"Flaming Hearts," Vitagraph. Featuring John Bunny, Hughie Mack and Josie Sadler. They are three of a size. The author, his secretary and the sentimental damsel. She asks the author to call and he is delighted but very bashful. Not so his secretary, who impersonates his employer while he is at a nearby saloon trying to get more courage. The secretary wins the lady and the author tries to commit suicide in vain.

"His Secret," Biograph.

Pastime Today.
Retribution overtakes a man whose villainies have brought degradation to a rival, in the new Kaleem two-part production The Fatal Shot. This absorbing feature will be presented at this theater today. Herbert Myles and Ethel Phillips play the leads. Rodger and Donald are the rivals for Amy's hand, Donald is the victor. Rodger vows to get his rival out of the way. There is a theft and Donald the hero is supposed to be guilty. Amy marries the villain, Roger, but of course all comes right in the end. This is an interesting picture and one you will make no mistake in seeing.

In the Vitagraph, Peggy's Burglar, we have a comedy of the better sort. Peggy slides down the laundry chute at the girls' school to evade the principal and lands on a real burglar, whom she captures. Edith Storey and Harry Lambert have the leads. On the same reel is Patty's Affair of Honor. Hughie Mack fights a very humorous duel with a bogus count. The laughing finish is better to be seen than talked about.

Interesting indeed is a stirring western drama, entitled Broncho Billy's Oath, with G. M. Anderson in the leading role.

Cosy.
Chief Silver Tongue, the great Indian singer will sing "Annie Laurie," and "The Silvery Colorado," on Friday and Saturday. Matinee Saturday, Condit, Downs and Condit, the three funmakers, will put on a western comedy playlet entitled, The Bachelor's Courtship, Friday night, Saturday matinee and Saturday night. Lots of ginger and laughs in this act.

"The Ghost" (2 reels) Domino. An Irish story with some extra fine interior and out-of-doors scenes. Tim used the "pig money" to buy drink. Falling asleep he dreamed that he was dead, and that his ghost was wandering about unrecognized. By the use of clever photography his spirit form is shown. On awakening he decides to reform. An unusually good Irish offering.

"The Praves Man," Majestic. The manner in which the lame boy saved the ranch foreman from death in the burning house, and was voted "the bravest man" by the cowboys, makes a lively, human-interest story. Mutual Weekly.

Alta Theater.
Complete change in program again tonight. Frank Rich's company will present "My Friend from Australia," one of the cleverest small musical

Two Episodes of Artemus Ward.
Artemus Ward (Charles Brockton Brown) was not only a humorist, but a philosopher and his humor often expressed more in a sentence than a philosopher could in an essay. By an absurd presentation he ridiculed absurdity, making his humor an effective weapon against those opponents whose doctrines needed only to be exposed to become ridiculous. His great strength, however, lay in his presentation of the commonplace in his droll, humorous way. For example: there had been a recent arrival in Mr. Ward's home; friends were smoking his cigars and offering congratulations; a lady, wishing to preserve formality, said, "Mr. Ward, this is quite an episode." "Yes," replied Ward, "Two episodes, in fact. Twins, marm, twins." There are two episodes in "A Bachelor's Honeymoon." Twins, marm, twins. Lively, laughing, loving twins. You laugh with them, you laugh at them and at the Bachelor. And when it is all over, you want to take them with you, the twins in "A Bachelor's Honeymoon" at the Oregon Theater on Sunday, November 23.

"Within the Law."
The much talked about "Within the Law," written by a former newspaper man, Bayard Veiller, and with a phenomenal record of popular success in both Chicago and New York, as well as in England and far-off Australia, comes to the Oregon theater, on December 9th.

Upon the merits of this drama many public men of importance, including President Wilson and Theodore Roosevelt, have expressed themselves eloquently and at length. By general consensus of opinion it has been pronounced the strongest play of its kind produced in this country for a generation or more. Of Margaret Illington's portrayal of the stellar role the critics have only praise, and that of the most unqualified sort, to offer. In Chicago, where she has just concluded a sensational run of many months to record-making crowds, Miss Illington was obliged to give two performances a day and, on the farewell day of her stay, she established a record for endurance by appearing three times as the persecuted heroine of the Veiller drama.

