

LIGHT STEERS HOLD FIRM IN N. PORTLAND

One Load of Idaho Stuff Sells at \$8.25 During the Morning and Several Loads of Oregon Offerings at \$9.20.

(Courtesy of The Journal.) PORTLAND, Ore., April 21.—Compared with a week ago, there was a smaller run in all lines of livestock at North Portland over Sunday, with the exception of calves, which showed a liberal increase.

Market for cattle showed a continuance of the excellent feeling for light stuff of finished quality, and one lot of Idaho steers sold at \$8.25 during the morning, while two loads of Oregon offerings went at \$9.20.

For ordinary quality the market was less favorable, although it showed no further gain of weakness. Killers are discriminating more and more against the ordinary to poor offerings, and are lending encouragement to those who are turning out superior quality.

In the cow market the demand continues quite fair, but prices are showing no further change.

General cattle market range:

Table with 2 columns: Item and Price. Includes Prime steers, Good to choice steers, Common steers, Prime speyed heifers, Good to choice dehorned cows, Best bulls, Common bulls, Best light calves, Ordinary calves.

Hog Market is Lower. Conditions in the hog trade at North Portland when the market opened for the week, were generally of steady character, with little change in quotations from those in effect at the closing of last week.

General hog market range: Best live 175 to 225 lbs. \$ 8.70, Prime heavy 225 to 250 lbs. 8.65@8.70, Rough and heavy 7.75@8.35, Pigs, 75 to 125 lbs. 7.75@8.25.

Sheep Market is Steady.

Fewer cars of mutton and lambs came forward in the North Portland market over Sunday than had generally been expected. Result was that the trade held fairly steady with no general change in the situation or price during the closing of last week.

Today's run of mutton totaled 1002 head compared with 2419 head last Monday and but 289 head a year ago.

Table with 2 columns: Item and Price. Includes Spring lambs, Best lambs, Ordinary yearling lambs, Old wethers, Best ewes, Ordinary ewes, Wool stuff.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

WHEAT QUITE ERRATIC

CHICAGO, April 21.—Wheat was very strong at the opening yesterday with an advance of 3-8c each for May and July, while the September was up 3-4c a bushel. Closing was 1-8c below Saturday for May, 1-4c higher for July and 1-8c for September.

Broomhall cabled from Liverpool that wheat was easy. American cables on Saturday and brilliant weather in the United Kingdom stimulated moderate realizing here at the opening. Later there was a further decline. Private advices received here are to the effect that the American outlook is highly favorable with winter offers liberal. During the morning there was some tendency by shorts to cover on the smallness of Canadian shipments and an improved inquiry for Australian steamers and light world's shipments.

DAYTON, O., April 21.—The filing of her suit for \$25,000 by Helen Slegg Winters against Mrs. Susan H. Darst for alleged alienation of her husband's affections is the outgrowth of the sensational divorce suit started by Valentine Winters. Winters is many times a millionaire and a former traction magnate of the city. His suit for divorce was opposed by his wife, and Judge Fremont Wood, then on the

district court bench, scored Winters for his actions. Mrs. Darst now declares that Mrs. Winters is bringing action against her for exactly the same amount of stocks given her by Winters. He said of Mrs. Darst: "If I cannot marry the woman I love, life has no happiness and death will be welcome." Mrs. Darst says: "Mrs. Winters asks \$250,000 damages. I have stocks that are worth that amount, gifts from Mr. Winters. He has tried to get the stock back from me, but my attorney has been protecting them for me. Now his wife sues to get the equivalent of the stocks. Isn't that significant, now that Mr. and Mrs. Winters are reconciled. It nearly breaks my heart to think that the man who whispered his love in my ear, the man who told me he loved me above all else in the world, I thought Valentine the soul of honor, and I gave him all that a woman gives to the man she loves as a woman can love but one man. He wanted proof of my love, I gave him that."
