MORE HERMISTON BUSINESS CHANGES

(Special Correspondence.)
Hermiston, Ore., Feb. 21.—Today the citizens of Hermiston were surprised to find the doors of the Columbia Mercantile company closed, but not by the usual cause for closed doors. Inquiry having been made brought out the fact that the entire stock had been sold to some Idaho

parties who were taking immediate steps to pack and ship the entire stock. Mr. Chas. H. Holman, one of the partners of the company, will again go to Baker, Oregon, where he has extensive interests in some wheat land. Mr. Jones, the other partner, will for the present at least remain in Hermiston.

Wm. Hahn, who has been dealing mainly in harness, etc., since in business here, has purchased a \$700 stock of men's and boys shoes to add to his line and expects to have the stock arranged and ready for sale in about two weeks. He will handle the same line of shoes formerly sold by the Brooks company when in business here about two years ago.

Rheumatic Blood is Whole Story

Wonderful Specific for Sciatica, Lumbago, and a Cure for Dreaded Articular Rheumatism.

There is a host of pills, powders, tablets and what-not for rheumatism, but they all lack the first essential to being a natural medicine. To begin with, rheumatism is simply a name given to designate a variety of pains, and can only be reached by irrigating the entire blood supply with a naturally assimilative antidote. True, the pains may be eased with narcotics or the acids may be neutralized for the time being with other acids. But these merely temporize and do not even lead to a cure. There is but one standard rheumatism remedy, and it reflects the best thought of the day. It is prepared in the great Swift Laboratory in Atlanta, Ga., and sold in all drug stores under the name of S. S. S. at \$1.00 a bottle.

Starvation has been advocated by many as a cure for rheumatism, and yet S. S. S. accomplishes in fact what fastidists proclaim in theory and without the punishment of starvation. Hot springs and sweating are often recommended, but S. S. S. does all that is expected of these expensive and weakening methods.

It is conceded by the closest students of the subject that rheumatism is caused in most cases by an acid condition of the blood and aggravated by the remedies commonly used for relief. In other cases rheumatism is the result of nerve depression; in still others it is the effect of some scrofulous blood condition, having been treated with mercury, iodides, arsenic and other poisonous mineral drugs.

The recoveries of all these types of rheumatism by the use of S. S. S. is a wonderful tribute to the natural efficacy of this remarkable medicine, for it is assimilated just as naturally, just as specifically, and just as well ordained as the most acceptable, most palatable and most readily digested food. Do not fail to get a bottle of S. S. S. to-day. You will be astonished at the results. If your rheumatism is of such a nature that you would like to consult a great specialist confidentially, write to The Swift Specific Co., 127 Swift Bldg., Atlanta, Ga.

Portland Stock Market...

(From Thursday's Journal.)
The extent of hog offerings at North Portland seemingly has little effect except perhaps when they are light when losses in the prices are forced. Today there was a liberal offering in the swine trade and the market actually showed an advance of a dime above yesterday with tops this morning at \$8.20.

The advance here was made in the face of a decline at most points east of the Rockies, the market here barely getting under way for an advance until the full force of the rise has been spent elsewhere.

Hog shippers today: Davis Bros., North Powder, 1 load; Willis & Pat-

erson, 1 load hogs and cattle; W. E. Hill, 1 load; Buke Jewell, Palma, Idaho, 1 load; C. P. Beishee, Moro, 2 loads; A. F. McSee, 1 load; J. E. Campbell, Madras, 1 load; J. L. Campbell, Madras, 1 load; J. L. Campbell, 1 load.

North Portland hog market range:
Best light \$ 8.20
Medium light 8.05@8.10
Best heavy 8.00
Rough and heavy 6.50@6.75

Cattle Market Is Stationary.
There was little if any change in the cattle situation for the day at North Portland as compared with yesterday's transactions. There was a small offering in the yards, and prices realized were substantially the same as have been ruling to date this week.

