

WHEAT CROP IS INCREASED

Four Pacific Northwest States Will Show Gain of 20 Per Cent Over Former Yield.

SPOKANE, Wash., July 21.—(Special.)—Twenty percent increase over last year's wheat crop is the estimate of the 1913 yield of the four Pacific Northwest states, made by the statistical department of the Spokane Chamber of Commerce from figures received from all wheat growing sections.

The crop will be the largest in the history of this section, weather conditions having been ideal for a bumper yield.

The chamber of commerce estimates the 1913 wheat crop of the country tributary to Spokane as 130,000,000 bushels, against 108,658,000 bushels in 1912. About 4,500,000 acres are in wheat in Washington, Oregon, Idaho and Montana, the wheat belts of these four states being the territory of which Spokane is the financial, commercial and industrial center.

In many parts of the Big Bend and Palouse districts yields of between 40 and 60 bushels to the acre are reported.

STOCK MARKET

PORTLAND, July 21.—Receipts for the week have been: Cattle 1304; calves, 133; hogs 2256; sheep 6372.

Cattle market last week steady to strong. Improved beef cattle had bullish effect on prices. Prime steer top \$8.00@8.25 with bulk of steer sales at \$7.75@8.10. Eastern Oregon steers at \$8.60, and cows \$7.75 featured. There has been a keen demand for choice butcher cattle especially cows and heifers. Sales were made in small quantities as the supply was comparatively short. Best cows \$7.75@7.25; heifers \$7.25@7.50; choice calves \$5.50@6.00, and choice light calves at \$9.00.

The hog market was steady to higher. One load of extra fine hogs sold at \$9.40 Friday morning, bulk of light swine sales \$9.15@9.30. Sound packers have been liberal buyers on the market and the light run was quickly absorbed. Swine prices are apparently on a heavy basis at least for the present.

Sheep house business has been slow all week. Demand for both mutton

FACT.

Local Evidence.

Evidence that can be verified. Fact is what we want. Opinion is not enough. Opinions differ. Here's a Pendleton fact.

You can test it. Mrs. William McGregor, 711 Lillesh street, Pendleton, Oregon, says: "I was troubled more or less all my life by weakness of the kidneys. My hands and feet swelled and sometimes my whole body bloated. There was a steady pain in the small of my back and sides and when doing my work it was hard for me to straighten after stooping. When I did stoop, sharp twinges shot through my back and sides. Dizzy spells and headaches were common and I couldn't rest well. In the morning I felt all tired out. It would be hard to describe the misery I went through. I tried a great many remedies and spent a great deal of money for doctors' treatment, but got no relief. Finally I saw Doan's Kidney Pills advertised and the first box I used helped me. Continued use of Doan's Kidney Pills cured the aches and pains in my back and regulated the action of my kidneys. Doan's Kidney Pills gave me a complete and permanent cure and I am now in good health. I am glad to confirm all I have said about Doan's Kidney Pills when I have publicly endorsed them before."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

How to Get Rid of Eczema

An Effective Method that Kills the Germs and Makes New Skin.

Even a Microscope Won't Find a Blemish After S. S. S. Gets Through.

If you bruise your hand, you will notice that a scab forms, and when it falls off, new skin has formed. Did you do it? No! Skin is the same as muscle, bone, sinew, ligament. All are made from the blood, from the materials that your stomach and intestines convert from food into what we call blood. And this blood circulates in the myriad of tiny blood vessels in the skin. Start from your stomach, where blood materials begin, and it won't be long before you are free of eczema. Use S. S. S. for a short time, and not only will eczema disappear, but the entire blood will be renewed.

There is one ingredient in S. S. S. which serves the active purpose of stimulating each cellular part of the body to the healthy, judicious selection of its own essential nutriment. That is why it regenerates the blood supply; why it has such a tremendous influence in overcoming eczema, rash, pimples, and all skin afflictions.

Get a bottle of S. S. S. at any drug store, and you will not only feel bright and energetic, but you will be the picture of new life. S. S. S. is prepared only in the laboratory of The Swift Specific Co., 189 Swift Bldg., Atlanta, Ga.

Beware of any attempt to sell you something "just as good."
