REGIONAL BANK HEARINGS WILL START TONIGHT

Secretaries M'Adoo and Houston Pass Through Pendleton on Way to Seattle to Meet Bankers.

TO RETURN TO PORTLAND

Oregon Bankers and Businessmen Will Then Meet Cabinet Members and Express Their Opinion As to Location of Reserve Bank—Party Is Traveling on Special Car.

PORTLAND, Ore., Jan. 28.—Secretary of Agriculture Houston and Secretary of the Treasury M'Adoo and party arrived at 7 a. m. from Denver and left for Seattle an hour and a half later, where regional bank hearings will be held tonight and tomorrow.

William M'Adoo, secretary of the treasury, and David E. Houston, secretary of agriculture, passed through Pendleton last night en route to Portland and Seattle where they will conduct hearings which will assist them in determining locations of the regional banks.

Traveling Passenger Agent Miller met the party at Huntington and personally superintended the trip to Portland.

These two members of Wilson's cabinet comprise the organization committee of the federal reserve board.

With M'Adoo are his daughter, Nona, and Miss Ellen Robinson of Baltimore.

10 LABORERS MEET DEATH BY SUFFOCATION IN MINE

DANTE, Virginia, Jan. 28.—Ten laborers, two whites and eight negroes met death by suffocation when fire broke out in the tunnel which the Carolina, Clinchfield and Philo railroad is constructing on its line between here and Elkhorn City, Ky.

The men had entered the tunnel to continue excavating and had gone back about a quarter of a mile when they discovered that the timbering behind them were on fire.

"PIE BOOK" BEING SOUGHT IN INQUIRY INTO GRAFT

ALBANY, N. Y., Jan. 28.—A "pie book" in which Highway Commissioner John N. Carlisle is said to have kept a record of positions he parceled out to political leaders, is sought by James W. Osborne, for use in his graft inquiry.

The first intimation of the existence of the book came at the inquiry when Theron Akin of Fort Johnson, Montgomery county, a former congressman, spoke of it.

CANADIAN COIN ACCEPTED FOR BIG WRITEUPS

Forty-two Thousand Dollars a Year Paid for Past 16 Years for Articles in Patent Prints.

1 STORY IN 4800 PAPERS

Articles Appearing in Several Country Newspapers Boomed Canadian Lands as Superior to Those in the United States—450,000 Americans Attracted to Canada.

WASHINGTON, Jan. 28.—Advertising Manager Washington of the Western Newspaper Union, admitted before the senate lobby investigating committee that his concern had received \$42,000 annually from the Canadian government for the past 16 years for boom writeups in Canada's interests in the "patent inside" of small newspapers.

"You are hired by a foreign government to do a thing disloyal to your own country," said Senator Nelson of Minnesota.

The writup which called the committee's attention to a series of articles the Western Newspaper Union published, was an interview purporting to be from a former Iowa farmer in which he said he left poverty in the United States and found prosperity in Canada.

JAPAN MAKES IS VIEWED CALMLY

No Crisis, Declares President Wilson and Secretary Bryan—Former Thinks Huerta's End Near.

WASHINGTON, Jan. 28.—Administration officials were reticent today regarding reports that Japan's interference has complicated the situation in Mexico.

President Wilson and Secretary Bryan insisted no crisis was imminent. Confidential reports received by Wilson showed the rebels control more than half the republic.

MEXICO CITY, Jan. 28.—General Huerta and his friends have tried to make light of the plot discovered against the dictator's life Monday night, but every one on the inside of the situation knew that really it was very formidable.

Not only had it gone so far that all preparations were completed and the blow might have been struck if the conspirators had been a trifle more prompt, but several extremely prominent men are involved in it.

WASHINGTON, Jan. 28.—A circumstantial story that Japan is sending arms and ammunition to Huerta not only was denied at the White House but was referred to as "Baseless, foolish."

MEXICO CITY, Jan. 28.—Fidelma Hernandez and Guillermo Mejia, former members of the Mexican congress, were arrested charged with complicity to assassinate Huerta.

FLOOD WATERS IN CALIFORNIA ARE RECEDING

Southern Part of State Recovering Slowly From Effects of Storm—Railroads Still Upset.

MANY TOWNS ARE CUT OFF

Santa Barbara Is Still Isolated—Scores of Bridges Are Washed Out and It Will Be Several Days Before Normal Transportation Facilities Are Resumed—Wires Down.

LOS ANGELES, Jan. 28.—Cloudless skies marked the end of the five days of storm in California. Low temperatures were general last night but a frost was prevented by winds.

Southern California is recuperating slowly from the effects of the storm. It may be days before normal transportation and communication have been fairly re-established as dozens of towns are without rail communication.

No trains have arrived or departed from Santa Barbara since Friday. A great section of Ventura county is also cut off.

Citrus experts agreed that little damage was done the orange and lemon crops. Other crops generally were benefited by the rains, although thousands of acres of farm lands are inundated and crops ruined.

Clifford S. Sims, vice-president and general manager of the Delaware and Hudson, a railroad which is little heard of outside the east, but is of considerable importance, has been forced to settle with his 3,000 employees who went on strike the other day.
