SPORTS

YAKIMA STARTS SEASON WITH 18

North Yakima, April 21.—Eighteen men are now on the squad of the Yakima team in the Western Tri-State league beside Manager George M. Engel, who is a pitcher, himself. Yakima will open here tomorrow with La Grande and an automobile parade led by a band will traverse the business district to the baseball park, where Mayor A. J. Splawn will pitch the first ball into the hands of former Mayor H. H. Schott.

Nine of the 18 players still on the list are local boys and all of them have been showing so well that no blue slips are handed out in the last week of training, although four will have to come in the next two weeks and two more soon after.

Three of the pitchers are Yakima men, Rundstrom, Nelson and Marks. Nelson is an old player who is good enough for any team in the league but whose business in North Yakima makes it impossible for him to go with the team. Rundstrom and Marks are youngsters whom Manager Engel will keep with the expectation of developing them into material for bigger leagues. Walter Russel is a local first baseman who is too good to be let go, although he has been outclassed by Fuller and may spend much of his time on the bench this summer. Roy Groves has third base clinched. He was released by Bob Brown of Vancouver a little more than a week ago after he had given the veteran Scharweber a tussel for the place. His brother, Johnny Groves, seems to be settled on second. Riebe, one of the promising youngsters, was with the Moxee team last year. Saunders

and Cromers played with the Yakima Tigers and Saunders has the best chance of sticking this summer.

Of the out of town men signed up Matt Stanley, the veteran catcher, is best known. He managed the Spokane team seven or eight years ago and had the reins over the Wenatchee team last year. Cass was among the first of the men signed by Engel and is sure of a place on the pitching staff. With him is Kile, pitcher for Wenatchee the last two seasons.

Fuller is another Wenatchee player who has showed up slightly better than Russel, the local lad. Miller, who will fill short, was with the Leavenworth team last spring and later went to Kellogg in the Coeur d'Alene league. Stolke, utility man, is one of the most valuable on the team. He is a hard worker and can go any place in the infield or can pitch. Shaver was signed up when Tealey Raymond released him and Bled came from Tacoma when McGinnity let him go the first of this week.

The Yakima team will go to bat in its opening game with La Grande here Tuesday in the following order: Miller, ss; Groves, 2b; Ried, 1b; Shaver, cf; R. Groves, 3b; Fuller, 1b; Stolke, rf; Stanley, c; Engel, p. Kane and Kile will be ready to relieve Manager Engel in the box.

FRANK WILSON GETS PENITENTIARY TERM

Baker, Ore., April 21.—Frank Wilson, the bogus machine solicitor, was sentenced to a term of 1 to 5 years in the state penitentiary at Salem by Judge Gustav Anderson. Wilson, when asked if he had anything to say why sentence should be passed insisted that he was innocent of the crime, even though the jury had rendered a verdict of guilty.

BAKER SENDS 13 TO OPEN SEASON

Baker, Ore., April 21.—(Special.) Manager "Con" Harlow and his bunch of husky "Gold Diggers" left here this morning for Boise, where they will open the 1913 Tri-State league season. Thirteen, including himself, will make the trip. He will carry four pitchers, Coleman, Peet, Ward and Manning; Jensen, first base; Foben, second base; Murphy, short stop; Harrod, third base; Doan, left field; West, center field; O'Leary, right field; and Cress and Harlow, catchers. Nills, the big Indian who worked hard in yesterday's game with Weiser, and Dowling, a prospect for short stop, will remain behind for the first week.

Coleman and Harlow will probably be the battery for the opening game with the Irrigators. Coleman is a local lad, having played in organized ball only one year. He shows up well and many fans predict he will be a top notcher before the season closes. Peet is a husky lad who, when he worked on the mound for the U. of O., won a reputation of never having lost a single game. Ward, formerly played with the Nebraska State league and Manning is a new find from Spokane.

This is Jensen's first season on first sack, but he is improving with every practice. He pitched for Brigham City. Roben at second with his diminutive stature is a wonder. He bats and fields with great form. He played in the Western association. Murphy at short stop was formerly with Jim Callahan's Logan Square team of Chicago.

