Originality in Dress

YOU know how a Drum Major dresses. He usually displays a lot of originality in the selection of his hat, coat and other essentials. Then, there's the chimney sweep. He also displays much originality in his dress. However, the sort of originality spoken of above does not enter into the minds of most men. In each individual case where a man displays originality in dress it runs more to the way in which he wears his clothes, knots his tie, buttons his coat. In fact, when a man of good taste displays originality in dressing, he is very well dressed—he could not be criticised.

Brandegee, Kincaid & Co. Clothes

offer wonderful possibilities to you and to every man who values dress distinction. In addition to being wonderfully smart, these clothes are perfectly tailored and moderately priced. There isn't a reason why you shouldn't wear them.
