I have had long and active experience in one line of practice and this enables me to PROPERLY DIAGNOSE diseased conditions and apply the CORRECT TREATMENT to each case. Are YOU sure your doctor understands the real cause of YOUR sickness? Can you afford to entrust your case to physicians of limited experience? Think it over; come to me.

I WILL EXAMINE AND ADVISE ALL SUFFERERS FREE

whether you take treatment or not. Come and find out what your disease really is, and whether or not you can be cured. By the latest and best methods I treat NERVOUS DEBILITY, VARICOSE VEINS AND ULCERS, BLOOD AND SKIN DISEASES, NERVOUS DISEASES, KIDNEY AND LIVER DISEASES, BLADDER TROUBLES, DISEASES OF THE STOMACH, HEART, LUNGS AND BOWELS, PILES AND RECTAL DISEASES, CATARRH, SCIATICA, RHEUMATISM, EAR DISEASES, SCROFULA, ECZEMA and all forms of CHRONIC and NERVOUS DISEASES OF BOTH SEXES.

Don't suffer longer. Come to my office and I will tell you FREE what the NATURE and CAUSE of your ailment really is, and IF and HOW you can be cured and what it will cost. Letters cheerfully answered. My office is open daily from 9 a. m. to 5 p. m., evenings from 7 to 8 p. m., and Sundays from 10 a. m. to 12 noon.

Geoffery O'Hara, recently appointed by the Interior Department at Washington to record the travel songs and music of all American Indians, began his work in New York City last week by taking his first phonographic records of the songs of the Blackfoot Indians from Glacier National Park, Montana. Secretary of the Interior Lane took advantage of the presence of the Blackfoot Indians in New York, where they came to attend the Travel and Vacation show as guests of Louis W. Hill, chairman of the Board of Directors of Great Northern Railway. He sent Mr. O'Hara on to New York, from Washington, to begin his laborious task with these Indians. During the stay of the red men in New York, Mr. O'Hara had them sing into phonographs and the records will be sent on to Washington to be put in the government archives, therefore preserving for all time the music of the original Americans, who are rapidly passing to the Happy Hunting Ground.

The accompanying picture shows the Indians singing to the phonographs under the direction of Mr. O'Hara.

The Indians could hardly grasp the idea at first of how they could sing into a tin horn and thereby record their music. After the first song had been sung, however, the reproduction was given them in a few minutes and the magic of the operation was bewildering to them. They thought it was the most wonderful of all the wonders they have seen, since their Invasion of Greater New York. Mr. O'Hara had them sing daily to his phonograph, while the Indians were in New York, and he is arranging to visit Glacier National Park early this summer and complete his records of the Blackfoot tribe there.

Through the Interior Department arrangements were made to take these records privately in an out of the way loft, second floor of 61 West 37th Street. Mr. O'Hara is a tenor singer and writer of songs of some note. Several of his musical friends prominent in the musical world in New York City and are very much interested with him, in the rhythm of the Glacier Park Indians' love songs. There is one song in particular which the Glacier Park In-

dians sing, in which these musical critics find considerable merit. This is a song descriptive of the Blackfoot Indians' love of his home environment. This is a song which they always have sung when they left the shadows of the Rocky Mountains and rode far over the prairies either on hunting expeditions or to fight the Sioux. Big Top, the Indians' interpreter, says, "His people always sing this song because when they go away from the mountains their hearts are lonely and it makes them think of 'Home, Sweet Home.'" Mr. Louis W. Hill, chairman of the Board of Directors of the Great Northern Railway, who has done much for the Indians of the West in an educational way, both in agriculture and travel, is very much interested in Mr. O'Hara's work and has arranged to accompany him personally on his visit to the Glacier National Park reservation in Montana during the early summer. Mr. O'Hara will take his phonograph with him and make records right in the tepees of these Indians in their own environment.

Bluffton, Ohio.—"I wish to thank you for the good I derived from Lydia E. Pinkham's Vegetable Compound sometime ago. I suffered each month such agony that I could scarcely endure, and after taking three bottles of Lydia E. Pinkham's Vegetable Compound I was entirely cured. "Then I had an attack of organic inflammation and took Lydia E. Pinkham's Vegetable Compound and I am cured. I thank you for what your remedies have done for me and should anything bother me again, I shall use it again, for I have great faith in your remedies. You may use my testimonial and welcome. I tell every

Pentwater, Mich.—"A year ago I was very weak and the doctor said I had a serious displacement.
