

### CATTLE MARKET SOARS SKYWARD

#### ANOTHER NICKLE ADDED TO PORTLAND QUOTATIONS

Receipts Light and Buyers in Receptive Mood—Sheep Situation Eases Up—Not Enough Hogs to Test Strength—Wheat Advances.

(From Monday's Journal.) The upward tendency in the cattle trade was resumed at North Portland this morning. The run was rather small considering the first of the week and killers took hold better than expected. The top was knocked out of the market and another nickle added to the former price. Two loads went at \$7.25 during the morning, one averaging 1216 pounds and another 1078 pounds.

Sales of bulls were likewise at good prices. One lot of 20 head that averaged 1313 pounds went at \$4.20, while a single animal that weighed 720 pounds went at \$4.50. There was not enough stuff in evidence to fully test the ideas of the trade. With such a little amount available the market may be easily manipulated one way or the other. ### Women's Secrets

There is one man in the United States who has perhaps heard more women's secrets than any other man or woman in the country. These secrets are not secrets of guilt or shame, but the secrets of suffering, and they have been confided to Dr. R. V. Pierce in the hope and expectation of advice and help. That few of these women have been disappointed in their expectations is proved by the fact that ninety-eight per cent. of all women treated by Dr. Pierce have been absolutely and altogether cured. Such a record would be remarkable if the cases treated were numbered by hundreds only. But when that record applies to the treatment of more than half-a-million women, in a practice of over 40 years, it is phenomenal, and entitles Dr. Pierce to the gratitude accorded him by women, as the first of specialists in the treatment of women's diseases. Every sick woman may consult Dr. Pierce by letter, absolutely without charge. All replies are mailed, sealed in perfectly plain envelopes, without any printing or advertising whatever, upon them. Write without fear as without fee, to World's Dispensary Medical Association, Dr. R. V. Pierce, Pres., Buffalo, N. Y.

### Bowels are Basis of Child Health

The careful mother, who watches closely the physical peculiarities of her children, will soon discover that the most important thing in connection with a child's constant good health is to keep the bowels regularly open. Sluggish bowels will be followed by loss of appetite, restlessness during sleep, irritability and a dozen and one similar evidences of physical disorder. At the first sign of such disorder give the child a teaspoonful of Dr. Caldwell's Syrup Pepsin at night on retiring and repeat the dose the following night if necessary—more than that will scarcely be needed. You will find that the child will recover its accustomed good spirits at once and will eat and sleep normally. This remedy is a vast improvement over salts, cathartics, laxative waters and similar things, which are altogether too powerful for a child. The homes of Mrs. E. S.

Griffin, Sandy, Utah, and Mrs. Clara McIntosh, Masonville, Colo., are always supplied with Dr. Caldwell's Syrup Pepsin, and with them, as with thousands of others, there is no substitute for this grand laxative. It is really more than a laxative, for it contains superior tonic properties which help to tone and strengthen the stomach, liver and bowels so that after a brief use of it all laxatives can be dispensed with and nature will do its own work. Anyone wishing to make a trial of this remedy before buying it in the regular way of a druggist at fifty cents or one dollar a large bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. B. Caldwell, 405 Washington St., Monticello, Ill. Your name and address on a postal card will do.
