liniment is excellent. This liniment is also highly esteemed for the relief it affords in cases of rheumatism. Sold by all dealers.

What Ails You?

Do you feel weak, tired, despondent, have frequent headaches, coated tongue, bitter or bad taste in morning, "heart-burn," belching of gas, acid risings in throat after eating, stomach gnaw or burn, foul breath, dizzy spells, poor or variable appetite, nausea at times and kindred symptoms?

If you have any considerable number of the above symptoms you are suffering from biliousness, torpid liver with indigestion, or dyspepsia. Dr. Pierce's Golden Medical Discovery is made up of the most valuable medicinal principles known to medical science for the permanent cure of such abnormal conditions. It is a most efficient liver invigorator, stomach tonic, bowel regulator and nerve strengthener.

The "Golden Medical Discovery" is not a patent medicine or secret nostrum, a full list of its ingredients being printed on its bottle wrapper and attested under oath. A glance at these will show that it contains no alcohol, or harmful habit-forming drugs. It is a fluid extract made with pure, triple-refined glycerine, of proper strength, from the roots of native American medicinal forest plants. STUMBLES OVER ROOT AND DEATH RESULTS

Hood River, Or.—Stumbling over a root and falling on a fragment of a stump last Saturday, Paul Shien sustained injuries on the ranch of W. H. Marshall, near Dee, from which he died. The man, with a crew of Greeks was engaged in blasting stumps. He had just lighted the fuse of a charge of dynamite and was running to a safe distance to escape flying frag-

ments, when his foot caught and he fell and the point of a stump struck him in the pit of the stomach. Although the skin was not broken he suffered internal injuries that led to blood poisoning and resulted in death. He leaves a wife and children.

J. M. Howell, a popular druggist of Greensburg, Ky., says, "We use Chamberlain's Cough Remedy in our own household and know it is excellent." For sale by all dealers.

GRANDMOTHERS USED SAGE TEA

It is easier to preserve the color of the hair than to restore it, although it is possible to do both. Our grandmothers understood the secret. They made a "sage tea," and their dark, glossy hair long after middle life was due to this fact. Our mothers have gray hairs before they are fifty, but they are beginning to appreciate the wisdom of our grandmothers in using "sage tea" for their hair and are fast following suit.

The present generation has the advantage of the past in that it can get a ready to use preparation called Wyeth's Sage and Sulfur Hair Remedy. As a scalp tonic and color restorer this preparation is vastly superior to the ordinary "sage tea" made by our grandmothers.

This remedy is sold under guarantee that the money will be refunded if it fails to do exactly as represented.

If your hair is losing color or coming out start using Wyeth's Sage and Sulfur today and see what a change it will make in a few days.

This preparation is offered to the public at fifty cents per bottle and is recommended and sold by special agent, Pendleton Drug Co.
