PLANNING TRIP

LA GRANDE BUSINESS MEN
READY FOR ANNUAL JOURNEY

To Swing Round the Circle in Oregon—Willamette Points Will Be Visited—Party Leaves La Grande on January 20—Salem Club Will Entertain Visitors.

La Grande, Ore., Jan. 11.—Arrangements for the annual junket trip to the Willamette valley and other western Oregon points have been practically completed. The party is scheduled to leave La Grande on train No. 17 on January 20th, arriving at Portland that evening, where they will take a special car, leaving Portland some time during the night and arriving in Salem early on the morning of the 21st. A letter from the Salem board of trade to Secretary Humphreys of the La Grande Commercial club, extending the courtesy of that occasion to the visitors, has been received. The entire day and evening will be spent in Salem, the merchants' excursion train from Portland picking up the special car next morning, taking them to Albany where the Oregon Retail Merchants association hold their annual meeting. On the morning of the 22nd the visitors will go to Corvallis, an invitation having been extended by the officials of the O. A. C. to visit the institution and the city. The visitors will return to Albany and take in the banquet given the visitors that evening, returning to Portland on an early train on the morning of the 23rd. Tickets will be good leaving Portland on train No. 6 on the evening of the 27th, thus giving anyone desiring it the advantage of three business days in Portland on the return trip. About 30 have signified their intentions of going on this trip if they can get away from their business. The success of the trip last year being great it is expected this year to eclipse any stunt that was pulled off previously and thus put La Grande and Union county on the map in still larger letters than ever before.

O. A. C. FACULTY MEN
HAVE BLACK EYES AS
RESULT OF FIST CLASH

Regents May Act Following Encounter of Prof. E. B. Moore and C. A. Dobell.

Oregon Agricultural College, Corvallis, Jan. 13.—A disagreement over the matter of some typewriting ribbons, to be used on the machines of the commerce department, led to a petty quarrel, which may lead to some serious action on the part of the board of regents of the Oregon Agricultural college. A couple of black eyes are the only visible results, at the present time, but developments will follow.

The trouble is said to have started when Assistant Professor E. B. Moore of the stenography classes went over to the business office to get some new typewriter ribbons for his machines. C. A. Dobell, business manager of the college, stated that there were already some ribbons at the college bookstore. The ribbons did not suit Professor Moore, who asked Dobell to order some more.

Upon the refusal of the latter party to order them, an argument ensued, which resulted in blows being exchanged. Both of the participants in the affair have black eyes. But further than that, nothing could be ascertained definitely.

The matter has been taken up by the proper authorities, and a rigid investigation is being conducted.

The young convict is not allowed to associate with the convicts in the prison yards, but is kept in the library where under the direction of the warden and the librarian, the little fellow daily studies and recites his lessons in much the same manner as he did before he was taken from the school-room.
