1914 BUICK

The 1914 Buick gives more real value for your dollars than any other line of cars. You can buy cars cheaper than the Buick, but you can't buy them better.

28 H. P. Roadster \$1135 35 H. P. Roadster \$1435
28 H. P. Touring \$1235 35 H. P. Touring \$1535
6 Cylinder 55 H. P. Touring \$2185

These prices are f. o. b. Pendleton, with full equipment, including a \$50 speedometer, eight-day clock, Delco electric starter, and lighting system, wind shield, top, electric horn, extra tire to carry on rear, extra rim, tube and tire cover and set of weed chains

Remember, these cars are equipped with the famous Delco lighting and starting system, and include many features in finish and construction that easily supports our claim that no line of Motor Cars at any price can show more value than will be found in the Buick line for 1914.

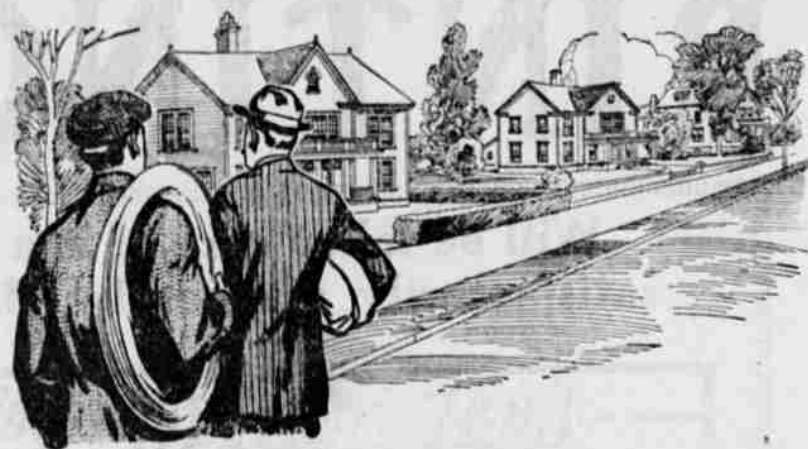

The models B 36 and B 37 have new body lines, that not only add to their attractiveness, but increase the comfort of the occupants.

The same underlying principles of construction are followed in the building of every Buick. No matter what its price, a Buick car must and will give the maximum of that service for which it was intended.

Call and see the car itself and be convinced that Buick cars are "Built up to a Standard and not Down to a Price."

The Telephone a Community Builder

A TELEPHONE system, like the street cars, is an aid to the city's growth and suburban development. It makes it convenient for the city-employed man to live in the suburbs or country. "Handy to business" now means a pretty suburban residence or a home in the real country.

Factories are built where land is cheap.

The population of the over-crowded cities flows out into the country, relieving unsanitary conditions and improving the general health of the community.

The telephone has brought the city and country closer together.

The Bell Telephone system is aiding in the upbuilding and growth of 70,000 communities, and giving impetus to the "back to the land" movement.

Every Bell Telephone is a Long Distance Station.

IF MEALS HIT BACK AND STOMACH SOURS

"Pape's Diapiesin" Ends Indigestion, Gas, Dyspepsia and Stomach Misery in Five Minutes.

If what you just ate is souring on your stomach or dies like a lump of lead, refusing to digest, or you belch gas and eructate, sour, undigested food, or have a feeling of dizziness, heartburn, fullness, nausea, bad taste in mouth and stomach headache, you can get blessed relief in five minutes.

Ask your pharmacist to show you the formula, plainly printed on these fifty-cent boxes of Pape's Diapiesin, then you will understand why dyspeptic troubles of all kinds must go, and why they relieve sour, out-of-order stomachs or indigestion in five minutes. "Pape's Diapiesin" is harmless; tastes like candy, though each dose will digest and prepare for assimilation into the blood all the food you eat; besides, it makes you go to the table with a healthy appetite; but, what will please you most, is that you will feel that your stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for biliousness or constipation.

This city will have many "Pape's Diapiesin" cranks, as some people will call them, but you will be enthusiastic about this splendid stomach preparation, too, if you ever take it for indigestion, gases, heartburn, sourness, dyspepsia or any stomach misery.

Get some now, this minute, and rid yourself of stomach trouble and indigestion in five minutes.

UGH! NOT CALOMEL, OIL OR SALTS, TAKE "CALIFORNIA SYRUP OF FIGS"

Delicious "Fruit Laxative" Cleans Stomach, Liver and Bowels of Old and Young Folks.

A harmless cure for sick headache, biliousness, sour stomach, constipation, indigestion, coated tongue, saltiness—take "California Syrup of Figs." For the cause of all such misery comes from a torpid liver and sluggish bowels.

A tablespoonful tonight means all constipation, poison, waste matter, fermenting food and sour bile gently moved out of your system by morning without griping. Please don't think

of "California Syrup of Figs" as a placebo. Don't think you are drugging yourself or your children, because this delicious fruit laxative can not cause injury. Even the most delicate child can take it as safe as a robust man. It is the most harmless, effective stomach, liver and bowel cleanser, regulator and tonic ever devised.

