After a self-made man has been elected to office two or three times he gets the idea that his death would be a public calamity. And maybe it would.

"A Perfect Woman Nobly Planned To Warn, to Comfort and Command"

Nature never intended woman to be delicate, ailing, or a sufferer from "nerves." Women in middle age complain of "hot flashes." Many women suffer needlessly from girihood to womanhood, and from motherhood to middle life, with backache, or headache, dizziness, faintness, or bearing-down sensations. For a permanent relief from these distressing symptoms nothing is so good as

DR. PIERCE'S FAVORITE PRESCRIPTION

as a soothing and strengthening nerve-aid and subdues nervous excitability, irritability, nervous exhaustion, and other distressing symptoms commonly attendant upon functional and organic diseases of the feminine organs. It induces refreshing sleep and relieves mental anxiety and despondency.

The "Favorite Prescription" is known everywhere and for over 40 years as the standard remedy for the diseases of women. Your dealer in medicines sells it in liquid or tablet form; or you can send 50 cent stamps for a trial box of Dr. Pierce's Favorite Prescription tablets. Address Dr. Pierce, Invalids' Hotel, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets regulate and invigorate stomach, liver and bowels. Sugar-coated, tiny granules.
