## Newsy Notes of Pendleton

**Son Was Born.**  
A son was born last night to Mr. and Mrs. Herman Rohelk at their home near Fulton.

**Game at 4:30 Tomorrow.**  
Owing to the fact that the Sells-Floto circus will show here tomorrow afternoon, the Pendleton-Walla Walla baseball game will not commence until 4:30. The circus grounds being adjacent to the park, it will be convenient for the crowd to step from one attraction to the other.

**Has Diary of Pioneer.**  
Major Lee Moorhouse, who has a hobby for collecting pioneer relics, has just come into possession of the original diary kept by Ben Brown, a pioneer of the Grand Ronde valley who just recently died. Mr. Brown crossed the plains in 1861, settling in the Grand Ronde valley and was living there until his death. The diary contains many interesting passages telling of the early days in eastern Oregon.

**Club Meeting Tonight.**  
The regular monthly meeting of the Commercial Association occurs tonight and many matters of importance are to come up for consideration. The Fourth of July celebration, the freight division, the question of an improved road to the cemetery, the proposition of taking quarters in the proposed K. of P. building and other subjects will be on the program. Accordingly a good attendance is desired.

**To Discuss K. of P. Offer.**  
At the meeting of the Commercial association this evening, the matter of renting the entire second floor of the proposed K. of P. temple will come up for discussion and upon the action taken by the club will probably depend the plans of the lodge for building. The Fourth of July celebration and the entertainment for the Milwaukee excursionists will also be matters before the association, and because of the importance of all of these matters, President Tallman is very desirous of having a big meeting.

**Jane Bernoudy in "Movies."**  
The Shepherd's Daughter, a two-reel film now being run at the People's Theatre, in Portland, shows Miss Jane Bernoudy, one of the Round-Up star ropers playing the leading feminine role. The picture was taken near San Francisco and Miss Bernoudy was sent by the company all of the way from Los Angeles to take this part. It is said to be one of the best films in which Miss Bernoudy has ever appeared. Miss Bernoudy is gaining quite a reputation and is playing the Western girl part in nearly all of the Universal films western dramas taken in Southern California.

### Wedding Bells Chime.

June, the month of marriage, has brought three more Umatilla county couples together, according to the records at the clerk's office. Late yesterday afternoon licenses were issued to Jesse A. Porter and Ninetta F. Smith, to Herbert Everett and Milly Loshbaugh and to George W. Coarse

and Eva Ward. The Coarse-Ward nuptials were celebrated last evening at the French restaurant, Rev. Charles Quinney officiating, while the Everett-Loshbaugh wedding knot was tied by Justice of the Peace Joe H. Parkes.

Some men have an inherent ability for making mistakes.

### ROOSEVELT AS HE APPEARED IN WASHINGTON.

**Must Be Peaceful City.**  
That the city of Dayton, Ohio, with 150,000 people, employs only 80 policemen and has on an average of but 200 police court cases a month is the statement of J. I. Dill, chief probation officer of that city who spent Sunday here enroute home from Washington where he had official business. Pendleton with its small police force had 119 cases in police court last month and in this number were not included the arrests of scores of hoboes who were jailed over night and then "chased."

**Here's A New Job.**  
Wanted—An Indian maiden to serve Indian cocktails by H. C. Bowers, manager of the Multnomah Hotel, Portland. This is a fact and in his need, the hotelman has appealed to Major Lee Moorhouse of this city to supply him with the redskin lassie. In a letter received this morning, Manager Bowers states that he is having a big run on his Indian cocktails and is planning upon securing a real Indian girl to serve them as a novelty for his Arcadian Gardens. She must be young, pretty and able to speak good English, he says. The costume he will furnish if she has none. He would prefer to get one living in Portland with her family, but as this is impossible has turned, at the suggestion of C. S. Jackson, to the local man. Major Moorhouse is considering the list of Indian maidens of his acquaintance who could fill the bill and will try to accommodate the Multnomah manager.

# PIANO

Look before you leap!

WE earnestly suggest to all prospective buyers, that they investigate thoroughly before closing a deal for such an expensive and important addition to their home as a piano.

Don't buy in haste and repent at your leisure.

It's one thing to buy a second hand piano or one of unknown quality from some small dealer who is backed by nothing but talk and another thing to get a good, new, standard make of piano, delivered to your home, guaranteed by the manufacturer and a firm located here to stay, and kept in shape for you.

Look where you will, but be sure to see us before you buy. We'll deliver a guaranteed piano to your home for as low as \$10 down and \$6 a month. If we haven't just what you want we'll get it for you.

DIRECT FROM THE FACTORY WITHOUT ANY MIDDLEMAN'S PROFIT.

OUR PLAYER PIANOS ARE ABSOLUTELY THE LATEST AND BEST MADE—AND ALL NEW

Again we wish to admonish you to buy your piano from a responsible firm that you can find if anything is wrong and if you don't intend to buy from us we would at least like to have a good square, heart-to-heart talk with you—it will cost you nothing.
