ENGLISHMAN HOLDS TITLE

LONDON, July 21.—Ernest Barry, of England, retained the world's sculling championship by defeating Harry Pearce of Australia, two lengths in a four and a half miles race on the Thames.

Burton, "that the reductions of this bill will be permanent. Duties under the existing law must be lowered and others must be removed entirely for we are nearing a more complete, and a more symmetrical development, and the industries which enjoyed precaution may need it in less degree, or not at all, but we are in danger if we take the radical steps proposed."

Chamberlain of Oregon, announced he doesn't feel bound to support the tariff bill in the form which it has been reported by the senate finance committee. He stated absolutely his free support in what is right in the matter.

BRYAN'S POLICY OF DEALING WITH S. AMERICAN REPUBLICS ENDORSED BY WILSON; PROTECTORATE IS PLAN

WASHINGTON, July 21.—Unqualified approval of Secretary Bryan's plan for the United States to extend a protecting wing over Nicaragua was voiced by President Wilson. The president told newspaper correspondents that while the powers might view the plan with suspicion, the United States in "the long run" must demonstrate it doesn't contemplate the occupation of Central America, but desires to assist in its progress.

Central America. The United States, he declared, wishes to adopt particular plans that are best suited to the countries dealt with, adding emphatically that all plans will be submitted first to the republics for approval. The president made it plain the United States would not adopt any plan not thoroughly acceptable to the countries involved. The president declared he favored Bryan's proposal that the Platt amendment, under which the United States became the virtual protector of Cuba, be inserted in the Nicaraguan treaty.

JAPANESE AROUSED OVER DIAZ' TRIP

TOKIO, July 21.—The greatest interest is manifested here in the reported intention of General Diaz to come to Tokio as a representative of the Huerta government. All newspapers comment on the move and nearly all diplomats see a ulterior move in Diaz coming, but don't agree as to the motive behind the trip.

SEATTLE, July 21.—With the socialists preparing to reopen their headquarters, enemies of the mayor are using the recall against him for failure of the police to suppress riots, and his action in placing the city under the riot law. The socialists demand an investigation. The mayor issued a long statement defending his action.

WATSON PRESENT AT LOBBY HEARING AND LISTENS TO LETTERS

WASHINGTON, July 21.—Mulhall resumed his testimony today. Former Congressman Wilson of Indiana, who Mulhall declared received aid from the manufacturers in his gubernatorial campaign in 1908 was present.

Mulhall identified a letter which he alleged was written him by Frederick Schwedman, former secretary of the manufacturers on October 17, 1908. "I believe the time is coming," the letter said, "when we can rally around our friend Watson for president. We are now rallying to his support for governor. We need a man of his type, a man not ashamed of his friends because they happen to be among respectable people."

CANAL WILL MEAN SAVING TO FARMERS

That the completion of the Panama canal will mean thousands of dollars to the farmers of Umatilla county through the raise in grain prices was the statement made yesterday by M. H. Houser, the big Portland exporter who stopped off in the city for a few hours. He estimated that the difference in the cost of charters to Liverpool would mean a difference of at least seven cents a bushel to the grower of the grain and declared that other exporters estimated the increase at about ten cents a bushel.

Peterson made his escape from the hospital about two weeks ago when employed on the dairy force. Yesterday Superintendent McNary was notified that he had been arrested in Walla Walla on a petit larceny charge but in court had confessed to escaping from the Pendleton institution. He will be returned here.

MRS. PANKHURST IS REARRESTED; TO BE SENT TO HOLLOWAY

LONDON, July 21.—Mrs. Emmeline Pankhurst was rearrested under the cat and mouse act while attempting to attend a meeting of the women's social political union. She will be taken to Holloway jail.

Armed with umbrellas, a mob of suffragettes battled desperately with the police to prevent her arrest. Six were arrested after order was restored. Detectives guarded the pavilion, fearing it possible the suffragette leader's double might have been arrested again. It developed later she was Mrs. Pankhurst.

Yesterday was by several degrees the hottest day Pendleton has experienced this summer and probably the hottest for several years. The mercury in the official thermometer yesterday afternoon reached the 107 mark before it stopped climbing. Today, however, the temperature has not reached over 100.

The weather was extremely sultry and there has not been a breath of air stirring. While the discomforts have not reached the point where there has been any general suffering, the heat has had its effect on nearly everyone. Only one case of actual prostration, that of Mrs. Charles Daniels, has been reported so far but almost everyone has the "wilted" feeling. The weather has been particularly hard on small babies.
