WITH MUCH RESPECT**

Chicago, Oct. 21.—The dignified attitude of Governor Wilson toward his opponents throughout the campaign was emphasized by James A. Waggoner in the Chicago Daily News on October 16 as follows:

"This is the year of years. For once the American people are basking in the promise of prosperity with election close at hand, bounteous crops and brisk trade, despite a change of administration imminent. And this is the strangest political campaign the sun ever set on. With the flat failure of the attempt to sound the old note of hard times ahead, with two presidential candidates actively canvassing on the stump and a third playing golf, there certainly is something unique.

"But the most singular feature of this year's campaign is the position Governor Wilson takes in refusing personal attack. Conditions, systems, facts and principles he will discuss, but personalities never, except it be to pay a compliment.

"Truly Governor Wilson has struck the most progressive note of all. Here he has shown himself bigger than we had thought him. He is gaining daily in our nation's confidence, respect, esteem and love for this manifestation of fairness and forbearance. Furthermore, Governor Wilson is standing well to his principles and by all these tokens is gaining votes by the thousands."

Tickling in the throat, hoarseness, loss of voice, indicate the need of BALLARD'S KIDNEY PILLS. It eases the lungs, quiets the cough and restores health in the bronchial tubes. Price 25c, 50c and \$1.00 per bottle. Sold by A. C. Koeppe and Bros.

**OREGON AGGIES  
ARE DEFEATED  
BY MULTNOMAH**

Portland, Ore., Oct. 21.—The husky eleven of the Multnomah club won its first game of the season Saturday, defeating Coach Dalan's Corvallis Aggies by the score of 9 to 0. No scores were made till the third period when Carl Wolff made a place kick from the 30 yard line. The touchdown was made in the last quarter.

The Aggies gave the club team a hard game and it was doubtful at the end of the first half whether either eleven would be able to score.

A 15 yard penalty enabled the club team to score. Kellogg made an illegal tackle and this cost his team 15 yards, which put the ball on the Aggies' 30 yard line. Multnomah chose a free kick and the ball sailed between the goal posts, Wolff kicking it beautifully. Multnomah's touchdown was made in the last quarter after a series of line plunges, which netted the club 30 yards.

The club team threatened to score several other times, but the Aggies braced and held them safe. The Corvallis team had a couple of chances to score, but could make no headway against the club's line.

Carl Wolff was the star of the game. He played a great game, both on the defensive and offensive. Ludlam and Conville also did great work for the club team. Keck carried the ball several times for large gains and Smith and O'Rourke did good work on the defensive.

The Indian, Hauser, played a great game for the Aggies. His tackling was a feature. He carried the ball several times for large gains. Blackwell, the big Aberdeen giant, did good work in carrying the ball and also played a grand game on the defense.

The Aggie line appeared rather weak on the left side, but when May returns it will be strengthened to a great extent. Robertson was good on the end in defensive work, and Kellogg did some great playing on the other end of the line.

The center of the Aggies' line, Chrisman, Hofer and Sitton, formed a strong bunch of players and they held the club team time after time.

On account of the muddy condition of the field both teams punted a great deal. Wolff out kicking his opponent, Hauser, by several yards.

A large crowd attended the game despite the poor weather.

The lineup:  
Oregon Aggies: Ludlam, Rasmussen, L. R., Erwin, Moore, L. T. R., O'Rourke, Hofer, L. G. R., Rodgers, Chrisman, C., Cherry, O. S. Itton, C. R. G. L., Carlson, Evenden, R. T., Conville, Kellogg, R. E. L., Smith, Dewey, Q., Rinehart, Reynolds.  
Multnomah: Roberton, L. H. R., Keck, Shaw, R. H. L., Wolff, Berry, Hauser, F. B., Hurlburt, (c). Touchdown, Wolff. Place kick, Wolff.  
Officials—Roscoe Fawcett, referee; Bill Schmitt, umpire; Callierate, head lineman.

**U. OF O. LOSES  
GAME; SCORE 20-0**

Walla Walla, Wash., Oct. 21.—Whitman college, 29; Oregon, 0; was the story of Saturday's game. By forming a stone wall against the offense of the Oregon team, the Whitman line forced the visitors into a defensive game. The old time football of the Missionary back field trio, Niles, Kinder and Bloomquist, resulted in a touchdown, being registered in each and every quarter but the second. Oregon had a decided advantage in the second quarter as long as she resorted to forward passes and trick plays, but could make no yardage in line plunges or end runs. Fenton made two successful passes to Bradshaw and Annunen respectively, which brought the oval within nine yards of the Whitman goal. Oregon was then thrown back for three downs when Walker on a fake punt went around left end to be downed within four inches of the goal line, the ball was punted out by Whitman. Oregon, by employing trick plays and getting a couple of fumbles by Whitman, again approached the goal, but in four downs could not make four yards, which would have meant a touchdown. The last two quarters except for a couple of spurts around right end by Briedwell, were spent in vain attempts to stop Niles and his followers in their steady march down the field. Whitman's interference on end runs caused the Oregon ends and halves much trouble, also a delayed pass through the line was worked to advantage by the missionaries.

The Oregon team showed lack of team work, due to having a number of new men in the lineup. They played gamely but not together. Fenton, Annunen and Heuser were taken out of the game on account of injuries at the end of the first half. However, all will be out for practice Monday.

John Bender of Washington State College, was present getting pointers for his attempt to "come back" in Eugene next Saturday.

Pinkham and the team are full of ginger and state that they are still after championship honors. This was Whitman's first victory since 1909.