Miss Illington has for more than half of the ten years of her stage career played in crime dramas—first, as the creator of the title-role in Bernstein's "The Thief," then as the woman of the tempests led into dishonesty because of mother-love in "Kindling," and now as a persecuted shop girl who turns upon the law and employs its technicalities to what the law has forced her to be in the remarkably appealing Veiller drama. And yet, beyond the fact that the central figure in each of this cycle of plays committed larceny, the psychological aspects of the trio of roles are as far apart as the poles. The very appeals of the three plays are diametrically opposed.

In "Within the Law" Miss Illington is surrounded by a large and excellent supporting cast which includes Howard Gould, Neil Moran, Frank E. Camp, Robert Elliott, Hilda Keenan, Sonia Jasper and a dozen others.

TASTE FOR "RAGTIME" BEGINNING TO DIE OUT

CLEVELAND, O., Nov. 21.—That the taste for "ragtime" is dying out was the belief of the managers of the municipal popular concerts, following the record breaking attendance at the initial concert of the season some days ago and at ensuing concerts. The "Pop" concerts are so distinctly a Cleveland institution as they are an institution in Boston. The city has contracts with a large orchestra, composed of Cleveland musicians. They played in the parks this summer and entertained thousands—but not as "entertained." They played mostly classic selections with a few "popular" pieces mixed in. But that was a free concert.

When the season for indoor concerts opened this month in the Hippodrome with seats at 25 cents each and the announcement was made that no "ragtime" and only a little "popular" music would be on the program, the success of the "pops" was regarded as doubtful by many. But the attendance at the concerts so far has dispelled all doubts as to the concert's future popularity and caused Herr Timmer the director, to declare his belief that the craze for "ragtime" was dying and that "real music" was again coming into its own. The "pop" concerts are Sunday institutions and are furnished to the people of Cleveland at cost.

DYNAMITE ENDS LIFE OF OLD PROSPECTOR

MEDFORD, Ore., Nov. 21.—William Laddington, aged 88 years, for half a century a miner and prospector on Evan creek, met a horrible death in his cabin home. Neighbors heard an explosion and saw the glare of flames. They found Laddington's charred and mangled remains lying in the ashes of his cabin.

Death was probably caused, in the opinion of Coroner A. E. Kellogg of Gold Hill, who went to investigate, by the explosion of four or five sticks of dynamite the old miner kept in his cabin.

Laddington came to Oregon in 1852 and was a central figure in the mining activity of those days. He wrested a fortune from the earth then, but of recent years he has received a monthly allowance from the county. He was born in Kentucky.

BAR ASSOCIATION FAVORS NONPARTISAN JUDICIARY

Oregon's bar association yesterday went on record as favoring a non-partisan judiciary at a meeting held in Portland. A resolution endorsing the abstract proposition was passed by a vote of 25 to 25 after a very radical resolution introduced by Clarence Reams had stirred up a spirited fight which resulted in the elimination of the more drastic features of the original plan.

The resolution as finally adopted reads: "Resolved, That the Oregon Bar Association favors the enactment of a law that will provide for the election of a nonpartisan judiciary." By amendment it was voted that a committee of the bar association should be appointed to confer with other organizations in drafting a bill to be presented to the next legislature. A motion to put up a bill by initiative was lost. The following were the provisions of the Reams resolution: "First—That no candidate for a judicial office in the state of Oregon shall hereafter be nominated by any political party.

Second—That no candidate for a judicial office within the state of Oregon shall be permitted to have printed after his name on any official ballot any party designation whatsoever.

Third—That it shall be unlawful for any candidate for any judicial office within the state to place upon any campaign card, picture or other advertising matter any information that will advise the voter of the political affiliation of the candidate.

Federal Judge Robert S. Bean, who sat in Pendleton on the Columbia George case, was elected president of the association and Will M. Peterson of this city was named as vice-president from this district. The following are the other officers elected: Bert E. Haney, secretary; Chas. J. Schenk, treasurer.

