\$2.50 Full dress shirts	\$2.14

## Woman and Her Varied Interests

Social and Club News, Personals, Fashions, Home Hints and Other Items of Interest to the World Feminine.

## SOCIETY

Taking advantage of the visit of Dr. Emil Enna, prominent Portland pianist, in this city, Mrs. John Ross Dickson invited her pupils and many friends yesterday afternoon to her home on the south hill and they were entertained by a very interesting talk on Scandinavian music by Dr. Enna. He also played a number of Scandinavian selections on the piano and his hearers were delighted with them. His associate, Robert Lovell Wilson, a baritone of beautiful voice, also sang several numbers.

In the evening, Dr. Enna and Mr. Wilson appeared at the Alta theater before a rather small but very appreciative audience of music lovers. Their program was one of the best treats of its kind Pendleton has had for several years. The program rendered follows:

- Part One.
  - Fantasia in D Minor... Stenhammer
  - Emil Enna
  - Four Indian Love Lyrics from "The Garden of Kama".....
  - ..... Amy Woodforde Finden
  - "The Temple Bells."
  - "Less Than Dust."
  - "Kashmira Song."
  - "Till I Wake."
- Robert Lovell Wilson

- Part Two.
  - "The Vagabond"..... James L. Malloy
  - "If I Were a Rose".....
  - ..... Edouard Hesselberg
  - "Molly Brannigan".....
  - ..... S. Villiers Stanford
  - "Mifanwy"..... Dorothy Foster
  - "Good Bye"..... Tosti
  - "The Charnel Cup"..... Jos. L. Roedel
  - ..... Robert Lovell Wilson
  - "Lock Lomond"..... "Three Lyric Pieces," "From My Children's Album,"..... Emil Enna

The members of the class from the Hawthorne school that enters the high school this mid-year, were entertained by the B class of the eighth grade with the assistance of their teacher, Miss Sarah Ruggles last Saturday evening at the home of Miss Ruggles.

A short program, consisting of musical numbers and recitations was given by the members of the grade, and later all joined in playing lively games. The boys of the B class had provided a treat of candy, and the girls served a nice lunch of sandwiches, cake and chocolate. The young people expressed themselves as being well pleased with their entertainment, and also having spent a pleasant and profitable school term.

Friends and neighbors tendered Mrs. M. L. Stockman a very pleasant surprise party last evening at her home on Garfield street. About twenty-five in number, they called upon her without previous announcement and spent a very enjoyable evening. Refreshments were served.

Dr. and Mrs. F. W. Vincent have returned from Portland where they attended the Stewart-Furnish wedding.

Miss Nellie Anibal will spend the week in Walla Walla as the guest of Miss Malen Burnett.

Heartburn, indigestion or distress of the stomach is instantly relieved by HERBINE. It forces the badly digested food out of the body and restores tone in the stomach and bowels. Price 50c. Sold by all dealers.

—Adv.

Short Courses for Painters. AMES, Ia., Jan. 21.—While many states have "short courses" of instruction for the benefit of farmers, fruit growers and stock raisers, and even house wives, in connection with the educational scheme of state colleges, Iowa has broken the ice in the way of industrial education by organizing the first short course for painters and decorators held in connection with the state convention of union painters and decorators.

The engineering college has charge of the work and the first session found 150 painters and decorators from all over the state in attendance. It was expected that the short course for other trades will be a feature in the future and is likely to spread to other states. Tradesmen and manufacturers in Massachusetts, Connecticut, Pennsylvania, Ohio, Illinois, and Wisconsin are investigating the idea with a view of organizing similar courses in their states. With the passing of the apprentice system of education, the short course under the state auspices is thought to be the next step toward education of mechanics in many lines.

Wonderful Cough Remedy. Dr. King's New Discovery is known everywhere as the remedy which will surely stop a cough or cold. D. P. Lawson of Edison, Tenn., writes: "Dr. King's New Discovery is the most wonderful cough, cold and throat and lung medicine I ever sold in my store. It can't be beat. It sells without any trouble at all. It needs no guarantee." This is true, because Dr. King's New Discovery will relieve the most obstinate of coughs and colds. Lung troubles quickly helped by its use. You should keep a bottle in the house at all times for all the members of the family, 50c and \$1.00. All druggists or by mail.