Your only difficulty may be in getting the genuine, so ask your druggist for a 50-cent bottle of "California Syrup of Figs," then see that it is made by the "California Fig Syrup Company." This city has many counterfeit "fig syrups," so watch out.

DEFENDS THE NEW TARIFF LAW

Senator George E. Chamberlain upholds Wilson tariff as splendid measure and beneficial to nation as a whole. He declares the new law will be beneficial to the farmers of the northwest.

AMUSEMENTS

The Orpheum.

For Thursday's change a two-part Kaleidoscope feature, "The Sacrifice at the Spillway." Suspense is carried all the way through this story of a devoted woman's selflessness. The turn of a lever in the spillway decides between happiness and misery for these two. It turns the right way. Bob loses the captain's anger and he cowardly attacks Bob. He is discharged and Bob gets the position. He plots revenge and pulls a lever which will cause Bob's boat to be ruined. Martha, the discharged captain's forgotten sweetheart decides to sacrifice him so that Bob may be happy with his own sweetheart and she fires the shot that sends her unworthy lover plunging into the roaring cataract.

The Way of Life. Selig. Anatol, a wealthy artist is infatuated with Iris a young fascination. He goes to the country to find a new subject and there falls in love with Marion a modest wild flower. She poses for him and he makes a masterpiece and a conquest. He leaves for the city and promises to return soon and marry her. But he is fickle and when he meets Iris again he forgets Marion. They go laughing on their honeymoon while the forgotten sweetheart walks alone in the shadow.

The Desperate Condition of Mr. Boggs. Edison. Horrible! Boggs has swallowed poison.

Pastime.
Another Selig masterpiece for Thursday and Friday, "The Jeweled Slippers." In two parts. "The Man in the Street" unearths aristocratic smuggling. A man and a monkey can make a lot of trouble, but it is difficult to outwit a clever detective like "The Man in the Street." "The Jeweled Slippers" are brilliant features in a play of mystery and adventure.

Originality takes strange forms of devilry when it comes to smuggling. ultra fashionables vying with low-browed criminals in attempts to cheat the government by dodging the payment of custom duties. An insight into criminal doings is shown in "The Jeweled Slippers."

"A Modest Hero" Biograph. Honored for one day, he decided to keep the habit. This picture features Lillian Gish.

"The Grecian Vase" Edison. Featuring Laura Sawyer. A poor sculptor, enraptured by the beauty of a woman on a Grecian vase, dreams that she leads him to the land of beauty where nymphs and satyrs dance to the intoxicated pipes of Pan.

Cosy.
Your last chance to see those lively girls, Lee and Chandler, in new songs, new costumes and new dances, including the sensational barefoot dance, to-night only.

Coming Thursday:
"Denver's Underworld." The three reel feature picture presenting Judge Ben Lindsey of Denver, Colo., will be shown at the Cosy Thursday and Friday, October 2 and 3. The pictures are thoroughly lectured throughout by Dr. Drummond, special investigator of vice conditions in American cities and explains thoroughly the workings of the Juvenile court. Considerable local interest will be taken in these pictures on account of A. E. McCormack, champion broncho buster of the world at Pendleton, taking part in the picture. He makes a very sensational fall in the first

reel which is purely accidental and it lays him up in the hospital for considerable time. In addition to this excellent bill will be added Mack and Goodwin, high class vocalists, in a novelty singing act. Admission, children 10c, adults 15c.

Alta Theater.

Tonight, for the first time, properly produced in motion pictures, Uncle Tom's Cabin, an Imp three reel subject.

Coming Thursday, Lorraine Keene and associate players in a complete comedy sketch "Up in a Balloon." Also Miss Frances Gerard in monologue and songs.

IF BACK HURTS USE SALTS FOR KIDNEYS

EAT LESS MEAT IF KIDNEYS FEEL LIKE LEAD OR BLADDER BOTHERS.

Most folks forget that the kidneys, like the bowels, get sluggish and clogged and need a flushing occasionally. else we have backache and dull misery in the kidney region, severe headache, rheumatic twinges, torpid liver, acid stomach, sleeplessness and all sorts of bladder disorders.

You simply must keep your kidneys active and clean, and the moment you feel an ache or pain in the kidney region, get about four ounces of Jad Salts from any good drug store here, take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and is harmless to flush clogged kidneys and stimulate them to normal activity. It also neutralizes the acids in the urine so it no longer irritates, thus ending bladder disorders.

Jad Salts is harmless; inexpensive; makes a delightful effervescent lithia-water drink which everybody should take now and then to keep their kidneys clean, thus avoiding serious complications.

A well known local druggist says he sells lots of Jad Salts to folks who believe in overcoming kidney trouble while it is only trouble.
