

Suffered with Throat Trouble.

Mr. Barnes used to be Sheriff of Warren County, Tennessee. From exposure to the elements he acquired throat trouble. He supposed that his health was entirely ruined, in spite of all the treatment he could procure.

MR. B. W. D. BARNES, McMinnville, Tenn.

After using four bottles of Peruna he claims that he was entirely restored to health. Catarrh of the throat is not only an annoying disease of itself, but it exposes the victim to many other diseases. We are constantly breathing into our throats numerous atmospheric germs. Disease germs of all sorts. This cannot be avoided. If the throat is healthy the system is protected from these poisonous germs. But if the throat is raw and punctured with numerous little ulcers, by catarrh, then the disease germs have easy access to the system.

Best Cough Medicine for Children. "I am very glad to say a few words in praise of Chamberlain's Cough Remedy," writes Mrs. Lida Dewey, Milwaukee, Wis. "I have used it for years both for my children and myself and it never fails to relieve and cure a cough or cold. No family with children should be without it as it gives almost immediate relief in cases of croup." ONLY ONE HOLIDAY FALLS ON SUNDAY

Holidays this year are well distributed among the seven weekdays, only three falling on the same day and only one coming on a Sunday.

The first holiday was Thursday, January 1, and the next will be February 12, the anniversary of Lincoln's birth. That's all Thursday gets out of the shuffle except Thanksgiving, which falls on November 26 this year.

The Sunday holiday is Washington's birthday, February 22.

Monday draws one, Labor day, which will be September 7. Christmas will be on a Friday.

St. Valentine's day, February 14, will be on Saturday. The Fourth of July will also fall on Saturday. Those who persist in April fooling will do it on Wednesday—and the Halloween tricksters will do the job on a Friday night. There are three hoodoo days—Friday the thirtieth in the new year, one in February, one in March and one in November.

RENO NO LONGER THE POPULAR DIVORCE CENTER

RENO, Nev., Jan. 3.—As a divorce center, Reno went into the has-been class when the new divorce law requiring a year's residence before application can be made for divorce went into effect. It is now just as hard in Nevada to shuffle off the bonds of matrimony as in any other state. The divorcees who are already here going through the process of separating themselves from their wives or husbands will be permitted to finish their task but hereafter none others but genuine, one-year-at-least residents need apply. Reno's reputation as a divorce colony was made by the rush which followed the passage of an easy divorce law. Actresses, society women and others flocked here in droves.

Prominent among them was Mrs. Margaret Emerson McKim, daughter of Isaac Emerson, "Bromo Seltzer King," who married Alfred G. Vanderbilt after her divorce from Scott Hollis McKim. Virginia Harned secured her divorce from E. H. Sutherland here. Edna Goodrich came here to get a divorce and immediately afterwards married Nat Goodwin, whom she has since divorced. Others who were divorced here were: Mrs. Florence Jenkins, of Baltimore; Mrs. Henry Hutt, wife of the artist; William E. Corey, who afterward married Mabelle Gilman; Phillip Dodge, president of the Mergenthaler Linotype company and R. M. Buddington, known as "the father of the divorce colony."

CHICAGO PREPARES FOR DE LUXE SWIMMING HOLE

CHICAGO, Jan. 2.—Chicago will have a swimming hole de luxe in operation when the mercury begins its first climb next summer. The beach commission of the city council today agreed upon plans for a bathing beach to cost \$330,000 with a frontage of 738 feet and built along the north shore, already popular with bathers.

Plans for construction of the new beach were made after the commission visited Atlantic City and several other eastern summer resorts. The main bath house will be of brick, stone and concrete. There will be a pavilion, a broad promenade, a kindergarten for the youngsters and a nursery where mothers may leave their babies while they romp in the lake.

SCALP TROUBLE FOR OVER TEN YEARS

Small Bunches on Scalp, Itched, Formed Scale, Hair Came Out, Cuticura Soap and Cuticura Ointment Cured in Two Mo. ths.

308 Harrison St., Elyria, Ohio.—"My case was a scalp trouble. I first noticed small bunches on my scalp which commenced to itch and I would scratch them and in time they got larger, forming a scale or scab with a little pus, and chunks of hair would come out when I would scratch them off. It caused me to lose most of my hair. It became thin and dry and lifeless. I was troubled for over ten years with it until it got so bad I was ashamed to go to a barber to get my hair cut.

"I tried everything I could get hold of, and — but no good — until I commenced using Cuticura Soap and Ointment when the scale commenced to disappear. The way I used the Cuticura Soap and Ointment was to wash my scalp twice a day with warm water and Cuticura Soap and rub on the Cuticura Ointment. I received benefit in a couple of weeks and was cured in two months." (Signed) F. J. Busber, Jan. 28, 1913.

Why not have a clear skin, soft white hands, a clean scalp and good hair? It is your birthright. Cuticura Soap with an occasional use of Cuticura Ointment will bring about these coveted conditions in most cases when all else fails. Sold throughout the world. Liberal sample of each mailed free, with 22-p. Skin Book. Address: post-card "Cuticura, Dept. T, Boston."

Men who shave and shampoo with Cuticura Soap will find it best for skin and scalp.

The commission will recommend that persons not in bathing costume be barred from the sand and compelled to remain on the promenade. A space will be roped off for the exclusive use of women bathers and the remainder of the beach will be left open for mixed bathing. The commission proposed that the city make the nominal charge of 10 cents for adult bathers and five cents for children under fifteen to make the beach self-sustaining.