Harrod at third has had six years in baseball, and was formerly with the Three I league. He is one of the steady men on the team, and a sure hitter.

Cress is a young fellow from Anacosta. Full of vim and possessed of a good arm, he has the making of a good catcher.

A spirited contest between Baker and Seattle over Dean, the left fielder, in which Baker was finally awarded his services, was recently closed. Dean is a good pinch hitter and fields well. West is well known in the Tri-State league, as he played part of last season with Boise.

O'Leary formerly played field for McCloskey's Ogdun team. Harlow is receiving the hearty cooperation of a loyal bunch of fans, and considers he has picked a team that will give a good account of themselves in the first division. He says: "If all the teams stay within the salary limit there is no question in my mind but that our chances of grabbing the pennant are as good as any team in the league. We are well within the salary limit here."

ATHLETIC CONTEST AT PANAMA EXPO

San Francisco, April 21.—(Special.)—James E. Sullivan, secretary-treasurer of the Amateur Athletic Union of the United States, and the foremost authority on amateur athletics in the world, has been appointed athletic director of the Panama-Pacific International Exposition. His appointment means that the athletic program during the exposition year will be one of the great features of the coming 1915 exposition.

Before leaving Athletic Director Sullivan outlined the following program of athletic events that will be seen at the exposition: Lawn tennis, archery, swimming, gymnastics, all round athletics, modern pentathlon, pentathlon, deathlon, cycling, soccer, baseball, hand ball, fly casting, trap shooting, rifle shooting, polo, military tournaments, roque, flying machine contests, auto races, golf, rugby, la crosse, playgrounds, elementary, intercollegiate meets, national college champion-

ships, Pacific Coast intercollegiate championships, state intercollegiate championships, motor boats, barge racing, rowing, motor cycling, national athletics, boxing, wrestling, fencing, basket ball and other events yet to be named. The rowing races will in all probability be held in the Estuary on the Oakland side and the golf tournaments will be held over a local club course.

"The program outlined," said Athletic Director Sullivan, "will bring to San Francisco every world's champion. The stadium to be constructed will be the most remarkable ever constructed. Its equipment will surpass the stadium of London, Stockholm and Athens. It will have something wholly new in athletic events—a quarter mile straightaway track, on which I expect to see a good many world's records fall."

TELL IT TO YOUR NEIGHBORS.

If you are one of those fortunate women who have found relief through the use of Lydia E. Pinkham's Vegetable Compound, from the dreadful suffering incident to some female derangement, tell it to your neighbor whom you hear complain of dreadful backache, bearing down pains, dizziness, headaches, irregularities, nervousness and despondency; and when she finds relief in nature's remedy for woman's ills, as thousands of other women have, she will bless you for telling her about it.

PARADE A FEATURE OF S. S. CONVENTION

Baker, Ore., April 21.—One of the unique features of the Sunday school convention will be the parade Tuesday 5:30 p. m. Mr. Louis J. Hinkle, marshal. The boys' band will lead the parade; Cradle roll, Primary and Junior departments of all schools will meet at the Presbyterian; the "teen" age pupils will meet at the First Baptist and the Adult departments and delegates at the Methodist church; all will march to Center street and up Center to Main and down main to the federal building and then back to the Pythian hall where the parade will disband and the teen age and organized adult classes banquet will be served at 6 p. m.

The executive luncheon will be served in the First Baptist church, Tuesday at noon; the Teacher Training banquet in the Presbyterian church by the W. C. T. U. Wednesday at 6 p. m.

Special efforts were made to seat a very large audience Sunday night in the Presbyterian church in the big Preconvention Rally. Mr. A. L. James of the executive committee presided. The special music included a solo by Mrs. Percy Breck; a number by the orchestra and anthem by the Presbyterian choir; trio by Mrs. Breck, Mrs. Swan and Mrs. Sherman Post. The address was given by Dr. E. B. Pyke.

Those in charge of the convention are especially anxious to have a large attendance to welcome the delegates Monday night at the first session of the convention; an informal reception will be a feature and they want to show the visitors a good sample of real Baker hospitality and enthusiastic welcome and still further increase its prestige as a convention city.