The lineup:  
Oregon: Whitman, Botts, Annunen, Jones

**BEATEN BY BETTER  
TEAM SAYS ALUMNI**

Former Oregon Students Who Saw Game Give Whitman Due Credit—Injury to Fenton Disastrous.

That the University of Oregon lost to a better team Saturday when Whitman won by a 29 to 0 score is the opinion of local Oregon alumni who went over to Walla Walla to see the game. They give credit to the sons of Marcus for being superior in both offensive and defensive work, the stone wall line developed by Coach Archie Hahn being the surprise which upset all calculations and demoralized the wearers of the lemon yellow.

However, they declare that the game was anybody's until the last half when Whitman had everything her own way. This they attribute to the injury sustained to Fenton which put him out of the game and left the Oregon team without any kicker and without any one able to get a forward pass away.

Early in the game it was demonstrated, they say, that the Walla Walla players had an impregnable line and the assaults of the Oregon backfield were futile. However, trick plays and the forward pass were used to good advantage and gave the visitors their only chance in the second quarter when the ball was twice carried to within six inches of the goal line only to be lost on downs.

Whitman's first touchdown came during the first five minutes of play with the element of luck contributing largely. After three attacks on the U. of O. line had failed to net any gain, Niles punted and Briedwell fumbled the ball, allowing it to be regained by Bots on the twenty yard line from where it was pushed over by a forward pass and several cross bucks.

The second quarter was all Oregon's but toward the end of it, Fenton was laid out with a twisted ankle and there was nobody to supplant him. Bradshaw tried to do the punting but Niles gained twenty yards on the pig but Niles failed to execute a forward pass was successfully executed by Coach Pinkham's men in this period and the two touchdowns secured by their opponents were easy. Altogether, according to the returned alumni, the

**\$100 REWARD. \$100**  
The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.  
Address: F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

**RESTORE GRAY HAIR  
TO NATURAL COLOR**

By Common Garden Sage a Simple Remedy for Dandruff, Falling, Faded, Gray Hair.

The old idea of using Sage for darkening the hair is again coming in vogue. Our grandmothers had dark, glossy hair at seventy-five, while our mothers are gray before they are fifty. Our grandmothers kept their hair soft and glossy with a "Sage Tea," which also restored the natural color.

One objection to using such a preparation was the trouble of making it. This objection has been overcome by the Wyeth Chemical Company of New York, who has placed on the market a superior preparation of Sage, combined with Sulphur and other valuable remedies for dandruff, itching scalp, and thin, weak, falling hair.

The beauty of the hair depends more on its rich, even shading than anything else. Don't have dry, harsh faded hair, when a simple, harmless remedy will bring back the color in a few days, and don't be tormented with dandruff, itching scalp and loose, falling hairs. Wyeth's Sage and Sulphur Hair Remedy will quickly correct these troubles, and give color, strength and beauty to your hair.

Get a fifty cent bottle from your druggist today, and prove this to your own satisfaction. All druggists sell it, under guarantee that the money will be refunded if the remedy is not exactly as represented.

For Sale by Pendleton Drug Co.

Injury to Fenton was most disastrous for his teammates, but they freely admit the superiority of the Whitman eleven.

Among the Oregon alumni and former students who witnessed the game were James S. Johns, Mr. and Mrs. Westbrook Dickson and Merle R. Chessman of Pendleton; Frank D. Carruth of Stanfield; Prof. Charles Guerne and Miss Ruth Dunaway of Athena; Miss Jean Allison and George Talbot of Milton; George Eyre, formerly of Pendleton now living in Dayton, and Clarence Wall of Portland. Among others who rooted with the Oregon bunch were Prof. A. A. Asbahr and J. E. Keefe of this city and Floyd Payne, a high school student of Athena. During the intermission between halves after the Whitman routers and co-eds had given a serpentine dance, the little bunch of Oregon supporters took the field and did a few stunts all their own.

The man who puts his best foot forward never has many kicks coming.

**BEAVER BOARD**

The new beautiful, inexpensive and LASTING wall finishing has given great satisfaction wherever used.

**What is Beaver Board?**

Beaver Board is a Pure Wood Fibre Wall Board which takes the place of lath and plaster and all other wall building materials and which because of its superior surface for decorating makes unnecessary the use of wall paper.

Selected woods are reduced to fibrous form and pressed into panels of uniform thickness, with beautiful pebbled mat surface.

Beaver Board is nailed in panels to the studding (wall and ceiling beams) of new rooms or directly over the lath and plaster in old rooms. The seams formed by the joining of the Beaver Board panels are covered with decorative strips which give that artistic panel arrangement so popular in the modern home. Any artistic panel arrangement can be applied to Beaver Board. Beaver Board is easily handled and can be readily cut by a fine saw, sharp knife or chisel.

Rooms finished in Beaver Board are rendered most attractive and restful because of its adaptability to artistic decoration. Innumerable tasteful and convenient panel arrangements are possible with Beaver Board, and through the use of any paints suitable for wood and the use of stencils so easily obtainable there is no limit to the possibility for artistic decoration.

Beaver Board does not chip, crack, disintegrate or deteriorate. It makes a house warm in winter and cooler in summer. It retards fire, withstands shocks, strains and vibration that crack and bring down plaster. Beaver Board becomes one of the component parts of any building and never needs replacment. The first cost of Beaver Board is the only cost, and it improves with age.

"Beaver Board and Its Uses," elaborately illustrated and treating the subject in full detail, and a sample of Beaver Board will be sent on request.
