MEMBERS OF GOOSE CLUB PREVENT NOODLE ACCIDENT

HORSE FORCEPS RENDER FIRST AID WHEN GUESTS TRY TO EAT CHOP STICKS.

The following item, sent to the Bingville Bugle, inadvertently found its way into the East Oregonian post-office box and is published with acknowledgement to the Journal for which it was intended:

The Goose Club met in regular bi-weekly social session at the home of W. C. E. Pruitt, 214 West Alta last night. Auction bridge was the entertainment until ten o'clock when a light collation was served consisting of Chinese noodles and Japan coffee. Everybody had a most delightful time and the evening was passed pleasantly until Dean Tatom and Sam Palme, in trying to eat their noodles with chop sticks, mistook the sticks for the noodles. Luckily a pair of horse forceps was found in the house and the assistance of a doctor was not necessary. Charley Greulich, popular and respected butcher, attempted to exemplify the new tango step on a small rug and slipped and broke his new year's resolution all to smash. Irvin LaDow and Wes Matlock favored the assembled guests with a select imitation of skinning a goose after which the entire assembly joined in chewing gum and swiping the host's new briar pipe, which was the only pipe he had, and as he wanted to smoke after the fracture in the house had been reduced to normal, he was compelled to sit out on the front porch until the zero weather had reduced his opinion of his guests sufficiently that his wife would permit him to associate with her. Otherwise the evening was passed very pleasantly and all present pronounced that they had a most enjoyable time.

For sale—30 head of good horses and mules. For particulars, inquire E. L. Smith & Co. Phone 518.

Football Solons to Meet.
 NEW YORK, Feb. 6.—Whether the sentiment of the public demands that football players wear numbers on their backs, so that spectators may tell at a glance the identity of the player, is the most important matter which will come up before the annual meeting of the football rules committee which is to be held here today and Saturday, at the Hotel Martingue. Pendleton Auto Co.

"Gets-It" for Corns on Your Piggy-Wiggias!

Quit Puttering With Corns. Use This Sure, New-Plan Corn Cure. A few drops of "GETS-IT" the biggest seller in the world today of any corn remedy, is enough to spell positive doom to the fiercest corn that ever

commented itself to a toe. It's good by Johnnie. You apply "GETS-IT" in two seconds—no fusing with plaster that don't stay put, with salves that make corns "pull" and make the toe beefy and raw, with knives, scissors, razors and diggers that make corns grow faster and that may cause blood poison from corn-cutting and corn-bleeding. "GETS-IT" shrivels up corns, they come right off. That's the new principle. It's just common sense. No more corn-pains. "GETS-IT" is safe, and never hurts the flesh. Get rid of corns and calluses. "GETS-IT" is sold at 25c a bottle by all druggists, or sent direct if you wish, from E. Lawrence & Co., Chicago. "GETS-IT" is sold in Pendleton by the Pendleton Drug Co. and F. J. Donaldson.
