AT THE PICTURE SHOWS

Orpheum.
An exceptional good program for Tuesday's change. Four full reels of the best American pictures.
1. One in Business; the Other in Crime. Biograph. Two young couples upon their wedding day vow to follow the straight path. One is in ordinary circumstances, the other is a little better off. Later the poor young man is thrown out of work and he and his

wife are in sore straits, the other is a power in politics. He offers a bribe for \$1000 to vote for the passage of a franchise. The poor man driven by poverty tries to steal this money.
2. The Pink Pajama Girl. Vitagraph. A study in pink and chaser of the blues. Just filled with pretty touches of refined comedy that is true to life and twice as natural. Zena Keefe and James Morrison play the leading parts.
3. A Winter Visit to Central Park, New York City. Edison. A scenic picture showing many interesting views of Central Park.

4. The Butler and the Maid. Edison. This light comedy tells of a slumberland romance between a butler and beautiful marble statue. In fancy he loved but lost when his marble love tripped and lay in fragments on the floor. Awakened by his sweetheart, the house maid, he assures her of his affections.
5. True 'Till Death. Melles. Between Philip and Paul, Elizabeth chooses Paul and is blessed with happiness she has never known. Paul goes to war, never to return. He expires on the battle field in the arms of his friend Philip. Philip again

proposes, but is refused. At a masked ball her grandchildren wear the costumes she and Paul had once worn revising sweet memories. She has a vision of Paul leading her through a graceful dance, and in that vision comes—death.

The Pastime.

ODD FELLOWS HAVE CAPTURED PENDLETON

(Continued from page 1)

of Odd Fellowship in this jurisdiction. There has been noble, energetic and loyal work done by many of the encampments. I am pleased to note that most of the encampments have adopted the new ritualistic work, although some still continue to use the old forms and introduce into the work the innovations that are not pleasing, and the beautiful work of the encampment is lost.

There has been a slight loss in membership in this jurisdiction this year, mostly on account of non-payment of dues. Quite a number of patriarchs who have been dropped have signified their intention of again becoming a member.

I am pleased to note the new lease of life in several of the oldest encampments. New members have been taken in, and a greater interest manifested than in former years.

There have been four encampments instituted during the year, with bright prospects for future success. One encampment, Huntington, No. 52, I. O. O. F., having made no report or paid any per capita tax for two years, gave up its charter. I could set no response from my communications to the district deputy grand patriarch for that district, and commissioned Past Chief Patriarch P. A. Hantz to proceed to Huntington and take charge of the charter, books, regalia and other articles of the encampment, and take the same to Baker City and send by express the charter and books to the grand scribe. The same was done, and the grand scribe now has possession of those articles.

My official duties as grand patriarch cease with this session. I desire to extend to the officers and members of this grand encampment my sincere thanks for their aid and assistance. To the encampments that I have visited, I extend my best wishes for their success and future prosperity. To the grand scribe, I desire to extend my best wishes for his acts of courtesy and assistance to me in my work during the past year. In conclusion, I desire to state that the duties of grand scribe are many and arduous, and the work is increasing each year. I would recommend an increase in the salary of the grand scribe at least \$200 per year, which I am sure will be accepted, and commensurate with the duties of that office. May the pleasant relations that have existed during the past year among the fraternity continue, and may peace and prosperity crown the labors of this grand encampment in future years.

Submitted in F. H. & C. O. P. MILLER, Grand Patriarch.

Report of Grand Scribe.
To the Grand Encampment of Oregon:
Officers and Patriarchs:—In compliance with the requirements of the constitution, I herewith submit my annual report.

For the first time since 1897, we show up a loss in membership. During the panic years of 1894-5-6-7, there was a small loss each year, and the membership was 1931 at close of 1897. Since that year the increase has been regular and continual until last year, when one encampment dropped 132 members, nearly all of that number having been carried over, and should have been dropped in 1910. Reports show that the "weeding out" process prevailed in several other encampments, so it is fair to presume that conditions will be far different at close of this year.

Slous Encampment, No. 41, of Fossil; Huntington Encampment, No. 52, of Huntington; and Wilderness Encampment, No. 59, of Wallowa, have failed to make reports. The former has paid its tax, and the scribe alone is at fault for the failure to report Huntington Encampment, No. 52, has made no report and paid no tax for two years. The grand patriarch's attention was directed to the latter existing there, directed Brigadier General Hantz of Baker, to take up the charter, which was done, and the encampment closed out as of December 31, 1911.

Union Encampment, No. 9, of Roseburg, reported a loss of nine during the year 1911, but admitted 72 at a regular meeting held in the present year.

Encampments have been instituted since last year report as follows:
Columbia Encampment, No. 77, St. Helena, Columbia county.
Blue Mountain Encampment, No. 78, Prairie City, Grant county.
Canyon Encampment, No. 79, Canyonville, Douglas county.
