**DEAFNESS CANNOT BE CURED.**

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free.

THOMAS FITZ GERALD, Recorder of The City of Pendleton, Oregon

The beautiful country home of the bride's parents, Mr. and Mrs. D. C. Brownell of Umatilla, was the scene Wednesday morning of the wedding of their youngest daughter, Eva, to Mr. Fred Miller Hofer. The ceremony took place at eight o'clock in the presence of the immediate family, relatives and a few friends. The couple, unattended, entered the living room which was profusely decorated in ivy and Crimson Rambler roses. Rev. S. L. Grigsby of the First Presbyterian church of Pendleton, officiated, using the beautiful and impressive ring service.

The bride was handsomely gowned in marquisette over white taffeta and carried a shower bouquet of Bride's roses. Her only adornment was a necklace with cameo clasps worn by the groom's mother at her wedding thirty-two years ago. Mrs. Hofer has a charming personality and has been very popular in Umatilla and Pendleton society circles. The groom is a graduate of the class of '07, O. A. C., completing his course in mining engineering at the University of California. He is a member of the Acacia and the Sigma Xi fraternities.

Mr. and Mrs. Hofer left in the morning for Walla Walla and Spokane. After July first they will be at home to their friends in Mullan, Idaho, where Mr. Hofer holds an important position with the Snowstorm Mining company of Larson.

One of the delightful affairs of the week was the luncheon given yesterday

# We Are Going to Make a Change

Believing that the modern business methods of today are better than the antiquated ideas followed by most of the older meat markets, we have decided to change our business policy.

Commencing July 1, 1913, we are going to sell meats for **cash and cash only.**

By buying here for cash you will secure the finest meats on the market 10 to 15 % cheaper.

The reason is easy to see. Charge accounts mean tied up money and the interest that must be paid on it. Also on the credit system many uncollectable accounts are bound to pile up.

The man who pays cash at the other store is compelled to pay the interest and the bad bills of the credit customers. He gets the rest in meat.

Here you will get 100 cents worth of meat for \$1.00, and all will buy and pay the same.