H. E. Bucklen & Co., Philadelphia or St. Louis. —Adv.

One kind of a nuisance is always telling you that "you ought to take something for that before it is too late."

The work must be closely and evenly done, or the edge will not have the clean cut look so essential to its beauty. The buttonhole scallops should be well padded before working, for the raised scallops make the delicate festoon work more noticeable.

Mrs. Blake Given \$10,000 a Year. NEW YORK, Jan. 21.—Mrs. Joseph A. Blake, the famous surgeon's wife, was granted a separation decree with an allowance of \$10,000 annually.

## NERVOUS DYSPEPSIA GAS OR INDIGESTION

Each "Pape's Diapepsin" Digests 3000 Grains Food, Ending All Stomach Misery in Five Minutes.

Time it! Pape's Diapepsin will digest anything you eat and overcome a sour, gassy or out of order stomach surely within five minutes.

If your meals don't fit comfortably, or what you eat lies like a lump of lead in your stomach, or if you have heartburn, that is a sign of indigestion.

Get from your pharmacist a fifty-cent case of Pape's Diapepsin and take a dose just as soon as you can. There will be no sour risings, no belching of undigested food mixed with acid, no stomach gas or heartburn, fullness or heavy feeling in the stomach, nausea, debilitating headaches, dizziness or intestinal criping. This will all go, and, besides, there will be no sour food left over in the stomach to poison your breath with nauseous odors.

Pape's Diapepsin is a certain cure for out of order stomachs, because it takes hold of your food and digests it just the same as if your stomach wasn't there.

Relief in five minutes from all stomach misery is waiting for you at any drug store.

These large fifty-cent cases contain enough "Pape's Diapepsin" to keep the entire family free from stomach disorders and indigestion for many months. It belongs in your home.

## SAGE AND SULPHUR DARKENS GRAY HAIR

IT'S GRANDMOTHER'S RECIPE TO RESTORE COLOR, GLOSS AND THICKNESS.

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless, is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful, and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture by asking at any drug store for a 50 cent bottle of "Wyeth's Sage and Sulphur Hair Remedy," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. Besides, it takes off dandruff, stops scalp itching and falling hair. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies with Wyeth's Sage and Sulphur is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

## TWO OF A KIND.

A man walked on the railroad track. But didn't hear the whistle. And all they found of his remains, Was whiskers on a thistle. Just like the man who with cement Put up a building tall. He was on top when the building fell And wasn't found at all. The moral is—when you've got to walk Walk on a brick paved street And when you build, build out of brick For brick are hard to beat.

BEST COMMON BUILDING BRICK ALWAYS ON HAND. Correspondence solicited.

## EXPERIMENT STATION FOR GRANTS PASS, ORE

WASHINGTON, Jan. 20.—Congressman Hawley has been working to have a mining experiment station established at Grants Pass, Ore., to assist the miners of Southern Oregon in their industry, which has become one of the most important in the state. He has a bill pending in the house proposing the establishment of such a station, under the management and control of the bureau of mines, but with a mining engineer in charge at a salary of \$4000 per annum, a metallurgical chemist at a salary of \$3000 per annum, and an assistant at \$2000. It is proposed that \$25,000 also be appropriated to establish equipment and maintain the laboratory or experiment station.

The need of such a laboratory, it is claimed, is apparent, but to make the need all the more noticeable, Mr. Hawley is also endeavoring to secure the mapping of the Dothan quadrangle during the coming season, and has recently had this matter up with the director of the United States geographical survey. The director advises Mr. Hawley that the same will receive his careful consideration, and he hopes to have the cooperation of the state of Oregon and the United States forest services in making the survey. Congressman Hawley has taken the matter up with the Grants Pass Commercial club and the state engineer of Oregon, and believes that he will secure the cooperation of all parties interested and that the survey will be made during the coming season.

Lame back may come from overwork, cold settled in the muscles of the back, or from disease. In the two former cases the right remedy is BALLARD'S SNOW LINIMENT. It should be rubbed in thoroughly over the affected part, the relief will be prompt and satisfactory. Price 25c, 50c and \$1.00 per bottle. Sold by all dealers.—Adv.

