## MILITIA CLASHES WITH STRIKERS IN COLORADO FIELDS

DENVER, April 21.—Advices at noon from John McClellan, a union official, stated that nine persons were killed in a clash between strikers and militiamen in the Ludlow district yesterday. Four strikers, four children and one woman were killed, the message said. McClellan said the strikers claimed that eight militiamen were slain but this the authorities denied. Another battle is said to be imminent.

At three o'clock this morning, according to unconfirmed reports, the militia swept the miners' position with a machine gun. Throughout yesterday Ludlow was swept by a blasting fire. Bullets rained on the railroad station where women and children sought refuge, and crouched in terror on the floor. The tent city of Ludlow was razed by the gun fire.

## WILSON UPHELD BY A VOTE OF 337 TO 37 IN MEXICAN POLICY

### HOUSE ADOPTS RESOLUTION FOR FORCE AGAINST GENERAL HUERTA.

Blockade First Move and Custom Houses at Tampico and Vera Cruz Will Be Seized Within 48 Hours at Least—Detailed Plans for Landing Marines Are Completed.

WASHINGTON, April 21.—In 48 hours, possibly less, the United States government will have taken possession of the Mexican custom houses at Tampico and Vera Cruz.

Detailed plans for landing of marines at these two important coast towns were completed at a conference at the White House between President Wilson, Secretaries Bryan, Garrison and Daniels, Major-General Wood and Rear-Admirals Fiske and Blue and John Lind.

The resolution upholding the president in his course was adopted by the house by a vote of 337 to 37, after a spirited debate.

The house adjourned until 10 o'clock today and President Wilson, worn out by the day's work, retired after hearing that the house had adopted the resolution.

## VOLUNTEER ARMY BILL IS PASSED BY SENATE

### NEW MEASURE PROVIDES FOR RAISING FORCE IN VERY SHORT TIME.

WASHINGTON, April 21.—Prompt organization of a volunteer army for service in Mexico or in any other crisis would be provided for in a house bill passing by the senate with amendments.

The bill would revise the law under which a volunteer force was organized for the Spanish-American war in 1898. Its authors contend that a volunteer force could be raised more quickly than under the existing law; that it would prevent the payment of bounties, would do away with a short term of enlistment by making the term of volunteers the same as those in the regular army; would procure the necessary number of men at the beginning of the war for a long period, thus making drafting unnecessary, and would decrease the pension list after the war.

Present Strength 120,000. The present strength of the organized militia, including officers and men, is approximately 120,000, according to the latest returns from Adjutants-General of the different states to the war department.

## JUDGE HARRIS, CANDIDATE FOR THE SUPREME BENCH

Further testifying to the satisfaction he has given as a judge is the fact that, when he announced his candidacy for the supreme bench, he received the endorsement of every one of the 64 lawyers in Lane county, regardless of their politics.

## MRS. SWITZLER, PIONEER OF COUNTY, DIES AT UMATILLA

### END COMES FOLLOWING STROKE OF PARALYSIS SUFFERED LAST THURSDAY.

News reached Pendleton this morning in a message to A. W. Nye that Mrs. John B. Switzler, pioneer resident of Umatilla, had passed away at her home in that town at 10:30 last night, following a stroke of paralysis which had left her unconscious since last Thursday. The body will be taken to Walla Walla tomorrow where the funeral and interment will take place.

Mrs. Switzler, who was 68 years old, had lived in this county almost continuously since an early day. She came west from Macon county, Missouri, at the age of 15 to Helena, Montana, with her parents whose name was Smoot. In Helena she met Mr. Switzler who had been engaged in the pack-train business and who had sold it to engage in the livery business. They were married and in a few years left for Los Angeles to which place Mrs. Switzler's parents had preceded them. There they bought a farm and lived for five or six years.

They came to Umatilla county in the early seventies and settled at Umatilla where Mr. Switzler engaged in the stock business with his brothers, Wir-
