There is no real need of anyone being troubled with constipation, Chamberlain's Tablets will cause an agreeable movement of the bowels without any unpleasant effect. Give them a trial. For sale by all dealers.

It is natural for a child to laugh and play when it feels drowsy or cries when it feels hungry or when it feels something is wrong. If you see no evidence of a serious ailment you will not be wrong if you quietly give it a dose of mild laxative that evening on putting it to bed.

The remedy most generally recommended for this purpose is Dr. Caldwell's Syrup Pepsin, which mothers throughout the country have been giving their children for a quarter of a century. Today thousands of families are using it where hundreds used it then, and there must be good reason for this word of mouth recommendation.

It is admittedly the perfect laxative for children, women, old people and all others who need a gentle bowel stimulant and not a violent salt, cathartic pill or doctored water. Dr. Caldwell's Syrup Pepsin will act gently, and when taken before retiring will bring complete satisfaction in the morning.

After a short use of this remedy all forms of outside aid can be dispensed with and nature will again act alone. All classes of good American people keep it in the home for ills of the stomach, liver and bowels, and among the thousands who have written the doctor that they will never be without it are Mrs. C. A. Hayes, 246 E. 6th St., Salt Lake City, Utah, and Mrs. T. E. Hickman, Tempe, Ariz., and Mrs. T. E. Hickman, Tempe, Ariz., and Mrs. T. E. Hickman, Tempe, Ariz.

Anyone wishing to make a trial of this remedy before buying it in the regular way of a druggist at fifty cents or one dollar a large bottle (family size) can have a sample bottle sent to the home free of charge by simply addressing Dr. W. B. Caldwell, 405 Washington St., Monticello, Ill. Your name and address on a postal card will do.

Paint Your Own Carriage you can do it yourself and at little expense. It's easy to give it a beautiful, hard, brilliant, varnish-gloss finish in black or rich appropriate colors.

ACME QUALITY CARRIAGE PAINT (Neal's) is made especially to give to buggies, carriages and vehicles of all kinds, a tough, durable, glossy finish that will look well and wear well.

Ordinary bulls 4.00@4.50 Sheep Down a Nickel. Strength in the eastern sheep trade seems to have no effect whatever at North Portland, for prices are practically a nickel off for the day. Wethers sold during the morning at \$4.20, a number of loads, going at that mark. There was a very heavy run of mutton for the day but a local meat company brought forward a big lot of direct purchases which is having a bad effect upon the open trade.

New York.—A driver guiding his heavy vehicle along Newtown avenue, Brooklyn, saw a man out in the flats, bowing to the sun. The driver knew of no sun worshippers thereabouts, so he stopped his wagon and cried, "Hello!"

"Hello!" responded the other, and approached him, with right hand outstretched. The driver and the stranger grasped hands. Suddenly the man from the flats caught the driver about the throat with his left hand, threw him over his head and laughed as the latter fell, sprawling in the mud.

The driver got up, shook the mud from his body, cleared the muck from his face and set up a yell for the police. One responded and called for an ambulance from the German hospital. To Dr. Moore "Hercules" said he was 34 years old, but couldn't give his name. He was taken to the Kings county hospital. The mud-covered driver drove away at top speed, fearful that he might encounter another sun worshiper.

BANKERS' MURDER CHARGED TO FRIEND

Pasco, Wash., June 11.—A. R. Garey, a contractor, was arrested yesterday on a warrant charging the murder of Henry E. Christiansen, cashier of the Bank of Pasco, and a member of the Pasco City council, by poison. Christiansen died on a Spokane, Portland & Seattle train June 1, after drinking from a flask of whiskey, thought to have contained strychnine.

Garey was taken to Ritzville where he will be held pending examination. He came to Pasco from Walla Walla two years ago, and has been prominent in business affairs here.

The information against Garey was sworn out against Prosecuting Attorney O'Brien of Franklin county. Christiansen died on a Spokane train after taking a drink from a flask of whiskey which it is alleged was poisoned with strychnine.

Garey owed Christiansen several thousand dollars and it is charged that this debt figured in the desire of Garey to get Christiansen, his former friend, out of the way.

GREETINGS SUN WORSHIPER BUT IS THROWN BY HERCULES New York.—A driver guiding his heavy vehicle along Newtown avenue, Brooklyn, saw a man out in the flats, bowing to the sun. The driver knew of no sun worshippers thereabouts, so he stopped his wagon and cried, "Hello!"

Weak Heart

Many people suffer from weak hearts. They may experience shortness of breath on exertion, pain over the heart, or dizzy feelings, oppressed breathing after meals or their eyes become blurred, their heart is not sufficiently strong to pump blood to the extremities, and they have cold hands and feet, or poor appetite because of weakened blood supply to the stomach. A heart tonic and alterative should be taken which has no bad after-effect. Such is Dr. Pierce's Golden Medical Discovery, which contains no dangerous narcotics nor alcohol.

The ingredients, as attested under oath, are Stone root (Collinsonia Canadensis), Bloodroot (Sanguinaria Canadensis), Golden Seal root (Hydrastis Canadensis), Queen's root (Silliphium Sylvestre), Black Cherry bark (Prunus Virginiana), Mandrake root (Podophyllum Peltatum), with triple refined glycerine, prepared in a scientific laboratory in a way that no druggist could imitate.

This tonic contains no alcohol to shrink up the red blood corpuscles; but, on the other hand, it increases their number and they become round and healthy. It helps the human system in the constant manufacture of rich, red blood. It helps the stomach to assimilate or take up the proper elements from the food, thereby helping digestion and curing dyspepsia, heart-burn and many uncomfortable symptoms, stops excessive tissue waste in convalescence from fever; for the run-down, anemic, thin-blooded people, the "Discovery" is refreshing and vitalizing. Stick to this safe and sane remedy, and refuse all "just as good" medicines offered by the druggist who is looking for a larger profit. Nothing but Dr. Pierce's Golden Medical Discovery will do you half as much good.

THE NOSE A FILTER TO STRAIN THE AIR The nostrils are perfect "air filters" and, when kept in clean, healthy state strain every bit of air we breathe, catching all dust particles, foreign matter and germs. The air is full of germs. You cannot dodge them, but you can safe-guard against catarrh and other diseases contracted in the process of breathing by keeping the nostrils clean and healthy. Catarrh germs will sometimes get in their work, and you may mistake the symptoms for an ordinary cold.

Don't take any chances. If you have a stuffed up feeling in the head, or if your throat is sore or filled with phlegm, just grease the nostrils with a little Ely's Cream Balm, draw the pure, aromatic fumes back in the head and you will be astonished at the effect. In a few minutes you will feel a loosening up in the head, the nasty discharge will soon be stopped, the soreness gone, and you will feel a sense of genuine relief.

Ely's Cream Balm not only wards off catarrh, but will quickly cure even a chronic, longstanding case of catarrh. It takes the trouble right where it starts, in the nose and throat, cleanses, heals and strengthens the raw, sore inside skin, or membrane, and in this way drives out catarrh and makes you proof against this filthy, disgusting disease.
