BIG BUSINESS DONE IN PORTLAND YARDS

CATTLE MARKET HAS ENORMOUS VOLUME OFFERINGS LAST FIVE DAYS.

PORTLAND, Ore., Nov. 3.—Receipts for the week have been, cattle, 1719; calves, 60; hogs, 3813; sheep, 6531.

An enormous volume of business has been transacted in the cattle market during the last five days, particularly Monday and Tuesday. Receipts totaled a 1913 record for a short period and as they followed an abnormal liquidation the week before, beef outlet would have been hopelessly closed if prices had been firm. It was a buyers' market mostly, but good steers did not sell udner $7.25. The bulk of steer transactions averaged $6.75 to $7.15. Butcher stock was weak only in spots. Cows and heifers sold sharply lower, but bulls and stags maintained some degree of firmness. A small lot of heifers selling at $6.75 featured. Bulk of cow stuff brought $6.00 to $6.25 with occasional sales in small lots at $6.35 and $6.50.

Ewine market suffered very little from an advanced liquidation and steady bear pressure. Best light hogs were sold at $8.25 and $8.30 right up to the close and demand was steady. The week's receipts have been above the average, both in quantity and quality. Smooth heavy stock brought good prices. Trade does not seem to be oversupplied at present, but November receipts are likely to be heavy.

Sheep house came to life once more the first opportunity it has had in a fortnight. Receipts were not record-breaking, but of fair volume and a good proportion was wethers, lambs and yearlings. Ewe stock was not choice, but demand is good for this class. Prime yearlings are up a quarter and wethers at $4.25 to $4.50 fancy wethers sold off the cars Friand ewes at $4, with one load of extra day at $5.10 and one load on the fill at $5, but they were exceptional, the best seen on this market. Lamb trade is firmer at $5.75, although few sales were made, due to sohrt supply. Generally the lamb and sheep markets are steady to higher.

Representative sales have been as follows:

27 steers	1234	$7.50
25 steers	1160	7.25
73 steers	1169	7.85
89 steers	1124	6.85
10 bulls	1490	5.75
5 heifers	1500	5.50
14 heifers	1050	6.75
1 stag	1310	6.00
2 cows	1070	7.00
63 cows	1026	6.25
54 cows	985	6.15
220 cows	994	5.75
1066 lambs	78	5.60
241 wethers	83	4.50
258 ewes	96	4.50
358 ewes	96	3.60
204 yearlings	92	4.85
91 shearlings	99	4.10
246 wethers off cars	95	5.10

Mrs. William McGregor, 711 Lilleth street, Pendleton, Oregon, says: "I was troubled more or less all my life by weakness of the kidneys. My hands and feet swelled and sometimes my whole body bloated. There was a steady pain in the small of my back and sides and when doing my work it was hard for me to straighten after stooping. When I did stoop, sharp twinges shot through my back and sides. Dizzy spells and headaches were common and I couldn't rest well. In the morning I felt all tired out. It would be hard to describe the misery I went through. I tried a great many remedies and spent a great deal of money for doctors' treatment, but got do relief. Finally I saw Doan's Kidney Pills advertised and the first bex I used helped me. Continued use of Doan's Kidney Pills cured the aches and pains in my back and regulated the action of my kidneys. Doan's Kidney Pills gave me a complete and permanent cure and I am now in good health. I am glad to confirm all I have said about Doan's Kidney Pills when I have publicly endorsed them before."

SUCCESSFUL ROOT AND HERB REMEDY.

The study of roots and herbs, their character and power over disease, was what led Lydia E. Pinkham of Lynn, Mass., to produce for woman's ills the most successful remedy the world has ever known, and while she passed to her reward some years ago, her work among suffering women is still carried on by trained assistants and many tons of roots and herbs are consumed annually in the manufacture of the now famous Lydia E. Pinkham's Vegetable Compound, as originated by her.—Adv.

FEW CASES TUBURCULOSIS HAVE BEEN REPORTED

EDMONTON, Alta., Nov. 3.—Not a solitary case of consumption has originated in Edmonton since the beginning of 1911, according to an official report submitted by Dr. T. H. Whitelaw, medical health officer. Fourty-four cases were reported during the first 10 months of 1913 and of these 20 resulted fatally, principally because they were in the advanced stage of the disease. Twelve were between 20 and 30 years of age, three each between 31 and 40 and 41 and 50 years of age and two between 51 and 60 years of age. The nationalities given are: American, Canadian, English, Scotch, Irish, Welsh, Danish, Finish, Swedish, Russian, Galician, German, Italian, Norwegian, Chinese and Japanese. Dr. Whitelaw reports that 29 of the 44 cases were admitted to the isolation hospital and thereby did not become a menace to the community. He recommends the maintenance of a sanitorium somewhere in the province for the treatment of patients.

MOTORCYCLISTS START RACE ACROSS ARIZONA DESERT

PHOENIX, Ariz., Nov. 3.—Only indirect word was heard here today from the motorcyclists who today are well on their way on their race across the desert. The run is from San Diego to Phoenix and was planned to be held in conjunction with the Arizont state fair week program which is on in full swing today. The motorcyclists left San Diego yesterday. If the cyclists complete the run it will be the first time that motorcyclists have ever crossed the desert.

BIG SHIPMENT OF CATTLE AT ECHO

NEARLY 2000 HEAD BROUGHT IN, THE BIGGEST LOAD ARRIVING THIS FALL.

(Special Correspondence.)

ECHO, Ore., Nov. 3.—The largest shipment of cattle received here this fall at any one time, came in last Friday when J. B. Saylor, Zoeth Houser and E. C. Fish arrived with a special train consisting of 39 cars of stock cattle, total of 1417 head. Of these, 991 were yearlings. Thirty-two 2-year-olds belonging to Mr. Houser, 162 cows and four calves to Mr. Fish and 228 head to Mr. Saylor.

The cattle were bought in Harney valley and shipped from Juntura, a station on the new branch line of the O.-W. R. & N., 75 miles above Vale.

D. E. Clark, live stock agent of the O.-W. R. & N. accompanied the shipment the entire way and telegraphed ahead for engines and crews so that no unnecessary delay occurred in the trip. The run of 400 miles was made in 22 hours and 45 minutes. From Huntington to La Grande it was necessary to use two engines and from La Grande to Kamela at the summit of the mountain it required three locomotives to haul the train.

HARVESTER CO. TRIAL IS ON AT ST. PAUL

ST. PAUL, Nov. 3.—With Judge W. H. Sanburn presiding, the trial of the International Harvester Company for violation of the Sherman anti-trust law was begun in the federal court here today. The trial is the climax of one of the most unusual series of hearings ever conducted for the purpose of gathering evidence.

ECONOMY AND EFFICIENCY DISCUSSED AT CONVENTION

NEW YORK, Nov. —Economy and efficiency methods for customs service administration were discussed today in a conference in the New York custom house at which all customs collectors gathered upon order of Secretary of the Treasury McAdoo. He recommended improvement suggestions from within the service instead of from committees appointed from among outsiders as heretofore.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials.
