SHEEP SITUATION SHOWS UP WEAKER

(From Monday's Journal.) There was an easier tone in the mutton situation at North Portland today. Total arrivals were fair, being slightly in excess of those of a week ago. Run was 1383 compared with 1325 last Monday, 1822 a year ago, and 1919 two years ago.

Sales of lambs were made during the morning at \$5.35, weighed off cars, which would mean \$5.20 on the fill. This is practically a nickel under what similar goods would have brought a week ago.

Sheep shippers today: Swaythe Bros., Meacham, Ore., 3 loads; J. E. Croin drove in 601 head.

Cattle Market is Steady. Steadiness was shown in the cattle trade at North Portland today. There was a smaller run than a week ago, but there was less demand to be filled. Total run over Sunday was 322 head compared with 459 a week ago, 1486 a year ago and 759 head this same day two years ago.

Little of the cattle that is coming forward is good enough to bring the top, killers having insisted upon shipments to such an extent that producers have been sending supplies

YOUNG MOTHERS

No young woman, in the joy of coming motherhood, should neglect to prepare her system for the physical ordeal she is to undergo. The health of both herself and the coming child depends largely upon the care she bestows upon herself during the waiting months. Mother's Friend prepares the expectant mother's system for the coming event, and its use makes her comfortable during all the term. It works with and for nature, and by gradually expanding all tissues, muscles and tendons, involved, and keeping the breasts in good condition, brings the woman to the crisis in splendid physical condition. The baby, too, is more apt to be perfect and strong where the mother has thus prepared herself for nature's supreme function. No better advice could be given a young expectant mother than that she use Mother's Friend; it is a medicine that has proven its value in thousands of cases. Mother's Friend is sold at drug stores. Write for free book for expectant mothers which contains much valuable information, and many suggestions of a helpful nature.

WOMAN SICK TWELVE YEARS

Wants Other Women to Know How She Was Finally Restored to Health.

Louisiana, Mo.:—"I think a woman naturally dislikes to make her troubles known to the public, but complete restoration to health means so much to me that I cannot keep from telling mine for the sake of other suffering women."

"I had been sick about twelve years, and had eleven doctors. I had dragging down pains, pains at monthly periods, bilious spells, and was getting worse all the time. I would hardly get over one spell when I would be sick again. No tongue can tell what I suffered from cramps, and at times I could hardly walk. The doctors said I might die at one of those times, but I took Lydia E. Pinkham's Vegetable Compound and got better right away. Your valuable medicine is worth more than mountains of gold to suffering women."—Mrs. BERTHA MUFF, 503 N. 4th Street, Louisiana, Mo.

Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotic or harmful drugs, and to-day holds the record of being the most successful remedy for female ills we know of, and thousands of voluntary testimonials on file in the Pinkham Laboratory at Lynn, Mass., seem to prove this fact.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.

—1912—Track No. 1, spot delivery, white, \$24.50 @ 25.00; gray, \$24.00 @ 24.50.

Sallow complexion comes from bilious impurities in the blood and the fault lies with the liver and bowels; they are torpid. The medicine that gives results in such cases is HEP-BINE. It is a fine liver stimulant and bowel regulator. Price 50c. Sold by A. C. Koepfen & Bros.
