SOCIETY

Mrs. C. T. Deuel of Boise, formerly Miss Vivian Ehrhart, arrived Thursday to be the guest of Miss Hazel Taylor.

The ladies of the Busy Bee Club were entertained very enjoyably Tuesday afternoon in the I. O. O. F. hall, Mrs. Tom Boylen being hostess.

At nine o'clock yesterday morning at the residence of the bride's father on Lee street was celebrated the wedding of Miss Edna May Baker to Grover C. Despain. Rev. S. L. Grigsby of the First Presbyterian church performed the ceremony, the ring service being used. Only a few friends and relatives were present. Both young people are well known in the city. The bride is a daughter of William Baker and only a few weeks ago was graduated from the Pendleton high school. Her husband is the son of the late Jerry Despain, one of Pendleton's pioneer merchants. They will make their home in this city.

Miss Helma Hunter of Ontario was a guest over night of Miss Frances Weber en route to her home from Washington where she had been teaching. She left on No. 6 this morning.

Mrs. Robert Paddock, a sister of Mrs. Roy Alexander, and Mrs. Edward Dooley, both of Walla Walla, arrived in Pendleton this morning from Portland and are spending the day here before returning home.

Home Hints and Recipes

Health and Beauty.

A bag of hot sand relieves neuralgia.

Warm borax water will remove dandruff.

A little soda water will relieve sick headache caused by indigestion.

A cupful of strong coffee will remove the odor of onions from the breath.

Well ventilated bedrooms will prevent morning headaches and lassitude.

Never enter a sick room while you are in a perspiration, as the minute you become cool your pores begin to absorb.

The best time to bathe is just before going to bed, as any danger of taking cold is thus avoided and the complexion is improved by keeping warm for several hours after leaving the bath.

When you go to bed—if you are looking for beauty sleep—you should fall asleep right away. The beauty sleeper the one who wakes up looking refreshed, will fall asleep the minute her head touches the pillow. She will fall into a slumber, heavy and dreamless, and she will awaken in the morning of her own accord.

A doctor has discovered that whistling is good for the health. It fills the lungs with invigorating oxygen, and this revivifies flagging spirits and flabby muscles. Boys are prone to be broader chested than girls and better constructed for deep muscular tones because of the lung exercise, which accompanies whistling and one of the first things they try to do when they've passed babyhood is to whistle.

New Bathing Cap.

The girl who hates to go into the water for fear of wetting her hair need fear no longer. There is a new bathing cap which "really does" protect the hair. The cap is of best rubber and has two long "earlets" which fall at either side of the face, cross over and button through an elastic eyelet, on to a big, safe button. In such a manner that the water cannot insinuate itself above the water line. So, now, girls, you may swim to your heart's content and not go through the process of hair baking afterward. Incidentally, this cap is very becoming.

Governor West announces that 2,600 acres of the Tumalo project is ready for settlers at forty dollars per acre.

ECZEMA BROKE OUT IN PIMPLES

Itched So Child Would Cry and Scratch Himself Until Blood Ran. Very Much Disfigured. Cuticura Soap and Cuticura Ointment Proved Complete Cure.

Whitewater, Colo. — "Eczema broke out all over my little grandson's face and body. It just looked as though blood poison would set up at times when he would scratch himself so much. The eczema broke out in pimples and would run a watery corruption and wherever the water touched the flesh, another pimple would form, until the pimples would form a sore. His clothing irritated his body and he lost his rest at night. The disease was so irritating and would itch so that I have seen him in such an irritating condition that he would cry and scratch himself until the blood would run. He was very much disfigured as the skin would be torn from his cheeks from the scratching.

"I tried all the simple remedies that I knew of to stop the pain and burning; I used ——— and ——— and bathed him in soda water but they did not cure him. This went on until January 1912 when I began to use the Cuticura Soap and Ointment, which proved a complete cure in a short time." (Signed) Mrs. Laura Stephens, Nov. 19, 1912.

Cuticura Soap 25c and Cuticura Ointment 50c are sold everywhere. Liberal sample of each mailed free, with 32-p. Skin Book. Address post-card "Cuticura, Dept. T, Boston."

Men who shave and shampoo with Cuticura Soap will find it best for skin and scalp.
