A Personal Talk With Our Patrons---Alexander's

As we approach the close of the year in our CLOTHING DEPARTMENT, we feel as though the loyal patrons of this store deserve a public word of thanks for the generous support they have given us.

We want every patron to know that we are deeply grateful for the steady and persistent growth of the CLOTHING DEPARTMENT.

With hundreds upon hundreds of regular patrons in our MEN'S FURNISHINGS store, we figure on a liberal patronage in clothing.

When we tell you that the clothing business this year has been TWICE AS LARGE as our most liberal estimate, you will realize why we want EVERY PATRON TO KNOW IT.

In making STEIN-BLOCH our leading brand of clothing, we felt that we were doing a DOUBLE SERVICE. We gave our patrons the finest clothing in America. We put STEIN-BLOCH into direct touch with hundreds of men who had long been acquainted with GOOD VALUE in men's merchandise.

We take a great deal of personal satisfaction in getting the RIGHT MAN to buy the RIGHT ARTICLE at the RIGHT PRICE.

We would much rather sell a man a COLLAR at 15 CENTS and have him satisfied with the style and the wear of it, than sell him a STEIN-BLOCH BELTED ULSTER AT \$55 and have him feel as though the cloth or the fit didn't quite satisfy him.

Our salesmen never HURRY a customer into a decision. They help him to DECIDE RIGHT.

We are always looking for NEW PATRONS. Every PROGRESSIVE merchant is doing so. But we put our STEADY PATRONS—the GOOD OLD REGULARS—ahead of NEW PATRONS every time we get a chance.

There isn't a store in America that will do more to keep the respect, friendship and patronage of its OLD CUSTOMERS than THIS STORE.

As an old customer of the store you know that this statement is TRUE.

This ALEXANDER idea prevails in the CLOTHING DEPARTMENT as well as the rest of the store. So if any OLD PATRON of the other departments wants to buy a STEIN-BLOCH SUIT—or OVERCOAT—at \$20, \$22.50, \$25 UP TO 35, he can do so, knowing that an EXCHANGE will be made. HIS MONEY REFUNDED just as cheerfully as though a GUARANTEED GLOVE had torn or a SHIRT had faded in laundering.

We want every patron to feel that every article sold in the store is FIRST CLASS quality and the price the lowest in Pendleton.

We are PROUD of our OLD PATRONS and take this public way of saying so. We want them to be EQUALLY AS PROUD OF

Alexander's Dep't. Store