All sessions are open to the general public and all are welcome to enjoy the speeches, fellowship and music, conferences of the big convention.

Drive Sick Headaches Away.

Sick headaches, sour gassy stomach, indigestion, biliousness disappear quickly after you take Dr. King's New Life Life Pills. They purify the blood and put new life and vigor in the system. Try them and you will be well satisfied. Every pill helps; every box guaranteed. Price 25c. Recommended by Koepfens.

Apple pie
Crackers and cheese.
DINNER
Soup
Fried rabbit
Mashed turnip
Cranberry or apple sauce
Graham pudding

Baked potatoes
Rolls

Chafing Dish Dainty.

A light but fairly substantial edible, served piping hot, directly from a chafing dish, always adds immensely to the informal Sunday night supper. The chafing dish at one end of the table makes for good cheer, and if a brass teakettle or busy coffee percolator is also simmering on the sideboard near by there will be no necessity to make up a fire in the kitchen.

Creamed salmon is delicious and is easy to prepare in a chafing dish. Using the hot water pan first, brown a little butter and sprinkle crumbled bread into it, turning over until crisp. Set these crisped crumbs aside, and proceed, with the blazer, to make a simple bechamel or cream sauce, first melting a tablespoon of butter, stirring in a tablespoon of flour and adding a scant cup of milk. Season this fairly thick white sauce with salt, pepper and a few drops of lemon juice. Stir in a can of salmon and when steaming hot and ready to serve, shake over the top the browned crumbs. The creamed salmon may be served without the bread crumbs but they add an appetizing flavor, suggestive of the browned crust over a hot dish prepared in the oven.

A Sleeping Screen

A small bed-room stand, on which matches, candlestick and one's watch are within ready reach during the night, must sometimes be omitted

CLUB CALENDAR.

Pendleton Political Equality League meets at the call of the president.

Pendleton Chapter American Woman's League meets at the city hall assembly room at 3 p. m. second Monday in each month.

Class in Parliamentary Law meets at city hall on second and fourth Mondays of each month, at 3 p. m.

from the tiny apartment house bedroom, already filled by bed, dresser and the necessary chairs. An excellent substitute for the convenient stand is a small cretonne covered screen, provided with pockets in which necessary articles may be tucked away. Such a screen may be made from a small clothes horse, such as is sometimes used in the nursery; or if there is a direct draught on the bed from a window, the screen may be a trifle higher—just high enough to protect the head of the sleeper without keeping out the air.

Cover the screen with cretonne matching the hangings of the bedroom, first treating the wood to a coat of white enamel. The pockets are attached to the inner side and in them may be tucked one's bedroom slippers, a small electric flashlight, a box of safety matches, a handkerchief or other things that may be needed during the night, such as sleeping powders, a package of crackers for the victim of insomnia or the thermos bottle holding the baby's milk. One woman who owns such a screen slips her purse and her "transformation" into a pocket the last thing before retiring, so that these indispensable belongings may be ready to hand "in case of fire in the night."

Abundant Health is assured when there is good blood in the veins. Hood's Sarsaparilla is the medicine to make good blood. Begin taking it now. It is just what the system needs at this time and will do you great good. Sharpens the appetite, steadies the nerves.

Oh, How I Itched!

What long nerve-racking days of constant torture—what sleepless nights of terrible agony—itch—itch—itch, constant itch, until it seemed that I must tear off my very skin—then—

Instant relief—my skin cooled, soothed and healed!

The very first drops of D.D.D. Prescription for Eczema stopped that awful itching, and the very next day the D.D.D. touched the burning skin the torture ceased. A 25c bottle proves it. D.D.D. has been known for years as the only absolutely reliable eczema remedy, for it washes away the disease germs and leaves the skin as clear and healthy as that of a child.

All other druggists have D.D.D. Prescription—go to them if you can't come to us—but don't accept some big profit substitute.

But if you come to our store, we are so certain of what D.D.D. will do for you that we offer you a full size bottle on this guarantee—If you do not find that it takes away the itch AT ONCE, it costs you not a cent.