Cattle shippers today: A. H. Hughes, Eaton, Idaho, 1 load; John Hill, Payette, Idaho, 1 load cattle and calves; J. W. Chandler, Dayton, Wash., 1 load cattle and hogs; J. E. Reynolds, Arlington, 4 loads; W. E. Custer, Shoshone, Idaho, 2 loads.

North Portland cattle range:
Heavy feed steers \$ 8.00
Choice steers 7.90
Common steers 7.70
Spayed heifers 7.50
Fancy cows 7.00@7.25
Ordinary light calves 6.50@6.75
Fancy light calves 6.00
Heavy calves 5.00@6.50
Best bulls 5.50
Ordinary bulls 4.50@5.90

Sheep Trade Holds Steady.
With the possible exception of lambs, which, while not weak are slow sellers, the market for mutton was considered favorable in the North Portland yards for the day. There was a very heavy offering, 2289 head being received, compared with 1263 last Thursday and 948 head this same day a year ago.

Sheep shippers: McCullough & Rumble, Joseph, 3 loads; R. E. Boyce Baker, 3 loads; C. A. Hale, Wabburg, Wash., 2 loads.

North Portland sheep values:
Best grain fed lambs \$7.00@7.25
Ordinary lambs 7.00@7.15
Best yearlings 6.50
Ordinary yearlings 6.00@6.25
Old wethers 6.00
Fancy ewes 5.00@5.25
Ordinary ewes 4.75@4.85

Don't Blame Your Over Worked Stomach

When your stomach will not digest food, the worst thing you can do is to take a lot of digestive medicines. True they give temporary relief, but your stomach is the sufferer. Loss of appetite, indigestion, dyspepsia and headaches can only be permanently relieved by removing the cause. In many cases, various remedies taken to relieve these conditions result in ruining the stomach and preventing it from digesting food in a natural way.

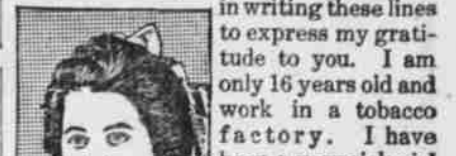

If you want your stomach to do its own work properly, without resorting to artificial digestives or predigested foods, use Jayne's Tonic Vermifuge. Take small doses regularly, preferably before meals. In a little time your stomach will again do its own work and you will eat heartily, keep well and enjoy living. Jayne's Tonic Vermifuge is not a digester in itself, but tones up the stomach and intestines, giving you all the nutriment and strength from the food you eat.

Many forms of supposed indigestion are the result of intestinal parasites, for which Jayne's Tonic Vermifuge is unsurpassed. Insist on Jayne's; accept no other. Millions have praised it for more than eighty years. Sold by druggists everywhere. Dr. D. Jayne & Son, Philadelphia, Pa.

HELP FOR WORKING GIRLS

Two Girls Tell Story of Their Illness and How They Found Relief.

New Orleans, La.—"I take pleasure in writing these lines to express my gratitude to you. I am only 16 years old and work in a tobacco factory. I have been a very sick girl but I have improved wonderfully since taking Lydia E. Pinkham's Vegetable Compound and am now looking fine and feeling a thousand times better."

—Miss AMELIA JAQUILLARD, 613 Seventh Street, New Orleans, La.
St. Clair, Pa.—"My mother was alarmed because my periods were suppressed and I had pains in my back and side, and severe headaches. I had pimples on my face, my complexion was sallow, my sleep was disturbed, I had nervous spells, was very tired and had no ambition. Lydia E. Pinkham's Vegetable Compound has worked a charm in my case and has regulated me. I worked in a mill among hundreds of girls and have recommended your medicine to many of them."—Miss ESTELLA MA-GUIRE, 110 Thwing St., Saint Clair, Pa.

There is nothing that teaches more than experience. Therefore, such letters from girls who have suffered and were restored to health by Lydia E. Pinkham's Vegetable Compound should be a lesson to others. The same remedy is within reach of all.

If you want special advice write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass. Your letter will be opened, read and answered by a woman and held in strict confidence.
