**GARDENS AT ECHO
ARE WASHED OUT**

(Special Correspondence.)
Echo, Ore., May 4.—The Umatilla river is higher at this point than it has been at any time this year. Little damage has resulted, only a few early gardens having been washed out.

"The Tour Around the World" entertainment given by the Epworth League Friday night was quite successful and received the hearty patronage of the Echo people. The receipts of the evening were over \$30. Messrs Stanfield, Thomson, Wattenburger and Baars kindly gave their automobiles and time to conveying the patrons from the church to the residences which represented the cities.

W. H. Babb, who recently died at Medicine Hat, Alberta, was a pioneer of this section and lived here for many years. He was a member of Umatilla Lodge No. 49, A. F. & A. M. of Echo and remained a member until the time of his death. The lodge wired suitable tributes.

Miss Maggie Stockdale has gone to Irrigon, where she expects to spend the summer.

Miss Anna Waugh is a visitor with Mrs. Steven Edwards of Nolin.

Wm. Gulliford is in Pendleton to visit his family.

Mrs. Edw. Horsch is visiting in Pendleton with her mother, Mrs. J. H. Bryant, who is quite sick at her home at Riverside.

Buckaroos Beat Pilot Rock.
Pilot Rock's crack amateur team was again taken into camp yesterday afternoon on its home grounds by Jess Garrett's leaguers, the score at the end of seven innings being ten to one. Hewitt and Rustmeyer occupied the slab for the P. R. bunch with Pembroke receiving, but this reinforcement, the onslaught of the Buckaroos could not be stopped. Nichols twirled for the leaguers and held the batters safely. The game was delayed by a breakdown of the auto which had been chartered to take Garrett and his men to the south-end village and, as a result only seven innings were played.

Webb Street Paving Finished.
The paving of Webb street between Main and Cottonwood streets which was held up by a temporary injunction issued at the instance of Mrs. Florence Berkeley, was completed this morning, Judge Phelps having suspended the operation of the injunction long enough for the work to be completed. Poe for the Warren Construction company on a motion filed by the latter to dissolve the injunction.

End of Candidates' Statements.
Today is the last day on which candidates for office, at the April primary have to file their statements of campaign expenses. All here in Umatilla county have been wiled with the exception of that of Sid Saylor, republican candidate for assessor, and his will be forthcoming this evening according to a message sent by him. J. F. Wallin, defeated candidate for the nomination for clerk, paid out \$55.96, according to his account. Frederick Steiwer and James Neal, candidates for district attorney, and G. W. Phelps, candidates for circuit judge filed their statements at Salem. Phelps spent only \$13.50, having no competition for the nomination. Neal spent about \$242, while Steiwer was about the same amount, according to statements by these candidates.

**WILL THEY DO THE
SAME IN PENDLETON**

In view of the street paving competitive war now on in this city the following story which appeared in the Portland Evening Telegram of yesterday will be of interest to local property owners:

Goldendale, Wash., May 3.—Bids for 52 blocks of street pavement, at an aggregate cost of \$80,000, were opened at Goldendale this week by the council. Eleven bids were received, covering 25 different kinds of street pavement, ranging in cost from 70 cents a square yard for water bound macadam to \$2.07 a square yard for hard surface pavement. Bids were received from two contractors for the Dolarway concrete base patent pavement, the lowest at \$1.34 a square yard. Mayor N. L. Ward told the contractors present that the bids selected by the council would be announced within one week.

The Dolarway company is asking a price of \$1.50 per square yard for paving West Court street with their pavement, or a price 16 cents higher than is asked at Goldendale, is the report is correct.