Executive committee—Oscar Hayter, J. N. Teal, Albert B. Ridgeway, W. M. Davis, R. A. Letter, W. T. Slater and R. W. Montague.

Sherwood of Coquille; Third district (Marion and Linn), John H. McNary of Salem; Fourth district (Multnomah), Robert T. Platt; Fifth district (Clackamas, Columbia, Clatsop, Washington), W. H. How to Overcome a Bad Constipation

There is a Mild Laxative That Will Bring Safe and Pleasant Relief Over Night.

It is only natural that the simplest of ailments should be the most general and so we have a whole nation suffering from constipation and indigestion, for they are closely allied. But common as constipation is many people do not seem to know they have it. They will complain of headache, drowsiness or biliousness, all unconscious of the cause of the trouble.

You should have a full and free movement at least once a day. If you pass a day you are constipated, and the result will be that you will catch a cold easily or have a more serious ailment. To cure the constipation and forestall still graver trouble take a dose of Dr. Caldwell's Syrup Pepsin at night before retiring and by morning relief will come, without disturbance from sleep or any inconvenience.

Legions of people use it regularly in such emergencies, some of them formerly chronic invalids who had suffered from constipation all their lives. Mrs. N. Frantz, 67 Eighth St., Salem, Ohio, took physics for years, and, worst of all, without much avail. Finally she began to take Dr. Caldwell's Syrup Pepsin and today she is no longer troubled and eats what she likes. Many others will tell you that they have tried most things recommended for this purpose but have found Syrup Pepsin the only one always reliable. A bottle can be ob-

tained at any drug store for fifty cents or one dollar the latter size being bought by families already familiar with its merits.

Syrup Pepsin is mild, pleasant-tasting and non-gripping. Mothers give it to tiny infants and yet it is effective for grownups. It is for everyone who suffers from any form of stomach, liver or bowel trouble, constipation, dyspepsia, biliousness, etc. Its action will so delight you that you will forever avoid harsh cathartics, purgatives, pills and salts. Families wishing to try a free sample bottle can obtain it postpaid by addressing Dr. W. B. Caldwell, 419 Washington St., Monticello, Ill. A postal card with your name and address on it will do.

honors of mayor, as no such official is provided for by the new charter. The other members are John Gardner, a railroad engineer, and J. A. Russell, a meat dealer. The only other business was to ask and secure the consent of all city officers to retain their respective positions until permanently appointed or until relieved. Dr. M. K. Hall was the retiring mayor.

IMPORTANT DECISION MAY AFFECT UTILITIES

JEFFERSON CITY, Mo., Nov. 20.—Decision of the question of whether a utility company that buys electric power from a water electric generating plant can also maintain a steam plant of its own for emergency purposes and figure the same in as part of its operating expenses in fixing rates is expected here in a few days by the state public service commission which has been investigating complaints of

SALTS IF KIDNEYS OR BLADDER BOTHER

HARMLESS TO FLUSH KIDNEYS AND NEUTRALIZE IRRITATING ACIDS.

Kidney and bladder weakness result from uric acid, says a noted authority. The kidneys filter this acid from the blood and pass it on to the bladder, where it often remains to irritate and inflame, causing a burning scalding sensation, or setting up an irritation at the neck of the bladder, obliging you to seek relief two or three times during the night. The sufferer is in constant dread, the water passes sometimes with a scalding sensation and is very painful; again, there is difficulty in voiding it.

Bladder weakness, most folks call it, because they can't control urination. While it is extremely annoying and sometimes very painful, this is really one of the most simple ailments to overcome. Get about four ounces of Jad Salts from your pharmacist and take a tablespoonful in a glass of water before breakfast, continue this for two or three days. This will neutralize the acids in the urine so it no longer is a source of irritation to the bladder and urinary organs which then act normally again. Jad Salts is inexpensive, harmless, and is made from the acid of grapes and lemon juice, combined with lithia, and is used by thousands of folks who are subject to urinary disorders caused by uric acid irritation. Jad salts is splendid for kidneys and causes no bad effects whatever.

Here you have a pleasant, effervescent lithia-water drink, which quickly relieves bladder trouble.
