For General Utility there's nothing better nor more satisfying than a Blue Serge Suit

the nice thing about it is that blue serge is suitable for every place, for every occasion, except evening or Sunday "dress-up;" it's all right for business, for traveling, for summer resorting; wherever you go in blue serge, you're well dressed.

Hart Schaffner & Marx

have made for us an exceptionally good line of blue serges this season; the weaves are, of course, pure wool; the dyes are absolutely trustworthy; the usual faults so common in serges of the cheaper sort are wholly guarded against in these goods; they're absolutely guaranteed to be all right.

You get, of course, the Hart Schaffner & Marx style ideas; and the suits are tailored-to-fit.

Just have a look at our \$25 values; then you can look at lower or higher priced goods; \$25 is a very unusual value.