To Tango on Streets. DENVER, Jan. 21.—An old fashioned "Stockmen's Masquerade Ball" will be tonight's feature of the National Stock show celebration in progress here this week. Under the auspices of the Denver Press club, arrangements have been made for the dancing to take place not only in the City Auditorium but for four blocks along Champe street, downtown. There will be music on every street corner from Fourteenth to Eighteenth streets so that those desiring to tango or turkey trot in the open may do so. It is expected that several thousand persons will participate in the ball.

Any little wound or abrasion of the flesh occurring in cold weather that is not promptly treated becomes a bad sore and is difficult to heal. Apply BALLARD'S SNOW LINIMENT at once when such accidents happen. The wound heals promptly and soon does away with the annoyance of a bandage. Price 25c, 50c and \$1.00 per bottle. Sold by all dealers.—Adv.

### HORSE PUT ON PENSION LIST.

Mick, After Twenty-Six Years' Service, Turned Out to Pasture. JUNCTION CITY, Kan., Jan. 19.—Mick, the only horse on Uncle Sam's pension list, is enjoying his new freedom in a pasture on the military reservation at Fort Riley, Kan., after 26 years of continuous service. So far as the post records show he is the only army horse that was ever pensioned. All of them are condemned when their period of usefulness has expired and are sold at auction. Mick's long service and unusual qualities saved him from this fate and he will be kept at Fort Riley until he dies. Mick is 33 years of age. He was purchased for army use in 1887 for

\$150, about half of the amount now paid by the government for artillery horses. He was assigned to a battery as wagon horse and served in that capacity until eight years ago, when he was promoted to chief section horse and was ridden by the sergeant in command of the section until his retirement a short time ago.

Within the last eight years Mick has developed unusual talents for a horse without high school training and has won a number of medals and blue ribbons for performances entirely out of line of his duties. He took a blue ribbon in a Roman race at the St. Joseph's military tournament six years ago, and that race is still discussed by the older men of the army who were there. As a jumper he also has a good record and in spite of his age clears the bars in good shape.

Mick is a veteran, too, having served in Cuba during the Spanish-American war. Until his retirement he was with Battery D of the Sixth Field Artillery, and has been stationed at Fort Riley for a dozen years.

At the post he is known as the horse that cleans his teeth. After each meal he hunts out a pocket rope and rubs his teeth across it until they are thoroughly cleaned.

### To Urge Rural Credits.

ALBANY, N. Y., Jan. 21.—Rural credits, co-operative movements, the development of agricultural resources and the extension of agricultural education, will be urged upon the New York state legislature at its next regular session by the New York State Agricultural Society, which today concluded its two day convention.

### RESERVOIR FOR BAKER SECURED BY SINNOTT

WASHINGTON, Jan. 21.—Representative Sinnott secured a favorable report from the house committee on public lands on a bill which has passed the senate without drawing from entry 160 acres of land in Baker county, Oregon, to be used as a reservoir and storage plant for the city of Baker.

## WEST IS URGED TO AGAIN BE IN RACE

SALEM, Ore., Jan. 21.—Every mail brings to Governor West letters from persons urging him to become a candidate for reelection. In yesterday's mail was a petition signed by all but two citizens of Adams, Umatilla county, appealing to the governor to continue the campaign of law enforcement he has started. The petition was sent by G. O. Richardson, secretary of the Adams Commercial association.

"It has become the conviction of the subscribed citizens of Adams, Umatilla county," says the petition, "that it would be very difficult to find anyone with your convictions, ability and fortitude to carry on the reformation in the matter of law enforcement which you have so faithfully inaugurated."

"We endorse your administration and appreciate your efforts to restrain insubordination."

"We realize that such strenuous action is tiresome in the extreme and no doubt you would like a rest."

"However, it seems to us that for the good of the commonwealth, you should succeed yourself as governor. Please give us a chance to nominate and elect you governor of Oregon in this good year of 1914."

### STANFIELD LOCALS.

(Special Correspondence.) STANFIELD, Ore., Jan. 21.—Mrs. James Perry and daughter, Miss Jennie Perry were down from Pendleton attending the Masonic lecture. Miss Celia Moore and Mrs. Heistand Moore spent a day in Pendleton this week. Mr. and Mrs. J. T. McNurlin returned to Umatilla.
